A Report on webinar organized by School Of Commerce and Management

SOCM in collaboration with ICFAI Business School organized Faculty Training session on "*The 360 degree Academician*" under the auspices of IQAC, Lingaya's Vidyapeeth, Faridabad dated 16th August 2021 from 11am to 01pm via online platform.

The session was attended by various dignitaries of other department such as their heads, faculties and scholars. The Head of Management Department Dr. Ambrish Sharma invited the guest speaker Dr. Vineeta Mishra who is currently teaching at IBS Gurugram. The session revolved around the scope and challenges of an academician. It catered to the ways in which education will revamp the system along with blended learning. Also, the need of education industry was discussed at stretched.

The factors leading to transformation in education industry were identified and opportunities provided by Big data, AI, Analytics and IOT were studied. The concept of Traditional and Flipped classroom were discussed. Not only the virtual classroom teaching notion was revolved but also the merits and demerits were too a part of it. Some of the mediums to enhance student online engagement were Kahoot, Padlet, Showme, Polls and Quiz. The Kahoot tool was well illustrated in the form of an online quiz wherein each faculty participated and resolved their queries there and then. The areas of academic administration such as Educational – planning, administration, organization, direction, co-ordination, supervision, controlling and evaluation were determined.

The strategic role of collaboration in terms of professionalism and integrity plays a crucial role in the life of an academician. Through Learning Management System, it helps to connect with students in a blended online environment. The courses for the same can be delivered via self recorded videos, online content (URLs), ppts, workbook, etc. Using Moodle, Canvas or Blackboard, Google classroom is of great use for all beginners. A group discussion on the teaching pedagogies used in the classroom were talked about so as to make it more effective for everyone.

Lastly, the session was concluded with the vote of thanks by Alisha Kumar from School of Commerce and Management. Indeed, the session was appreciated by all the attendees of event.

VINEETA MISHRA

Ph: +919999016042. E-mail: vineetamishra85@yahoo.com

CAREER SUMMARY:

I am a full-time Finance faculty with a leading B-school in the National Capital Region of India, with over 9 years of teaching experience. I have completed my PhD from Amity University with my dissertation at the intersection of Finance and Corporate Governance. My areas of expertise include Corporate Finance, Project Appraisal and Finance, Security Analysis, Portfolio Management, Banking and Business Ethics. I have ~2.5 years of experience as a financial analyst with a US-based wealth management company, Northern Trust. I have been consulting online MBA units for a Victoria-based public university in Australia since October 2018. I am proficient with online, offline and hybrid modes of teaching and course development on Moodle LMS.

WORK EXPERIENCE:

1. Working as a faculty member with IBS Gurgaon since April 2012. Job responsibilities include teaching Corporate Finance, Project Appraisal and Finance, Security Analysis and Portfolio Management, Personal Finance, Business Ethics and Banking papers to post graduate level students, guiding students in the management research projects, internal and external evaluation, syllabus up gradation, organizing and participating in seminars and conferences, and doing academics-related administrative work as assigned from time to time.
2. Worked with Sikkim Manipal University as Visiting Faculty for MBA from June 2010 to January 2012. Core papers such as Statistics and Finance papers allotted to me. Reviewing assignments and providing project guidance were a part of the responsibility.
3. Worked for 2 years and 5 months at Northern Trust as Senior Analyst (Financial Reporting) from July 2009 to November 2011. I worked with the valuation reporting, client accounting and fee billing process.

The job responsibilities included production and auditing of investment reports of major institutional clients that are sent to them on a periodic basis. It also included fee billing for the same. It also included daily monitoring of fund performance, auditing the discrepancies at the security level and fund level on a daily basis (Asset Coding, Asset set up, Pricing, Income, transactions & Corporate Actions) and providing resolutions to client queries within defined TAT.

I kept track of all relevant non-cash corporate actions like splits, distributions, and spin offs and corporate actions such as exchanges and settlement of COB (cost-out-of-balance). I performed trend analysis with daily data to identify areas of front-end process improvement and regular reporting for the onsite teams in Chicago and London.

I also trained analysts on financial markets, instruments and processes.

EDUCATIONAL QUALIFICATION:

For LINGAYA'S VIDYARTEETH

20 APR 2024

EVENT COMPLETION REPORT

Name of the School	School of Law
Name of Department	
Event Category <i>(for category list, see annexure 5)</i>	Cultural event/Activity
Event Title	Legal Aid Camp
Event Date (Start to End)	30 th December 2021
Chief Guest/ Speaker/Expert with affiliation (If any)	
Convener(s)	Dr. Sushil Kumar Sharma
Co Convener(s)	Ms. Prachi
Event Objectives	<p>Legal aid mainly means providing free legal aid services for free to the needy or the poor section of the society. These are those people who are not capable to afford a legal representative for them who can fight a case for them. So the government has brought out the service of free legal aid to the needy people. There are certain objectives of the government to establish a system of the free legal system. And the Right to Free Legal Aid is also mentioned under Article 39A of the Constitution of India. The theme of this Legal Aid camp was Fighting Domestic Violence and Crime against women.</p>
Event Description	<p>The event was conducted in Nachauli village in Faridabad. Around 10 students and 6 faculties from School of Law participated in this legal aid camp. The event started by a Nukad Natak skit done by students from School of Law of different semesters. The theme of Nukad Natak was</p>

For LINGAYA'S VIDYAPEETH

APR 2024 Registrar

	also based on domestic violence against women and dowry. The Nukkad Natak was followed by a speech by Dr SK Sharma , Professor and Associate Dean SOL making people of the village aware about womens rights and remedies against domestic violence and how even today it is a problem in India. This was then followed by a speech by Mr. Ish Preet Singh explaining different laws and provisions safeguarding women from domestic violence and dowry in Indian Law.
Event Outcome	Villagers were apprised about the legal information and knowledge shared by the students and faculties from School of Law, Lingaya's vidyapeeth. Many local villagers came to discuss their legal and social problems with the faculties and studnets from School of Law who provided them with free legal aid. The villagers thanked Lingaya's Vidyapeeth School of Law for organizing this free legal aid camp in their village.

Dear Lingayains,

Greetings!

Occasionally, a new way of organizing work leads to extraordinary improvements.

Design thinking is all about to understand users, challenging assumptions, redefining problems and creating innovative solutions to prototype and test.

Design thinking identifies hidden needs by having the innovator live the customer's experience so this human-centered approach to innovation will transform the way you develop products, services, processes, and organizations.

Therefore to synergize our efforts towards innovations, THE MARKAZIAN CLUB of SOCM and FMA are jointly organizing a live webinar on 'Design thinking' by Ms. Harini Srinivasan 'Partner' SEMCOSTYLE INSTITUTE, INDIA on 01/10/2021 at 2:30 PM – 3:30 pm.

So on the behalf of SOCM Lingaya's Vidyapeeth (Deemed to be university) I request you all to participate and motivate students to learn and expand their wings to deal with the emerging world.

PFA

Thank you in advance.

