## EVENT COMPLETION REPORT

Name of the School	School of Law
Name of Department	
Event Category <i>(for category list, see annexure 5)</i>	Webinar
Event Title	Elements of Constitutionalism
Event Date (Start to End)	8th August 2020
Chief Guest/ Speaker/Expert with affiliation (If any)	Prof. S K Bhatnagar
Convener(s)	Dr. Praveen Kumar Lohchab
Co Convener(s)	
Event Objectives	The government of India declared 26 <sup>th</sup> November as Constitution Day in the year 2015. A webinar was held on Google meet platform in which and students were told about the importance of the constitution and its architect Dr. B R Ambedkar. The objective was to appraise the students about the values of socialism, secularism, fraternity, justice and equality enshrined in our Constitution. Students and faculties made a

	commitment to follow the principles enshrined in the constitution in their day to day lives.
Event Description	A webinar was organized by School of Law on the eve of Constitution Day on 8 <sup>th</sup> August 2020 from 12 PM in virtual mode on Google meet platform. The webinar was attended by more than 50 students and five faculties. The lecture was taken by Dr. SK Bhatnagar, where he discussed the history of the Constitution and the role played by the Constituent assembly in drafting of the Constitution. The values enshrined in the Constitution was told to the students and the importance of Law Day which is also known as Constitution Day was also discussed. The spirit of the Constitution and constitutionalism was discussed in detail. Constitution in day to day life.
Event Outcome	Students gained knowledge from the event about the history and background of Law Day. Students also got to know that why this day is also called Constitution Day, how Government of India declared this day as Constitution Day in 2015. Students were filled with a sense of Constitutionalism and realized the importance of following Fundamental Duties as well as other principles under the Constitution.

Event Title	“Gender Bias and Stereo-typing, Gender Equality and Women’s Rights”
Event Date (Start to End)	28 <sup>TH</sup> MAY 2021 – 28 <sup>TH</sup> MAY 2021
Chief Guest/ Speaker/Expert with affiliation (If any)	DR.FAUZIA KHAN (PROFESSOR JAMIA MILIA ISLAMIA)
Convener(s)	PROF(DR.) ANCHAL MISHRA
Co Convener(s)	DR PRIYA RAGHAV ,DR HANAN KHAN,DR.VANDHANA,DR.RASHMI
Event Objectives	GENDER SENSITISATION.
Event Description	The objective of this webinar was to educate and create awareness amongst the students, Teacher and Policy makers on the immediate challenges in the field of women’s education and motivate them (especially women) to play a meaningful role in the building of nation and the society.
Event Outcome	Gender Sensitization is a basic requirement to understand the sensitive needs of a particular gender. It helps us to examine our personal attitudes and beliefs and question the 'realities' that we thought we know.Educational spaces instill thought and make one have a perception that they believe.

**School of Basic Sciences & Humanities**

**Report on Soft Skills Enhancement Programme**

**Session: 2019-2020**

Students must develop a variety of skills and abilities throughout time in order to stand out in the competitive society. These abilities will aid students in developing a successful professional career in colleges and universities. Strong personality development is aided by soft skills. On the other hand, a lack of soft skills can limit potential, or even can restrict students' growth. By developing strong leadership, teamwork, and communication abilities, a person can work more smoothly, deliver results that please everyone, and even positively influence one's personal life by improving how that person interact with others.

To Enhance the skill and knowledge of the students, soft skills development program was organized by School of Basic Sciences & Humanities, Lingaya's Vidyapeeth from 14 Oct 2019 to 18 Oct 2019. It aimed at inculcating and building upon the basic soft skills that are required by every student while appearing for the recruitment process of any company. Soft skills are identified as the most critical skills in the fast-moving era of technology. These include doing in-person interviews, conducting SWOT (strength, weakness, opportunity, and threat) analyses, writing and communicating effectively, creating resumes, participating in group discussions, and creating reports and presentations. An overwhelming number of students expressed interest in this concept; approximately 167 registered.

The communication and writing skills workshop educated the students on the value of clear communication and business language. The SWOT analysis exercise assisted the students in recognizing their areas of strength and weakness and developing strategies to strengthen them. A thought-provoking group discussion was also held. Additionally, a personal interviewing workshop was held, during which students learned the subtleties of appropriate interview conduct.

An introduction to CV construction was provided, along with a thorough discussion of resume writing approaches. Students are given the opportunity to explore new ideas and develop their personalities through this soft skills development program.

