(Late) Prof. G.V.K. Sinha, Founder Chairman, Lingaya's Group

Prof. V. K. Sinha, a unique educationist with remarkable insight into technical education and great expertise in managing the human resources, was a self-made icon in the field of technical and management education. With a B. Tech Degree he took up the career of a lecturer, climbed up the ladder as Head of the Department, Asst. Director and then the Principal in various reputed technical institutions in New Delhi; and later a full time Consultant of AICTE, New Delhi. Everywhere Prof. Sinha dedicated himself to explore and contribute the best for the noble cause of education. With grace and humanitarian values Prof. Sinha finally reached to the peak of his career as the Chairman of Lingaya's Group, set up by him in memory of his father, the great freedom fighter Shri Lingaya Gadde. His expertise in technical education, skill in managing human resources, exposure in audio-visual and resource centres, insight curriculum review and efficiency in training and placement enabled him to make LIMAT the most preffered educational institution for the aspiring professionals in Delhi NCR. LIMAT was the living legend of Prof. Sinha's noble goal and higher vision in the field of Education. In recognition to his excellent achievements in the field of Technical Education, the LIMAT was upgraded to Lingaya's University with approval from the MHRD, Govt of India under Section 3 of UGC Act, 1956.

Prof. Sinha left us for the heavenly abode on 6th June, 2011. May the departed soul rest in peace! Let us pay tribute to Prof. Sinha with a pledge to uphold and keep up his spirit and vision on Education.

"Par Excellence with Human Touch"

DR. PICHESWAR GADDE, CHANCELLOR

I am immensely ecstatic in welcoming you to Lingaya's Vidyapeeth (a deemed to be University u/s 3 of U.G.C. Act 1956), Faridabad. With a rich history of its inception and a legacy of 25 years in academics & research, I feel great sense of pride in mentioning that Lingaya's Vidyapeeth has always been a paradigm of academic & research excellence with special focus on holistic development of students so that they become future-ready.

Though the pandemic has its detrimental impact on both the physical and the mental health of people and organizations; nonetheless, Education is one of the major fields where it has opened avenues for thoughtful discussions and informed decisions and that is why Lingaya's Vidyapeeth is committed to making all possible efforts in being the harbinger of a new era in the domain of higher education. We at Lingaya's Vidyapeeth believe in nurturing the talent of young minds. However, we also believe that the efforts of our students need to be in the right direction in order to be successful and that is why we provide the best of curriculum, innovative teaching methodology, state-of-the-art infrastructure, the latest in technology, hand-picked international collaborations & tie-ups and the expertise of academic stalwarts and industry doyens. A sprawling salubrious campus situated in the serene green pastures and pollution-free sylvan surroundings provide the best learning environment.

I would be delighted to have you onboard a personally exciting and professionally enriching journey at the Lingaya's Vidyapeeth that will bring many invaluable learning opportunities in the near future. I look forward to welcoming you in the coming months to join us in this journey. You will be experiencing many new insights and will take back several impressions as you make enduring friendships and long-lasting associations during your time with us and even beyond that as an alumnus.

Diversity and inclusivity are two major strengths and we foster a community that is free of intolerance and discrimination.

Let me thank you all once again for your extended support in making Lingaya's a brand and a chosen institution by many students, parents & researchers. I invite you once again to join the Lingaya's community – Choose to know….Choose to grow!

Wishing the students success and a bright career ahead.

MR. BHAVIK KUCHIPUDI, DIRECTOR, LINGAYA'S GROUP

Welcome to Lingaya's Vidyapeeth, Faridabad and thank you for showing your interest in us. On behalf of our entire staff, it is a pleasure to welcome you to Lingaya's Vidyapeeth. I hope you will take a moment to read through our mission and goals. We strive to provide services and programs that will aid in the professional development of our students to make them strong candidates for our local, state, national and international workforce as well as graduate and professional school programs around the world. Finally, it is our pleasure to provide services for employers that make it easy to find the best and the brightest students in the country for internships and full-time positions.

As the director it is a privilege for me to work with a staff of distinguished career professionals. Together we creatively address issues and look for innovative approaches to meeting the needs of our Vidyapeeth.

In this fast growing era of Science and Technology, the pressure of performance and quality apply to all Universities, and the artful handling and showing excellence in all the endeavors makes Lingaya's Vidyapeeth one of the best universities today.