--

Regards,**Prof. (Dr.) Ambrish Sharma****EPBM (IIM -L) & Ph.D.(Management)****Associate Dean**

Webinar on "Design Thinking" | 2:48 PM

The first word.....

Art, Think & Communicate from the INSIDE OUT!

WHY - Your Purpose
Your motivation? Why do you design?

HOW - Your Process
Specific actions taken to realize your WHY

WHAT - Your Result
What do you see? The result of Why-How

Skill development programme **enhances the speed, precision and effectiveness of human efforts**. In this regard School of Mechanical Engineering, LINGAYAS VIDYAPEETH organized workshop on "Skill development" during **28 march 2022 to 01 april 2022** from 9:00 am-5 pm. The objective of this webinar was to introduce the basic approach towards project model preparation and maintenance problems in machines to all students of School of Mechanical Engineering.

The chief guest was Pro V.C Maam (Prof. Jaskiran). The event was started with the welcome note given by Dr. Maniraj (H.O.D). The event was coordinated by Dr. Sanjay Sundriyal(Asst. Professor), and Mr. R K Deb (Asst. Professor), School Of Mechanical Engineering, LINGAYAS VIDYAPEETH.

The main focus of this webinar was in general:

- To impart knowledge about bright career opportunities by learning practical hands on practice.
- The orientation basically was focused on delivering basic knowledge on machines and its use in daily life.

Name of the School	School of Education
Name of Department	Education Department
Event Category <i>(For category list, see annexure 5)</i>	Orientation & Induction Programme (Annexure 5: No.16 &17)
Event Title	Campus Treasure Hunt (Room no: 310)
Event Date (Start to End)	Date: 14 September 2021
Chief Guest/ Speaker/Expert with affiliation (If any)	NIL
Convener(s)	Ms. Melita Stephen and Ms. Ishita Bajaj
Co Convener(s)	NIL
Event Objectives	<ul style="list-style-type: none"> • To enable students to work as a team. • Acquaint students with problem-solving skills and cooperative behavior. • Make students visit and make them aware of important areas of the University campus.
Event Description	<ul style="list-style-type: none"> • Under this session, the School of Education in collaboration with the School of Computer Science and Information Technology conducted a campus-wide treasure hunt event. Students were asked to find Lingaya's Vidyapeeth Logo (puzzle pieces) along with the clues distributed throughout the campus. Each clue was associated with a place where the logo was hidden like the reception area, Central Library, Canteen, Parking and the Computing Block. The response to the event was overwhelming.
Event Outcome	<ul style="list-style-type: none"> • Students have come up with strategic plans to complete the challenges throughout the activity. They all participated with full zeal and enjoyed the event.

Brief Report on FDP on Research Methodology

Five -Day Online FDP on Research Methodology during 10-14 May 2021 was organised by School of Education, Lingaya's Vidyapeeth, Faridabad. The main objective of the FDP was to equip the faculty members with set of skills and potentiality to undertake research effectively in their respective disciplines. This FDP is designed to refurbish the knowledge of the researchers through all stages of research from identifying a research problem to submission of research proposal and report writing. The FDP gives an exposure to data analysis and intends to deal with a variety of quantitative research methods used in social science researches.

The workshop received 740 registrations nationwide across 27 states and 3 UTs; and on the global platform, the workshop witnessed participants from six countries; Afghanistan, Pakistan, Bangladesh, Nepal, Ethiopia, Philippines. By the end of the FDP, the participants are expected to develop conceptual clarity to undertake quality research and writing research proposal and scientific, technical reports.

The FDP commenced after Registration of Participants, Introduction, and Inaugural Ceremony. The technical sessions on all five days included four segments with knowledge sharing by resource persons and an interactive discussion forum for the participants at the end of each lecture.

Day 1 (10 May 2021): The FDP opened with a formal inaugural session at 1.30 pm by Hon'ble Vice Chancellor, Professor A R Dubey. Deans, Heads and other Professors and Teaching Faculties of different Schools of Lingaya's Vidyapeeth accompanied the workshop. The workshop was attended by 85.5 % of registered participants, who are faculties; research scholars associated with different universities and are directly involved in research process.

Our Convener Dr Ankur Tyagi, Associate and Head, School of Education heartily welcomed all the guests, participants, faculty members and students for the five-day online Faculty Development Programme on Research Methodology. She delivered how research is important to the academic community and highlighted the overview of the FDP with core objectives. She assured the participants of a learning experience through this FDP to overcome challenges in carrying out successful research work. She stressed the importance of research and concluded the welcome note with her inspirational words to keep learning continue in this situation of pandemic times. She extended her expression of gratitude with vote of thanks to all the resource persons who contributed for this workshop.

Dr Manish Singh, Assistant Professor, Department of Psychology anchors the sessions and introduced the experts to the forum. The FDP continued between 1.30 pm to 4.30 pm. Dr Ruby Farooqi, Assistant Professor, School of Education comperes the session with her note of thanks to the technical speakers.

Day 2 (11 May 2021): Dr Vishal D. Pajankar Assistant Professor in Statistics at Educational Survey Division, NCERT Delhi took the first session on Day 2. He has professional experience in the field of statistical techniques and computer programming and has been

For LINGAYA'S VIDYAPEETH

20 APR 2024

involved in large-scale surveys as AISES, NAS. He shared his expertise knowledge on the topic; Collection of Data. Data collection is a research component in all fields of study. He enabled the participants to answer relevant questions to evaluate outcomes.

Day 3 (12 May 2021): Professor Mohan Lal Lakhera, Head, Department of Statistics & Computer Science, Indira Gandhi Agricultural University handled the first session on Day 3 in continuation of the topic; Processing and Analysis of Data-Inferential Statistics. His knowledge was immense, informative and detailed the formal process of statistical analysis using inferential statistics. He explained clearly the goal of hypothesis testing and to compare populations or to assess relationships between variables using sample are tested using statistical tests. His piece of knowledge delivered will definitely benefit the students in carrying their research further.

