The Bi Annual BOS Meeting was conducted on 22nd July 2022, in the School of Vocational Studies.

Following Members and Experts were present:

1. **Mr. Rajender Kaul, (HOD)**
2. **Dr. Padamavathi Kuppuswamy, (Faculty Member)**
3. **Ms. Preeti Gupta (Faculty Member)**
4. **Mr. Vamsi Krishna (Member)**
5. **Dr. Tausif Alam (External Faculty)**

During the meeting the following decisions were taken:-

Agenda 1 To introduce New Programs under School of Vocational Studies

1.1 In view of the increasing demand for Skill Development among students and to expand the scope of Vocational Education , School of Vocational Studies have been established in the Vidyapeeth with effect from the academic year 2020-21 with the approval of the Hon'ble Vice Chancellor.

1.2 The following Courses will be introduced under School of Vocational Studies:-

S.No.	Program	Courses	Duration
1	B.VOC	Medical Lab Technology	3 years
2	B.VOC	Dialysis Technology	3 years
3	B.VOC	Operation Theatre Technology	3 years
4	B.VOC	Optometry Technology	3 years
5	B.VOC	Radiology and Medical Imaging Technology	3 years
6	B.VOC	Cardiac Care Technology	3 years
7	B.VOC	Hospital Sterilization	3 years
8	B.VOC	Patient Care Management	3 years
9	B.VOC	Hotel Management	3 years

Agenda 2 **It is proposed to discuss the Scheme and Syllabus along with Incorporations of Recommendations and Suggestions.**

2.1 Scheme of BVOC Courses from Semester I to Semester VI were placed and discussed in detail.

The matter was deliberated and it was decided to place the same before Academic Council Meeting for final approval.

Department of Civil Engineering

MINUTES OF THE MEETING

The 21st meeting of the Board of studies of the Civil Engineering was held on 13 January, 2021 at

p.m. in the Room No. 203 through online mode, Central Block, Lingaya's Vidyapeeth, Faridabad-121002.

The following members were present in the meeting.

Mr. Alok Singh Kushwaha — Chairperson

(HOD, Department of Civil Engineering, Lingaya's Vidyapeeth, Faridabad)

Prof. R. K. Singh — Internal Member

(Professor, Department of Civil Engineering, Lingaya's Vidyapeeth, Faridabad)

Mr. Deepak Kaushik — Internal Member

(Assistant Professor, Department of Civil Engineering, Lingaya's Vidyapeeth, Faridabad)

Mr. Ankur Rawat — Internal Member

(Assistant Professor, Department of Civil Engineering, Lingaya's Vidyapeeth, Faridabad)

Mr. Gagnesh Kumar Thakur — External Expert

(Senior Design Engineer, ASP Engineering Consultant, Jamshedpur)

The Chairperson, BOS of the Civil Engineering welcomed and introduced the members of the Board of Studies and thanked each one of them for sparing their valuable time to attend the meeting. He also narrated primary task and responsibility of Board of Study in brief.

Afterward the agenda items were discussed as mentioned below -

21.1 To confirm the minutes of previous BOS meeting held on 5th Feb, 2020 & to discuss on action taken report.

The minutes of the Board of Studies meeting held on 5th Feb, 2020 were communicated to the members. The comments received have been incorporated and placed for confirmation. The same was approved by the Academic council. The Board discussed on the action taken report on the recommendations of BOS agenda & appreciated the effort made by the department.

Sr. No.	Agenda	Action Taken
1	To review the syllabus of the subjects offered in the current semester. i.e., July, 2020 to Dec, 2020.	Syllabus updated.
2	To review the lab manuals & experiment lists of the subjects offered in the current semester. i.e., July, 2020 to Dec, 2020.	List of experiments & lab manuals updated.
3	Status of Ph. D research scholars.	04 scholars (enrolled in Jan, 2019) completed their course work examination and working on their research topic.
4	Academic achievements of the department from June 2020 to Dec. 2020 as per the Annexure.	Faculty members encouraged to engage themselves more on research.
5	To discuss about student development programmes to enhance the employability of students. (Workshops, Seminars, Expert Lectures, etc.)	Workshops, expert lecturers conducted.

