## About the Conference

The International Conference on Scientific Innovation, Pharmacy, Agriculture, Environment, and Sustainable Development is a prestigious global event aimed at advancing knowledge and innovation across these critical sectors. The conference will feature keynote speeches, panel discussions, and research presentations, focusing on emerging trends, scientific breakthroughs, and practical solutions that address the most pressing issues of today, such as climate change, sustainable agriculture, environmental conservation, and pharmaceutical advancements.

Participants will be able to engage with experts, share research findings, and collaborate on interdisciplinary projects. The event is designed for scientists, researchers, industry professionals, policy-makers, educators, & students. It offers a unique platform for networking, collaboration, & knowledge sharing. By bringing together diverse perspectives, the conference aims to inspire practical solutions for achieving a sustainable future.

## About the University

The journey of Lingaya's Vidyapeeth began in 1998 with a vision to provide quality education & contribute to societal advancement by producing leaders, innovators, & responsible citizens. Over the years, we have grown into a comprehensive university, offering a wide range of undergraduate, postgraduate, & doctoral programs across various disciplines. The vision of Lingaya's Vidyapeeth is to be a beacon of excellence in education, known for producing graduates who are not only academically proficient but also possess a deep sense of integrity & compassion. We aspire to be a hub of innovation, research, & creativity, driving advancements in various fields. Lingaya's Vidyapeeth envisions a learning community that transcends geographical boundaries, where diversity is celebrated, & ideas flow freely. With a forward-thinking approach & a steadfast dedication to quality education, Lingaya's Vidyapeeth aims to be a catalyst for positive change in the lives of its students & the communities they would serve. Through its unwavering commitment, Lingaya's Vidyapeeth continues to be a cornerstone of educational innovation & excellence, shaping leaders & thinkers of tomorrow.

## Thematic Areas

The conference will cover a wide range of themes, including but not limited to:

- Theme 1.** Atmospheric Physics
- Theme 2.** Soil Physics & Hydrology
- Theme 3.** Remote Sensing & Geophysical Methods
- Theme 4.** Environmental Physics & Renewable Energy
- Theme 5.** Material Physics
- Theme 6.** Sustainable Water Management
- Theme 7.** AI,ML,IOT Based Pollution Control Technologies
- Theme 8.** Climate Resilience
- Theme 9.** Energy Efficiency & Sustainable Agriculture
- Theme 10.** Biodiversity and Nanotechnology with the application of AI, & IOT
- Theme 11.** Policies for research and innovation for sustainable development
- Theme 12.** Agritechnology transfer, impact assessment & farmer empowerment
- Theme 13.** Industry linkages and agribusiness
- Theme 14.** Agriculturally important fauna, Aqua-farming, and livestock for farm economy
- Theme 17.** Strategies for biotic and abiotic stress management in crop production and microbes in agriculture
- Theme 16.** Climate change, conservation agriculture, resource management, & integrated farming for sustainable agriculture with the application of AI, & IOT.
- Theme 18.** Natural and organic farming for wellness
- Theme 20.** Green Pharmaceutical Chemistry with the application of AI,ML, DL, IOT
- Theme 21.** Pharmacy and Pharmaceutical Science Contributions to Sustainable Development Goals
- Theme 22.** AI, IOT Based Nano- sensors in Environmental Analysis
- Theme 23.** Mechanization, nonconventional energy resources, & digitization for Smart agriculture

**Expected Outcomes** By the end of the conference, participants will:

- Gain a comprehensive understanding of the latest scientific innovations & their applications in climate, agriculture, & environmental sustainability.
- Develop actionable insights and strategies that can be implemented to address local and global challenges.
- Establish new collaborations and strengthen existing partnerships to advance the shared goal of sustainable development.
- Contribute to a global dialogue on best practices and policies that support sustainable agriculture and environmental stewardship.

## Guidelines

Authors are invited to submit abstract of their research work in the prescribed format on the web link. The abstract should be typed in English language using MS word (single space, Times New Roman, size-12 & should not exceed 250 words. The abstract must contain title of the paper, name(s) of the author followed by their affiliation, contact number & e-mail. The name of presenting author must be underlined. Abstract should also contain keywords. After peer review, paper will be selected for oral/poster presentation & will be informed accordingly. Only one abstract/paper will be accepted for each registered author for the conference.