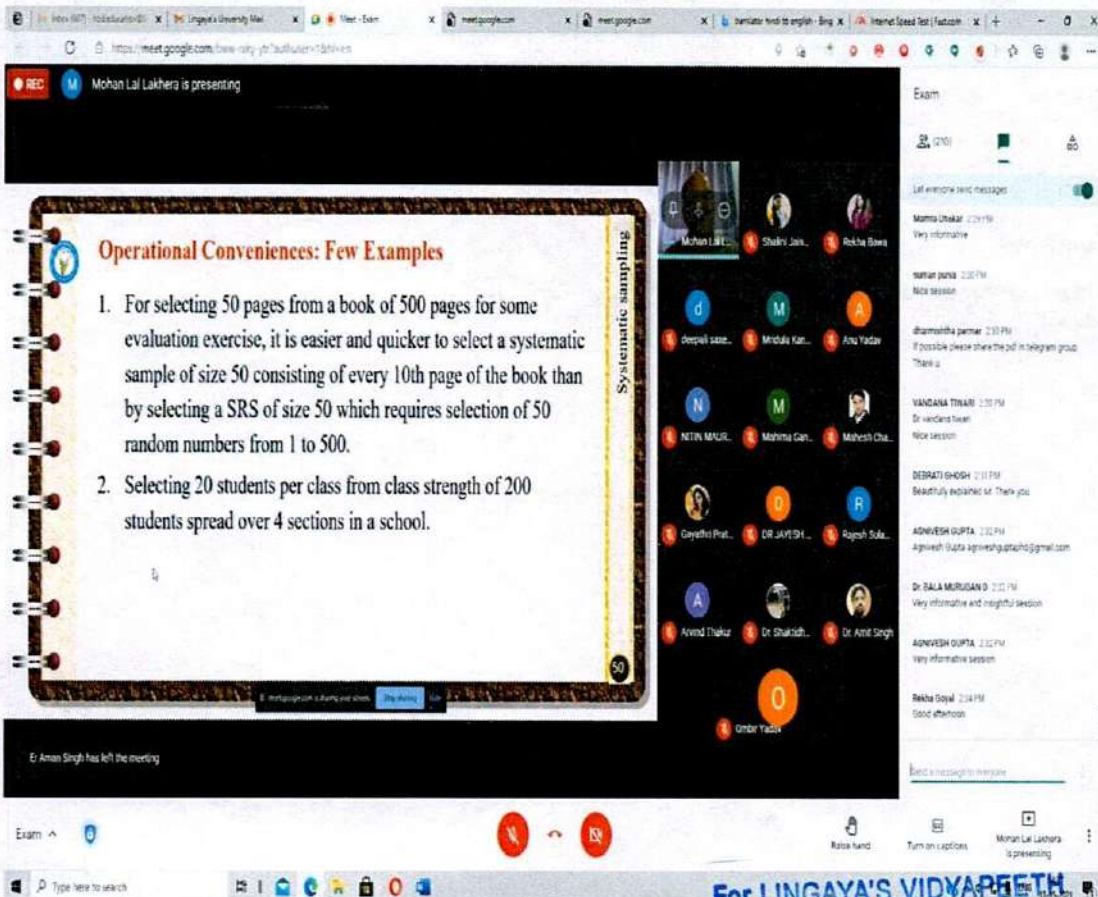

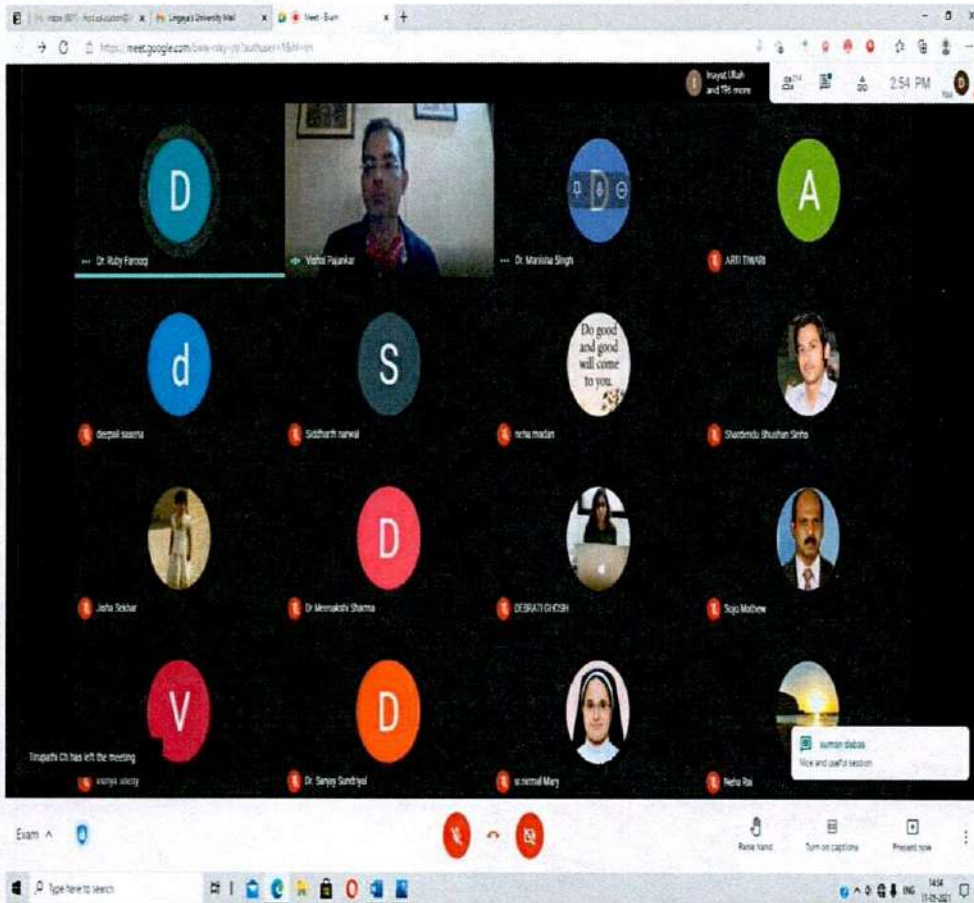

Day 4 (13 May 2021): Professor Mohan Lal Lakhera, Head, Department of Statistics & Computer Science, Indira Gandhi Agricultural University headed the first session on Day 4 with his expertise knowledge on Sampling Designs, a mathematical function that gives the probability of any given sample being drawn. He further contributed to the understanding of the participants, how to design a best-fit sampling method for a real life situation.

Day 5 (14 May 2021): The first session on Day 5 was handled by Professor Anjana Tiwari who has been imparting training to Technical teachers in engineering and polytechnic areas around the globe various facets of communication that will help the student community to become better teachers. She enlightened the session with her piece of knowledge expertise on Research Proposal. A research proposal is a document proposing a research project in the academia. The participants were comprehended carefully that research proposals carry an impact on cost, potential and soundness of the proposed plan for carrying out the research.

In continuation of the first session, Professor Anjana Tiwari delivered her expertise knowledge in the second session on Day 5 on Scientific and Technical Report Writing. A scientific or technical report informs about the research conducted and Professor Anjana Tiwari has very clearly described the participants the recommendations and conclusions to be included in the scientific or technical research problem.