Name of the School	<b>LINGAYA'S VIDYAPEETH</b>
Name of Department	<b>Department of Computer Science &amp; Engineering</b>
Event Category <i>(for category list, see annexure 5)</i>	<b>Short Term Training Program</b>
Event Title	<b>Digital Learning for Advanced Pedagogical Techniques and Research Methodologies</b>
Event Date (Start to End)	<b>February 10-16, 2021</b>
Chief Guest/ Speaker/Expert with affiliation (If any)	<b>Dr. Picheswar Gadde (Chancellor)</b>
Convener(s)	<b>Chief Convener: Dr. Shivani Dubey, Associate Dean HOD-CSE Dr. Lokesh Bansal, Dean LV Convener: Prof. Vikas Singhal, Associate Professor</b>
Co Convener(s)	<b>Nil</b>
Event Objectives	<ul style="list-style-type: none"> <li>• Integrating technology into digital learning and research based educational programs.</li> <li>• Instructional development which emphasized the development of faculty skills involving pedagogical techniques, instructional technology, multidisciplinary subjects and curriculum design</li> <li>• Organizational development which emphasized the requirements of pedagogical techniques with multidisciplinary subjects like machine learning, artificial intelligence, IoT, Blockchain, mechanical tools, electronics and communication, management skills, sustainability etc..</li> <li>• Personal development which stressed on life planning, interpersonal and communication skills of faculty members.</li> </ul>

<b>Event Description</b>	<p>The School of Computer Science &amp; Engineering has organized an online <b>Short Term Training Program (STTP)</b> on “<b>Digital Learning for Advanced Pedagogical Techniques and Research Methodologies</b>” for six days inviting experts from Industry and Academia. The STTP was scheduled from <b>10<sup>th</sup> to 16<sup>th</sup> of February 2021</b> in a completely on-line mode using Zoom as an online tool daily from 10:00 AM to 03:00 PM, which was very effective and research oriented and it will highly benefit to the students, teaching fraternity and the research scholars. This online Short Term Training Program is diligently planned around developing the foundational knowledge needed to train the students, researchers and faculties to address the rapidly changing educational needs. The program is an effort towards empowering teachers with innovative, advanced pedagogy for their own professional development and student’s enhanced learning. During the course of the program, the faculty will be acquainted with teaching strategies that can promote independent, critical and creative thinking among the students.</p>
<b>Event Outcome</b>	<p>After attending this STTP participants will be able to</p> <ul style="list-style-type: none"> <li>• Understand the technology which is used in digital learning and research based educational programs.</li> <li>• Participants are able to develop skills involving pedagogical techniques, instructional technology, multidisciplinary subjects and curriculum design</li> <li>• Participants can contribute the knowledge in their organizational development which emphasized the requirements of pedagogical techniques with multidisciplinary subjects.</li> <li>• Personal development which stressed on life planning, interpersonal and communication skills of faculty members.</li> </ul>

## ***SECTION B: Event report and reflection***

### **Event Objective**

- National Science day's the main objective is to increase awareness among people about the importance of Science and technology in their lives.
- To display all the activities, efforts and achievements in the field of science for human welfare.
- It is celebrated to discuss all the issues and implement new technology for the development in the field of science.

### • **Event Description**

On the National Science day's, the students of Pharmacy were orientated on the "Future of Science and Technology and Innovation: Impacts on Education, Skill and Work" that should be followed in the University, Academics and Profession.

### **About the Program:**

National Science Day is celebrated every year to signify the importance of science and its application in our day-to-day life. School of pharmacy, at Lingaya's University is following this notion since many years and this year, to amplify the importance of Science in our lives, School of pharmacy had organized a poster as well as rangoli making competition. This competition was held amongst the students of D. Pharm and B. Pharm to showcase their understanding of science and its importance in a healthy competitive manner. The competition was held during 12:00 pm and 3:30 pm. There were 67 registrations in total from all the ongoing sessions. All the faculty members played a significant role in motivating, guiding and helping them in the registration process. Upon completion of the competition, the creative ideas in the poster and rangoli were judged by (Dr.) Varisha Anjum (Faculty at School of Pharmacy) and (Dr.) Anurakshi Verma (Faculty at Basic Science). Each and every student were awarded with a participation certificate, whereas, the 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> and consolation prize winning awardees were awarded with winning certificates and the winning prizes by respected Prof. (Dr.) A.R. Dubey, (Vice Chancellor, Lingaya's University), Dr. Sandeep Singh (Registrar, Lingaya's University), and honorable chief Guest Dr. Brijvir Singh, (DGM Plant Admin, Baxil Pharma (P) Ltd.) on the day of National Seminar conducted by School of Pharmacy, Lingaya's University on 5<sup>th</sup> March, 2021. The Science day program was ended with the lightening of the importance of science in the lives of everyone present there.