Lingaya's Vidyapeeth is an extraordinary place where students, faculty and audiences gather to participate in a dynamic environment. An intimate school, we offer individualized training to undergraduate and graduate students in a nurturing atmosphere that allows their individual intellect to blossom. We boast of an exceptional faculty of teachers and scholars who are active nationally, and internationally. The faculty and staff at the Lingaya's Vidyapeeth are dedicated to helping students achieve their professional goals. Our commitment to excellence in undergraduate education and research, makes us a leader in imparting education. We are able to accomplish this mission by adhering to our basic values of nurturing a diverse and supportive academic community; fostering a culture of leadership, collective vision, critical reflection, and accountability.

"Merit and Values" are our cardinal principles which are manifested in every venture of the University. The faculty with rich experience and expertise in their respective areas have always been emphasising on adherence to distinction, morals and values both in their professional as well as personal lives. At Lingaya's , due emphasis is given to all-inclusive evolution of the students' personality by shaping and sharpening their attitude by the academic rigor of our programmes. Much prominence is placed on exposing our students to practical situations of the corporate world and promoting interaction with the people in industry as well as academia which will help them grow in their lives.

I, on the behalf of the entire fraternity of Lingaya's Vidyapeeth, cordially welcome you. We are delighted to see the progress we have achieved since our inception.. I am sure that the new entrants will be in safer hands, when they opt Lingaya's , because we are committed towards creating a vibrant community of value creators for our country.

I anticipate you to be a part of Lingaya's Vidyapeeth in striving to be a highly respected University, we have been placing significant importance on our learning and teaching, research, and community engagement. We have been inviting experienced experts as guest lecturers, revising our curricula by taking feedback and adopting innovative teaching methods.

Looking forward to welcome you to the Institute.

With best wishes for your journey in Lingaya's Vidyapeeth and beyond.

DR. MOHAMMED LUQMAN KHAN, VICE CHANCELLOR

It gives me immense pleasure to welcome you all to Lingaya's Vidyapeeth. Congratulations on starting this new chapter of your life! You are now part of a vibrant academic community that encourages innovation, creativity, and holistic development. Your journey with us will be filled with opportunities to explore, learn, and grow—both personally and professionally.

At Lingaya's Vidyapeeth, we are committed to nurturing excellence in education while fostering critical thinking, ethical values, and leadership qualities. Our faculty, state-of-the-art infrastructure, and student-centric environment will provide you with the best resources to achieve your dreams.

I encourage you to actively participate in academic, cultural, and extracurricular activities, as they will enrich your learning experience. Build meaningful connections with your peers and teachers, and take advantage of every opportunity to expand your horizons.

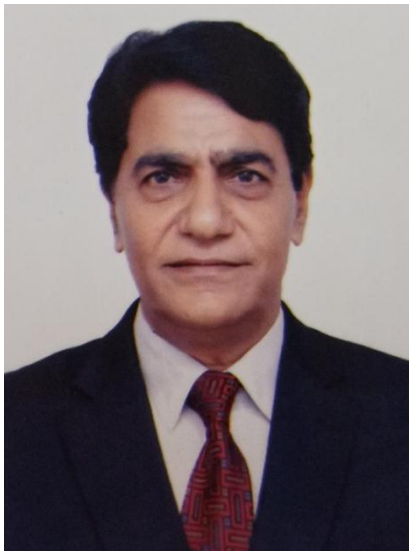
Remember, this is the time to believe in yourself, stay curious, and work diligently. While the journey may have challenges, our faculty, mentors, and support systems are here to guide you every step of the way. Stay disciplined, stay motivated, and most importantly, enjoy the process of learning.

We are excited to see the impact you will create and the milestones you will achieve during your time here. I look forward to meeting each of you and witnessing the new ideas, perspectives, and talents you will bring to our community.

Welcome once again to Lingaya's Vidyapeeth! Let's embark on this exciting journey together.

Wishing you success and happiness

MR. PREM KR. SALWAN, REGISTRAR



Lingaya's Vidyapeeth is committed to providing outstanding education, practical training and facilities in choosing their career to students. We emphasize imparting excellent education in an encouraging environment and ensuring equal attention to the overall development of students is our only vision.

To touch this pedestal, we constantly update our curriculum so that good quality professionals can fulfil the emerging needs of industries locally and globally. We provide opportunities to develop their personalities in terms of sports and cultural activities to become good human beings. We firmly believe in knowledge dissemination and knowledge creation through our highly qualified and experienced faculty members.

Our alumni's track record of achievements is indeed commendable, where our students have proved their caliber in different spheres of industry, which demonstrates Lingaya's culture and ethics.

The achievements of our students stand as a testament to the quality of education we provide. One of our most notable accomplishments was the national recognition by the Society of Automotive Engineers (SAE), which acknowledged the creativity and technical prowess of our students in developing a car that showcased innovation at its best. Such accomplishments reflect our emphasis on hands-on learning, practical problem-solving, and the continuous pursuit of excellence.