	<p>law in itself is a dynamic subject and opportunities in today's era are diversifying, hence the purpose behind conducting this webinar was to aware students about emerging fields in law such as Cyber law, Intellectual Property Rights, Maritime Law etc which are different from the conventional fields and also focusing on what steps a student should take in his or her law school in order to make a successful career in their respective fields.</p>
<p>Event Description</p>	<p>The webinar started by an introduction by Dr. Praveen Kumar Lohchab, Professor and HOD School of Law who welcomed the students faculties and the resource person for the webinar. The resource person then discussed the various career opportunities in law and also the nee emerging areas in law. She also discussed how a student should focus on more internship in law school to learn practical aspects of law. In the end, the students asked some questions and thanked the resource person. The session ended with a vote of thanks by Dr. Praveen. The session was attended by over 40 students and 6 faculties</p>
<p>Event Outcome</p>	<p>The webinar witnessed many questions related to different careers in law by the students. Students were very motivated as many of their doubts were clear and they were satisfied in the end as they were now able to feel their journey would be easy</p>

Brief Report on Digital Poster Making Competition

World No Tobacco Day is observed on 31st May 2021. The School of Education, & Nss Unit of Lingaya's Vidyapeeth, Faridabad organized World No Tobacco Day. The main objective of the event was to ensure that all the students and faculties take an oath against tobacco dependence. It also helped in disseminating community awareness by organizing a competition in **Digital Poster Making** by students. The day started with the students and faculties taking an e-pledge to curb the practice of tobacco in their community around, under the guidance ship of Dr Ankur Tyagi, Head & Associate Professor, School Of Education.

A copy of the pledge in English and Hindi is available at the form <https://tinyurl.com/lvpledge2> .

Every year, on 31st May, the World Health Organization (WHO) and global partners observe World No Tobacco Day (WNTD). The annual campaign is an opportunity to raise awareness on the harmful and deadly effects of tobacco use and second-hand smoke exposure, and to discourage the use of tobacco in any form. This year, the theme of World No Tobacco Day 2021 is "Commit to Quit". In this regard, Lingaya's Vidyapeeth organized the e-pledge-taking ceremony on "World No Tobacco Day" at our university in a befitting manner following strict adherence to the Government Guidelines/Protocols on COVID-19.

For LINGAYA'S VIDYAPEETH

Registrar

25 students participated in Digital Poster Making with much enthusiasm. Students from various educational backgrounds like B.ED, M.ED, B.A Psychology Honors partook in this competition. The students displayed their version of real meaning of this significant day with their creativity skills via drawings, paintings, quotes, slogans, 3D images.

The registrations were received from around 50 participants across the university campus. The Posters expressed an ideal explanation as to what tobacco consumption can do to our lungs. Citizens across the globe must quit this bad habit for better health and longevity. The posters are an actual depiction with a deeper meaning attached. The students very beautifully explained the importance of healthy lungs to survive through their posters. The purpose of every drawing on this occasion of world no tobacco day is to stop the intake of tobacco in any form, be it cigars, cigarettes, amid others. At the end of the event, certificates of participation was given to each one by Head and Associate Professor, Dr Ankur Tyagi. In addition, accolades to the students were given based on the performance of the best three selected posters.

SECTION B: Event report and reflection

Event Objective

- The Communication Skills play a pivotal role in promoting employability of graduates in any stream. The lab is regularly used by teachers to impart English language learning and soft skills developed via students. While the study centre has printed materials on such themes, the Advanced Digital Language Laboratory supports them in the form of software.
 - EWL (Software for English language lab) is the innovative English language lab software, are growing in popularity as aid to audio-visual tools assist teachers in enhancing communication skills of learners. Content software, Practice of writing skills and effective writing, hardware requirement, space and human resource.
- **Event Description**

On the webinar, the students of Pharmacy were orientated on the "**Virtual English Language Communication Skill Lab Software Practice for Pharmacy Students**" that should be followed in the University, Academics and Profession.

About the Program:

On the inaugural webinar, Prof (Dr.) A.R. Dubey participated as Chief Guest Vice-Chancellor, Lingaya's Vidyapeeth address, he emphasized the role of "**Virtual English Language Communication Skill Lab Software Practice for Pharmacy Students**". Mrs. Poonam Sharma, presided over the function. Prof. Manju Makhija participated as a speaker from Director, DSD, BHESU. The entire session was an interactive session and the speakers answered many queries raised by the participants. Prof (Dr.) Mojahid-Ul- Islam, proposed vote of thanks. The entire programme was co-ordinated with the support of the Head of Department faculty and Pharmacy students of the department of School of Pharmaceutical Sciences, LINGAYA'S VIDYAPEETH, Faridabad (Haryana).

REPORT

Celebration of World Consumer Rights Day, 15 March 2021

School of Law

School of law of Lingaya's university, Faridabad celebrated the day by organizing a webinar. The theme of this webinar was "Consumer rights and challenges in the present scenario." Prof. Dr. Amar Pal Singh, an eminent academicians and the Dean, University School of law and legal studies, GGS IP University delivered his thought on the topic and expressed his view that the consumers are the king in the present scenario of the market. He talked about the six rights of the consumers, the dispute redressal mechanism available with the consumers, gave an deep insight of the new Consumer protection Act 2019. He also illustrated that how the consumer enjoys the position of a king in the present Market. He also addressed the various queries of the participants.

Dean, School of law, Prof. Radheshyam Prasad also expressed the global importance of the consumer rights and on line settlement of the consumer disputes. Hon. Vice Chancellor Prof. AR Dubey deliberated on product liabilities incorporated in the new consumer Act and how the new Act will be able to safeguard the consumers against unfair trade practices. More than 80 participants across the country participated in this webinar.

अधिकार संचालन
फरीदाबाद, 16 मार्च। लिंगयाज
विद्यापीठ, डीम्ड-टू-थी-यूनिवर्सिटी
के स्कूल ऑफ लॉ ने वेबिनार
आयोजित कर विश्व उपभोक्ता दिवस
मनाया। गूगल मीट वीडियो कॉन्फ्रेंसिंग
के द्वारा 'वर्तमान परिदृश्य में उपभोक्ता
अधिकार और चर्चा' विषय पर
चर्चा की गई। आयोजन के दौरान
स्कूल ऑफ लॉ के डीन डॉ. राधेश्याम
प्रसाद व गुरु गोविंद सिंह इंद्रप्रस्थ
विश्वविद्यालय स्कूल ऑफ लॉ के
डीन डॉ. अमरपाल सिंह मुख्य अतिथि

के रूप में उपस्थित रहे। वेबिनार का
संचालन स्कूल ऑफ लॉ की सहायक
प्रोफेसर शरावनी ने संभाला। वेबिनार
में 80 से भी अधिक प्रतियोगियों ने
भाग लिया। इसी दौरान डॉ. ए.आर.
दुबे (कुलपति लिंगयाज विद्यापीठ)
ने भी उत्पाद की देयता पर खासतौर
पर अपना मत रखा।

डॉ. राधेश्याम प्रसाद ने बताया कि
विश्व उपभोक्ता दिवस हर साल 15
मार्च को पूरे विश्व में मनाया जाता
है। इस दिन को उपभोक्ता के
अधिकारों और जरूरतों के बारे में

जागरूकता बढ़ाने के लिए मनाया
जाता है ताकि उपभोक्ता अपने
खिलाफ हुए धोखाधड़ी और
सामाजिक अन्याय के खिलाफ लड़
सकें। अलग-अलग देशों में
विश्व उपभोक्ता अधिकार दिवस
कई तरीकों से मनाया जाता है।
इस दिन लोगों को उनके
अधिकारों के बारे में बताने के लिए
जागरूकता अभियान व कैम्प लगाए
जाते हैं। वहीं इसके इतिहास पर चर्चा
करते हुए उन्होंने बताया कि भारत
में उपभोक्ता आंदोलन की शुरुआत