6	To discuss on establishment of Civil Engineering Consultancy Centre at LV campus.	In progress.

21.1 To review the syllabus of the subjects offered in the upcoming even semester. i.e., Jan 2021 to May, 2021. (As per Annexure II).

Scheme & Syllabus to be offered in the upcoming semester were reviewed.

(a). The course "Teaching Practice" in M. Tech Program to be eliminated.

(b). The following new courses to be offered in M.Tech. Program:

- Quantitative Methods in Construction Management (CEC-501)
- Construction Project Management (CEC-505)
- Advanced RCC Design (CES-503)
- Construction Economics & Finance (CE-502)
- Construction Materials (CE-508)
- Advanced Design of Steel Structure (CE-510)
- Rehabilitation of Structures (CE-604)

21.2 To review the lab manuals & experiment lists of the subjects offered in the upcoming even semester. i.e., Jan 2021 to May 2021.

Lab manuals were updated as per the list of experiments attached in Annexure-II and duly recommended for the approval in academic council. The board appreciated the updating of lab manuals as per the recent demand of technology in Civil Engineering.

21.3 Status of Ph. D research scholars

The Board suggested some innovative research topics for Ph.D. scholars that includes Geopolymer concrete, Application of different solid wastes in concrete, Use of nanomaterials in Civil Engineering, Development of corrosion control methods for steel reinforcement, Climate-Resilient Infrastructure, Arsenic/Fluoride Removal from Drinking Water, Risk Analysis of Water Reuse for Industrial

Cooling Water

Consumptions, Wind-Induced Hazard Assessment for Low-Rise Building Envelope Considering Potential Openings, Dynamic Behavior of Super High-Rise Building: Deployment of Smart Monitoring System and Analysis, Safety Implications of Converting Continuous Green T-Intersections Back to Conventional T-Intersections, Effects of Driverless Vehicles on Competitiveness of Bus Transit Services, etc.

21.2 Academic achievements of the department from May, 2020 to Dec 2020 as per the Annexure.

After detailed discussion the BOS appreciated the achievements of the department board suggested that faculty members should be focused on more research publications in the reputed journals/conferences and participation in FDP/Workshop/Conference.

21.3 To discuss about student development programs to enhance the employability of students. (Workshops, Seminars, Expert Lectures, etc.)

The BOS recommended various types of student development programs to make our student more technically sound & employable. It has been suggested to organize different activities for the student development time to time which must include International Conferences, Seminars, Workshops, Quiz/Debates, PDP Sessions, Mock Interviews, Expert/Guest Lectures, etc. It has been also suggested to organize different educational/industrial tours. It has been suggested to offer trainings on live projects.

21.4 To discuss on digital teaching & learning plan.

In this semester, the department aims to completely adopt the methodology of digital

teaching & learning. For this, all the concerned faculty members need to prepare the lecture plan/instruction plan very well. Faculty members must prepare the presentation of every subject allotted to them. While preparing instruction plan, must mention the link of any video lecture or e-learning resources available for any topic.

21.5 Future plan of the department for next six months.

Following are the proposed future plan of the department for next six months:

(a). To improve the research works and encourage the students as well as faculty members to carry out quality research.

(b). To focus on research-based teaching which includes small projects, case study discussions, etc.

(c). To focus on engaging students for internship in reputed companies & support them for getting stipend.

(d). To propose some research projects to DST/AICTE/CSIR and other funding organizations.

(e). To encourage the students & faculty members to publish their research paper in reputed journals, present in conferences, write books/book chapters, etc.

(f). To encourage the faculty members to conduct/participate in seminars, workshops, conferences, faculty development programs, etc.

(g). To encourage the faculty members to enhance their API scores.

21.6 To discuss any other matters (with permission of the Chair) as last item of the Agenda.

(a). Some 'massive open online courses (MOOC)' should be offered in B. Tech (3rd & 4th year students) and M. Tech (1st & 2nd year students). The credit of these online courses must be transferred in their program of studies.

(b). More Open as well as Departmental Elective courses should be

offered in B. Tech (3rd & 4th year students) and M. Tech (1st & 2nd year students).

(c). The board suggested that at least two short term refresher courses/workshops should be organized by the department in each semester.

Meeting ended with vote of thanks in chair.