1966 में महाराष्ट्र से हुई थी। वर्ष
1974 में पुणे में ग्राहक पंचायत की
स्थापना के बाद अनेक राज्यों में
उपभोक्ता कल्याण के लिए संस्थाओं
का गठन किया गया। 9 दिसंबर 1986
को प्रधानमंत्री राजीव गांधी की पहल
पर उपभोक्ता संरक्षण विधेयक पारित
किया गया और राष्ट्रपति के हस्ताक्षर
के बाद इसे देशभर में लागू किया
गया। पिछले साल 20 जुलाई 2020
को इस कानून के तहत संशोधन कर
ग्राहकों को और अधिक सशक्त व
सक्षम बनाने की कोशिश की गई है।

मेट्रो अस्पताल में लगा हेल्थ मेला छीना झपटी करने

उपभोक्ता अधिकारों पर चर्चा की

फरीदाबाद | वरिष्ठ संवाददाता

लिंगयाज विद्यापीठ के स्कूल ऑफ लॉ
की ओर से मंगलवार को वर्तमान
परिदृश्य में उपभोक्ता अधिकार और
चर्चा' विषय पर वेबिनार का
आयोजन किया गया। इस दौरान स्कूल
ऑफ लॉ के डीन डॉ. राधेश्याम प्रसाद
व गुरु गोविंद सिंह इंद्रप्रस्थ
विश्वविद्यालय स्कूल ऑफ लॉ के डीन
डॉ. अमरपाल सिंह मुख्य अतिथि रहे।
वेबिनार का संचालन स्कूल ऑफ लॉ
की सहायक प्रोफेसर शरावनी ने किया।

डॉ. राधेश्याम प्रसाद ने संबोधित
करते हुए कहा कि विश्व उपभोक्ता
दिवस हर साल 15 मार्च को मनाया

शोषण के खिलाफ आवाज उठाएं

डॉ. अमरपाल सिंह ने कहा कि इस दिन को मनाए जाने का मूल उद्देश्य यही है कि
उपभोक्ताओं को उनके अधिकारों के प्रति जागरूक किया जाए और अगर वे
धोखाधड़ी, कालाबाजारी तथा घटतौली इत्यादि के शिकार होते हैं तो वे इसकी
शिकायत उपभोक्ता अदालत में कर सकें। भारत में उपभोक्ता संरक्षण कानून में
स्पष्ट किया गया है कि हर वह व्यक्ति है, जिसने किसी वस्तु या सेवा के क्रय के
बदले धन का भुगतान किया है या भुगतान का आश्वासन दिया है तो ऐसे में किसी
भी तरह के शोषण या उत्पीड़न के खिलाफ वह अपनी आवाज उठा सकता है।

जाता है। इसका उद्देश्य उपभोक्ता के
अधिकारों और जरूरतों के बारे में
जागरूकता बढ़ाना है। जिससे कि
उपभोक्ता अपने खिलाफ हुए
धोखाधड़ी और सामाजिक अन्याय के
खिलाफ लड़ सकें। नौ दिसंबर 1986
को प्रधानमंत्री राजीव गांधी की पहल पर

उपभोक्ता संरक्षण विधेयक पारित किया
गया और राष्ट्रपति के हस्ताक्षर के बाद
इसे देशभर में लागू किया गया। पिछले
साल 20 जुलाई 2020 को इस कानून
के तहत संशोधन कर ग्राहकों को और
अधिक सशक्त व सक्षम बनाने की
कोशिश की गई है।

REPORT ON WEBINAR-15-03-2021

With the blessings almighty, having constant encouragement of our respected chancellor Dr. Picheswar Gadde and Vice chancellor Prof. Dr. A.R Dubey, a webinar was conducted on the occasion of the world consumer rights day, which is celebrated 15th of March every year. The school of law, Lingaya's Vidyapeeth has conducted the webinar on the following schedule and the topic:

Topic: Consumer rights and challenges in the present scenario.

Date: March 15, 2021

Resource person: Prof. Dr. Amar Pal Singh, Dean University school of law and legal studies, GGS IP University, Delhi.

Time: 3:00 PM to 4:00 PM

About the speaker of the webinar: Prof. (Dr.) Amar Pal Singh is an eminent academician, who is currently the dean, university school of law and legal studies, Guru Govind Singh Indraprastha University, Delhi. He has around 25 years of teaching and research experience Prof. Singh has published 2 books, 52 papers and has presented over 60 papers in various national and international conferences. He is also the member of Indian law institute, the Indian society of international law and Indian institute of public administration.

Description: During the webinar he talked about the six rights of the consumers, the dispute redressal mechanism available with the consumers, gave a deep insight of the new Consumer protection Act. He also illustrated that how the consumer enjoys the position of a king in the present Market. He also addressed the various queries of the participants.

Program: the webinar was conducted through google meet. The link was circulated among students and faculty members of different institutions. The webinar was attended by 78 participants. At the end of the webinar the honorable vice chancellor Prof. Dr. A.R Dubey also talked about "product liability" under the new Consumer Act.

School of Architecture

Contemporary Construction Materials-Brief Report

School of Architecture and Department of Civil Engineering in collaboration with JK Cement organized a workshop on Contemporary Construction Material on 11.09.2019. The presenter of this was Mr. Jha (zonal head JK cement). As we all know that cement (binding material) is most important construction material used in any kind of construction. Mr. Jha not only elaborated about the cement but also about all the new building material and the techniques which are coming in construction industry now a day.

Contemporary construction material is the amalgamation context based building materials with the modern building materials produces a sustainable style. Denser materials such as concrete, tiles, stone, and bricks have high thermal mass. Lightweight materials have low thermal mass. Higher density materials have higher heat storing capabilities. So the contemporary construction materials are those which are efficient in construction and environment friendly as well. The Zonal head gave an overview on the following contemporary building materials: Brick, R.C.C., Stone, Wood, Pre-engineered steel, Aluminum, Glass, Stainless steel, External finishes, Flooring, False ceiling.

Mr. Jha also had a question-answer session with students of Architecture and civil engineering as well and shared his experience as he has been worked on many projects in his professional career. He talks about importance of contemporary construction material in shaping a new India keeping in mind the environment and the development as a whole.

In the end, a vote of thanks and an honorarium was given to the Zonal head Mr. Jha by dean, school of Architecture.

Event Category <i>(for category list, see annexure 5)</i>	Co-curricular, Extra-curricular Activity
Event Title	Women's Day
Event Date (Start to End)	10th Feb, 2020
Chief Guest/ Speaker/Expert with affiliation (If any)	NA
Convener(s)	DR. RASHMI For LINGAYA'S VIDYAPEETH  Registrar
Co Convener(s)	Ms. Paluri Lavanya
Event Objectives	The objective of the Women's Day celebration at a college is to honor and celebrate the achievements and contributions of women, raise awareness about gender equality, and empower women to pursue their dreams and aspirations. It's a day to recognize the strength, resilience, and accomplishments of women in all fields of life. It's a wonderful opportunity to inspire and support each other.
Event Description	Women day celebrated on 10th Feb, 2020 in management area room no.-205 from Lingaya's Vidyapeeth. During this day's activities, games are celebrated by faculty members. Faculty from Department of English and Department of Psychology enthusiastically participated in various activities
Event Outcome	The event helped raise awareness about gender equality, inspire and empower women, foster a sense of community and support, and promote discussions on important women's issues. It also created a platform for sharing stories, experiences, and ideas, and encourage

collaboration and networking among students and faculty. Overall, it was a great way to promote inclusivity, celebrate women's achievements, and advocate for gender equality on campus.

FDP ON "GST AND ITS APPLICATION" SPONSORED BY FINANCE CLUB

DEPARTMENT OF COMMERCE AND MANAGEMENT

LINGAYA'S VIDYAPEETH

well, GST is a very common topic for me. But before listening to this session I knew this in a very layman language that I have to pay extra money on every product what I purchased. After this session I came to know about it very deeply and in a good way. I appreciate ^{this session} after attending this program I feel that it should be continued with another topics.

Board making competition

An Inter-class board making competition was held on 5th August 2019 among the four groups of B.Ed Students. Students participated with great zeal and zest. The idea behind the competition was to encourage students to display their capabilities, creativity and artistic skills. This competition lasted for a week and students enthusiastically prepared boards with different educational messages. This activity provides great experience with an everlasting impact on the minds of the students. At last, Our HOD Dr. Mona Gupta appreciated the efforts of students and announced prize distribution.

www.lingavasuniversity.edu.in

A full day Workshop was organized for the students of B. Tech Civil Engineering 4th & 6th Semester, Diploma: Civil 6th Semester and B.Arch 4th & 6th Semester.

This session was conducted to make our students understand the Fundamentals of Bridge Engineering with main focus on its design and computational analysis.

The session was started with a brief introduction of Bridge Engineering followed by the key elements of various types of bridges, its design aspects, various types of analysis, computational modelling & analysis, design case studies of Indian bridges, ongoing bridge project design concepts, etc.

The importance of discussion on this topic is to make our students more technically sound and have practically ability of design of bridges as per the industry requirements.

The trainer explained all the concepts of bridge design and also demonstrated the computational work of bridge design & analysis with live design in software's.

Hand notes, technical manuals, design books & Software's were provided by Midas IT Solutions Free of cost.

Currently, department is also offering courses related to Bridge Engineering & Structural Design. Hence, this session was very fruitful for our students as well as our faculty members.

School of Architecture (Students as well as faculty members) also participated in this workshop with great interest.

Our students gained a lot, the knowledge & vast experience of Er. Akshay Magar, Structural Engineer, Midas IT Solutions, Mumbai.

About Midas IT Solutions:

Founded in 1989, MIDAS Information Technology Co., takes No. 1 Market Share in Civil Engineering Software Solutions. Tens of thousands of Civil and Mechanical engineers around the world have implemented MIDAS Software in their work processes in undertaking high profile projects and everyday projects.

All the major Construction Industry throughout the world are the clients of Midas IT.

The session was closed with clearing doubts of the students, Vote of Thanks & a letter of appreciation to the trainer.

Regards

Er. Sitesh Kumar Singh, C.Eng.(I).

To,

Er. Akshay Magar
Structural Engineer
Midas IT, New Delhi

Respected Sir,

Please accept our sincere appreciation and token of thanks for the outstanding Workshop you had conducted on "**Bridge Analysis & Design**" held on 13th March 2019 for the students of Department of Civil Engineering at Lingaya's Vidyapeeth, Faridabad. It was really a splendid session which exposed students to learn the various aspects of Bridge Engineering & its importance in Civil Engineering. Your valuable session added precious knowledge to all the students and faculty members of Civil Engineering Department. Your Workshop was successfully conducted and worth applauds. It kept the students captivated and motivated them to pursue their interest in the subject.

It was an honour for Lingaya's Vidyapeeth community to be able to hear your ideas, knowledge and experience. I look forward for your next visit to our Institution.

Thanking You

Er. Sitesh Kumar Singh, C.Eng(I).

Head of Department

Guest Lecture on Smart and Sustainable Cities – Brief Report

School of architecture organized a guest lecture on smart and sustainable cities on 18.04.2019. The Guest lecture was very knowledgeable not only for students but for everybody who attended the lecture, the guest speaker so experienced shared knowledge with everybody. The guest speaker was Prof. Chitra Chidambaram an architect having specialization in infrastructure planning from university of Stuttgart Germany. She has an overall experience in various capacities with many national and international bodies including DST, HUDCO, FICCI, UNDP etc.

The speaker deliver lecture showing presentation on different parameters of sustainability simultaneously on smart cities. A smart sustainable city is an innovative city that uses ICTs and other means to improve quality of life, efficiency of urban operation and services, and competitiveness, while ensuring that it meets the needs of present and future generations with respect to economic, social, environmental as well as cultural aspects. Smart cities promise to generate economic, social and environmental value through the seamless connection of urban services and infrastructure by digital technologies, but there is scant evidence concerning their ability to enhance social well-being, build just and equitable communities, reduce resource consumption and waste generation, improve environmental quality or lower carbon emissions. This special issue addresses the gap between the pipedream and the practice of smart cities, focusing on the social and environmental dimensions of real smart city initiatives, and the possibilities that they hold for creating more equitable and progressive cities.

Educational Trip To Chandigarh – City Tour– Brief Report

Students of architecture visited Chandigarh city from 19.04.2019 to 21.04.2019

There were total 13 students visited Chandigarh city. Sukhna lake, Govt. Museum, art gallery, Capitol complex, Le-Corbusier center are few destinations where these students did case studies and prepared report and presented in the department. Chandigarh is a city, district and union territory in India that serves as the capital of the two neighboring states of Punjab and Haryana.

Chandigarh is bordered by the state of Punjab to the north, the west and the south, and by the state of Haryana to the east. It is considered to be a part of the Chandigarh Capital Region or Greater Chandigarh, which includes Chandigarh, and the city of Panchkula (in Haryana) and cities of Mohali, Zirakpur (in Punjab). It is located 260 km north of New Delhi and 229 km southeast of Amritsar. Chandigarh is the city where architecture student learn about the city plan which was modified from one with a curving road network to rectangular shape with a grid iron pattern for the fast traffic roads, besides reducing its area for reason of economy. The city plan was conceived as post war 'Garden City' wherein vertical and high rise buildings were ruled out, keeping in view the socio economic-conditions and living habits of the people. students also learn about the city planning of Chandigarh which relates with human body. The metaphor of a human being was being employed in the plan – the 'head' contained the capital complex, the 'heart' the commercial center, and the 'arms', which were perpendicular to the main axis, had the academic and leisure facilities. The plan incorporated Le Corbusier's principles of light, space and greenery. What had been named an "Urban Village" in Mayer's plan, Le Corbusier renamed a "Sector".

Guest Lecture on Research work– Brief Report

School of architecture organized a guest lecture on Research work for post graduate students on 06.04.2019. The guest speaker was Dr. Ashutosh Joshi, Associate Architect, A.K. Joshi & Associates. Speaker guided students how to initiate research work, about abstract, objective, methodology, survey and finally the solutions or the conclusions. Speaker also explained Research is "creative and systematic work undertaken to increase the stock of knowledge". It involves the collection, organization, and analysis of information to increase understanding of a topic or issue. A research project may be an expansion on past work in the field. To test the validity of instruments, procedures, or experiments, research may replicate elements of prior projects or the project as a whole.

Students also showed their thesis work to the guest and got the valuable inputs. Each student discussed about the proceedings of their own thesis and also discuss how they could do the betterment in their thesis. Thesis is an independent design research project on a topic selected and developed by the student. Design Thesis is an opportunity for each student in the Master of Architecture (Architectural Design Track) to define an individual position with regard to the discipline of architecture.

Guest Speaker also had a casual conversation with PG students and shared his experience as he has been worked on many projects in his professional career. He talks about importance of architecture in shaping a new India keeping in mind the environment and the development as a whole.

In the end, an honorarium was given to the guest speaker Dr. Ashutosh Joshi by dean, school of Architecture Prof. S.N. Segal.

Event Objectives	The objectives of a fresher's party was to welcome new students to the college, help them socialize and make new friends, create a fun and memorable experience for them, and provide an opportunity for them to showcase their talents and skills. It was a great way to introduce them to the college community and make them feel included and excited about their college journey.
Event Description	The celebration started at sharp 10:00 AM at LV Auditorium with the warm welcome of all the dignitaries and the jury

	<p>present in the function. The party kicked off with a classical dance in high spirits and amiable smiles. With oscillating ambience, foot tapping music and flashing lights, dressed at their best, the party began with a blast. The day was filled with excitement, joy, music, and happiness. Students from Department of English participated in Ramp walk and were leaving fire on the ramp.</p>
Event Outcome	<p>The freshers party helped new students feel more comfortable and connected to the college community. They got to know their peers, make new friends, and build lasting relationships. It sets a positive tone for their college experience and creates memories that they'll cherish throughout their time at the college. It was a great way to kickstart their journey and make them feel excited and welcomed.</p>

EVENT COMPLETION REPORT

Name of the School	SCHOOL OF HUMANITIES AND SOCIAL SCIENCES
Name of Department	Department of English
Event Category <i>(for category list, see annexure 5)</i>	No. 17- Universal Human Values Workshop
Event Title	Universal Human Values Workshop
Event Date (Start to End)	13 September 2018
Chief Guest/ Speaker/Expert with affiliation (If any)	N A
Convener(s)	Ms. Nisha Sharma
Co Convener(s)	Dr. Priya Raghav
Event Objectives	The development of holistic perspective based on self-exploration about themselves (human being), family, society and nature/existence
Event Description	Values are not taught but they are caught. Students listed the basic aspiration of human beings was to be happy. They then went on to explain on what gave them happiness. The students listed a number of values, how to catch and cultivate these values. The importance of truth, justice, love, compassion, gratitude etc. was supposed discussed in brief. It was an interactive session where the students narrated a few personal anecdotes.
Event Outcome	The exercise led to exploration of the self, amongst the students.

Guest Lecture

Date : 26.12.2018

Inaugural Ceremony of Science Forum + Expert Talk

Guest Speaker- Mr. Govind Goyal, Territory Manager, Maruti Suzuki India Pvt. Ltd.

EVENT OBJECTIVES

This Expert Lecture has given students a better idea of what a role entails and what challenges might occur in their future work.

- Students have become acquainted with the surroundings of an organization and a corporation through industrial Expert training
- Helped students to gain first-hand information regarding the functioning of industry.

Bridge the gap between theoretical training and practical learning in real life environment

X-ray Diffraction Techniques and its Applications.

16.10.2018

CHIEF GUEST : Dr. Kamlesh Verma, Mineralogist, Geological Survey of India, Faridabad

EVENT OBJECTIVES

An expert lecture is given by Dr. Kamlesh Verma, GSI, India on 16/10/2018. He has delivered a informative lectures about the basics of XRD principle, Diffraction pattern, and identification of various minerals etc.

Students learnt the basics of XRD, Diffraction patterns, Instrumentation and working of X-ray diffraction technique. They also got the information about the particle size; crystallinity of various minerals presents in different parts of India and applications of XRD Iin real world.

Department of Computer Science & Engineering
Seminar
“Deep Learning Applications & Challenges”.

DATE: 9 September 2019

SPEAKER: Dr. R.K. Agarwal (Jawaharlal Nehru University, Delhi)

Seminar conducted by Dr. R.K. Agarwal (Jawaharlal Nehru University, Delhi) 9 September 2019 on the title “Deep Learning Applications & Challenges”

Machine learning (ML) is a field of study in artificial intelligence concerned with the development and study of statistical algorithms that can learn from data and generalize to unseen data, and thus perform tasks without explicit instructions.^[1] Recently, generative artificial neural networks have been able to surpass many previous approaches in performance.

Machine learning approaches have been applied to many fields including large language models, computer vision, speech recognition, email filtering, agriculture, and medicine, where it is too costly to develop algorithms to perform the needed tasks. ML is known in its application across business problems under the name predictive analytics. Although not all machine learning is statistically based, computational statistics is an important source of the field's methods.

Department of Computer Science & Engineering
Seminar
“Data Analytics & Deep Learning”

Date: 28.08.2018

Venue: Seminar Room, Dept. of CS

Event Description:

Seminar conducted by **Sunny Pathak**, Vishal Jain (Sa matrix Consulting Pvt. Ltd.) 9 August 2019 on the title” Data Analytics & Deep Learning”.

Mr. Sunny Pathak started his speech with a brief introduction to various career opportunities in Technical Field such as Cyber security, Cloud Computing, Web Developer ,Data Analyst etc.. . Further , he described Data Analytics by initially questioning the students. According to him , Data Analyst is a person who gathers and interprets data to solve a specific problem. It can be used to analyze customer behavior, optimize marketing campaigns, improve supply chain management, enhance product development, identify fraud, and improve overall business performance .Furthermore, he made us clear about what actually machine learning is by giving precise definition and included that one should have prior knowledge and hands on one of the languages out of Python or R in order to carry out with Machine Learning or Data Science. With further proceed in the event , Mr .Rohit moved to a very unified, scalable platform tool of Microsoft which is Power BI. To make his so far interesting speech more engrossing, He unfolded a story of one of his students who was called to Mumbai based on his skills of Power Bi that was reflected in his LinkedIn profile. It was quite prompting for us. In addition to it , he illustrated numerous fields where Artificial Intelligence or Machine Learning models come into existence for instance, chat gpt, recommendation systems, weather forecasting, face recognition ,defense sector and so forth.

Industrial Visit to HPL Additives

20 Sept 2018

Mr. Giriraj Singh

1. To provide an exposure to students about practical working and fulfill the industrial based academic curriculum activity.
2. To learn the knowledge about the practical handling of instruments and apparatus for manufacturing process of materials or products.
3. Students learnt about the differences between laboratory, pilot and plant scale manufacturing processes.

An industrial visit has been organized to HPL Additives on 20 sept 2018. Total 12 students and 3 faculty members visited to HPL additives. A detail description of for the preparation of additives for polymers (including synthesis, recrystallization, filtration and drying) has been given by the experts. All the students and faculty members visited to whole plants for the preparation of additives.

1. Students learnt processing of Synthesis of additives of polymers.
2. Students got the chance to understand the working procedure of all the steps included in synthesis of additives (Reaction plant, Crystallization Plant, Filtration Plant and drying area).
3. Students also visited the research and development lab for the sampling of additives which includes HPLC, Gas chromatography, Differential Scanning Calorimetry (DSC) etc.
4. Students and faculty members can use those instruments for the research and development purpose to characterize the samples.

Industrial Visit to Geological Survey of India

09. 08.2018

To make participants aware of various characterization techniques in material sciences and Chemistry in industrial practices and give them a hands-on experience of the various high-end technology equipments.

This visit provided an opportunity to Students of SOBAS to learn practically through interaction, working methods and employment practices. It has given an exposure to the students to develop critical thinking & implementing the theoretical knowledge being taught in classrooms in real world.

- Opportunity to interact and learn from industry experts
- Open new venues for learning by seeing
- Experience of real machines & high end technology systems.
- Helps students gain first-hand information regarding the functioning of industry.
- Bridge the gap between theoretical training and practical learning in real life environment.
- Learning clear and concise communication
- Awareness of Industry practices and regulations during visit.
- Opportunity
- Got to understand Industry culture and mannerism
- Got insight about real working environment process of the industry.
- Scope of building a career opportunity through becoming a geologist/ physicist/chemist.

Fresher's Party 2017

Event Title	FRESHER'S PARTY
Event Date (Start to End)	5th September 2017
Chief Guest/ Speaker/Expert with affiliation (If any)	Hon'ble Chancellor Dr. Picheswar Gadde
Event Objectives	The objective of fresher's party was to welcome new students to the college, help them socialize and make new friends, create a fun and memorable experience for them, and provide an opportunity for them to showcase their talents and skills. It was a great way to introduce them to the college community and make them feel included and excited about their college journey.
Event Description	The celebration started at sharp 10:30 AM at LU Auditorium with the warm welcome of all the dignitaries and the jury present at the function. The fresher's got chance to showcase their talent along with their seniors by a stunning Ramp walk and other activities.
Event Outcome	The fresher's party helped new students to know their peers, make new friends, and build lasting relationships. It set a positive tone for their college experience and created memories that they will cherish throughout their time at the campus. It was a great way to kickstart their journey and make them feel excited and welcomed.

Workshop by APTECH learning on
Artificial Intelligence and Machine Learning

DATE: 21.11.2017

EVENT DESCRIPTION:

Workshop by APTECH learning on the title Artificial Intelligence and machine learning

In the world of Artificial Intelligence (AI), a solid foundation in mathematics is crucial for understanding the underlying principles and algorithms that power AI systems. This workshop aimed to provide undergraduate and postgraduate students with an insightful journey into the essential mathematical concepts that form the backbone of AI. From linear algebra's role in data representation and transformation to calculus's impact on optimization algorithms, attendees gained a clear understanding of how mathematical tools enable machine learning, neural networks, and other AI techniques. The seminar explored the key mathematical ideas that empower AI innovation and discover how they shape the future of technology.

Industrial Visit- Network Bulls, Gurugram

Date: 20.03.2018

Industrial Visit organized by the Department of Computer Science at Network Bulls where 32 students participated on 20th March 2018.

Network Bulls is located in Sector-14 Gurugram 120001(Haryana). School of Computer Science had chosen Network Bulls for Industrial visit due to the following reasons:-

1. It is the world's largest CISCO training Lab.
2. It gives 100 % practical training on Live CISCO routers and switches.
3. Studying computer networking and security training can help boost problem solving and research skills.
4. Networking is used in a variety of industries like education service, finance and insurance, Entertainment and medical.
5. Future belongs to the fields like Internet of Things and Artificial Intelligence. A Student can make minor / major project in such fields if they are given an exposure to Networking field in the starting semesters.
6. Did Many surveys and reports highlight the strong need to bridge the gap between theory and practical.

The students of Computer Science department had a wonderful experience.

Presentation on Freedom fighters of Telangana (Ek Bharat Shreshtha Bharat)

19.04.2018

Ek Bharat Shreshtha Bharat programme aims to enhance interaction & promote mutual understanding between people of different states/UTs through the concept of state/UT pairing. This scheme aims to boost unity in India through the existing cultural connections among various parts of the country. It also seeks to improve the interaction between Indian people living in different places throughout the country. This initiative will connect people to people, enhancing unity in India.

A speech on Introduction, vision and Mutual engagement of states /union territories was given by event Organizer/Co-convener. Students have presented on freedom fighters of Telangana:

- 1) Chakali Ilamma inspired many women to protect their land from the Nizam's Army and landlords while facing threats of sexual assault and husbands being killed.
 - 2) Mallu Swarajyam became the commander of a Dalam fighting against Zamindars and carried a prize of Rs.10,000 for her head during that time. The Communist Party of India was fighting with arms under the banner of Andhra Mahasabha against the cruel rule of the Nizam and bonded labour in the state. She later actively participated in the welfare of the local peasants and was also a major leader in the Communist party of India. She was elected from Thungathurthi Assembly constituency in 1978 and 1983 as a member of Communist Party of India.
 - 3) Konda Venkata Ranga Reddy popularly known as K. V. Ranga Reddy (1890–1970) is a former Deputy Chief Minister of Andhra Pradesh. He is a freedom fighter who fought the Telangana Rebellion against the Nizams.
 - 4) Bapuji has participated in the Quit India movement in 1942. He also waged battle against the Nizam and the Razaakars during the Telangana armed struggle in 1947-48.
- After the completion of presentation, the event was successfully ended with vote of thanks by Convener/ Organizing secretary.

IQAC

FDP on Effective Teaching 9.1.2018-11.1.2018

Event Report:

From January 9–11, 2018, IQAC hosted a three-day faculty development programme on “Effective Teaching” for faculty members.

Rather than just accepting that certain kids cannot be motivated and will always perform poorly, effective teachers work to motivate and engage every one of their pupils in the learning process. They work tirelessly to develop strategies to help each student succeed because they really believe that every student can succeed in the classroom.

The resource person has selected a number of themes associated with good teaching, and each Wednesday she gives a talk on a specific subject.

1. Fundamentals of good instruction;
2. Facilitation concepts;
3. Establishing a classroom environment
4. Using in-person facilitation
5. Being a successful educator