At Lingaya's University, we believe in providing a platform that goes beyond academic learning. We are committed to the all-round development of our students, equipping them with the skills, values, and mindset necessary to thrive in today's competitive world. We strive to instill high cultural and ethical values, preparing our students to meet the national and international challenges they may encounter in their professional careers.

During their journey with us, we focus not only on academic excellence but also on grooming our students to be responsible and ethical leaders who will contribute meaningfully to society. We take pride in our role as educators and mentors, guiding our students towards a bright future filled with professional achievements and personal fulfillment.

We invite you to join hands with us and work to build up your blooming career. I wish you the very best and hope to see you make your career choice with us.

VISION AND MISSION

VISION

Traditionally believing that God is the Source of all Truth, Goodness and Beauty, Lingaya's Vidyapeeth, wishes to develop in students a wisdom that translates academic achievements into responsible citizenship, sincere professional service and a deep respect for life and beauty in God's Creation and Recreation.

MISSION

- To commit to excellence in thought and action;
- To impart knowledge and skills and to mould attitude required for careers in Technical and Management fields by careful guidance and instruction for self-learning in both formal and informal modes;
- To dedicate oneself to improve social and economic status and enhance the quality of life for all;
- To strive to maximize human welfare through education and produce effective knowledgeable staff, practitioners and educators who will be guided by vision, compassion, knowledge, disciplined discovery and deep respect for human values;
- To provide an individual engineering and other professional learning experience for each student;
- To develop critical thinking, analytical ability and creative skills;
- To supplement the curricula with teamwork, leadership, persuasive oral and written skills, project management, financial aspects, social concerns and ethics; and
- To establish Industry-Institution interaction for technology, research and development.

ABOUT LINGAYA'S VIDYAPEETH

Lingaya's Vidyapeeth is guided by the noble patriotic thoughts of the great freedom fighter (Late) Shri Lingaya Gadde and also by the academic vision of Late Prof. GVK Sinha, the founder of various Institutions of Lingaya's Group. Lingaya's Institute of Management and Technology (LIMAT), Engineering Institute, was established in 1998 with the approval from All India Council For Technical Education (AICTE), a statutory body of the Ministry of Human Resource Development (MHRD), Govt. of India. The institute received the prestigious Accreditation status from National Board of Accreditation, a unit of All India Council For Technical Education. Such Accreditation is awarded only to the selected institutions based on Academic Audit of quality. In recognition of its excellent performance, LIMAT was upgraded to Lingaya's Vidyapeeth with the approval of MHRD, Govt.of India. Under section 3 of UGC Act 1956. Its singular objective and mission is to facilitate and promote studies and Research with a focus on Professional Higher Education in Engineering & Technology, Architecture, Management, Law, Pharmacy, Computer Applications, Sciences, Humanities, Social Sciences, Paramedical Sciences, Education, Mass Communications and other emerging areas to achieve excellence and also to meet the emerging Global and Industrial needs of Society and the nation. The Vidyapeeth has been accredited by NAAC.

The Vidyapeeth is located within the National Capital Region (NCR), Delhi. It has a sprawling campus situated in the green pastures and pollution free sylvan surroundings. The Vidyapeeth is equipped with Academic blocks, Air Conditioned Library, Workshops, Laboratories, Auditorium, Student Activity Center, Play Grounds, Gymnasium, Hostels and the other facilities. The campus has a total built up area of over 1.2 million square feet.

With an ideal teacher-student ratio, the Vidyapeeth strives for academic excellence through personalized attention. The unique mechanism is established to support and monitor the progress of students and assure success and satisfaction.

SCHOOLS & DEPARTMENTS OF THE VIDYAPEETH

School of Architecture

Faridabad's oldest School of Architecture (SOA) at Lingaya's Vidyapeeth had a modest beginning in 2010. Since then, SOA has broadened its horizon by introducing new academic and extension programs and promoting research activities.

In the academic session 2014-15 two year full time post-graduation course was inducted in the School of Architecture with due approval of Council of Architecture.

SOA has a rich tradition of pursuing excellence and has continually re-invented itself in terms of academics. Students are exposed to challenging academics and also the institute plays a host to seminars, workshops, sports, cultural and organizational activities on its vibrant campus.

Programs Offered:

Bachelors in Architecture

Masters in Architecture

Infrastructure:

• The School has State-of-the art Classrooms, Air Conditioned studios, Model making lab, Art studio, Exhibition hall, NASA room, videography and photography labs.

• The School also has Survey Lab, Carpentry Workshop and Mechanical Workshop (shared).

• The School has highly qualified and experienced faculty from academics as well as from the field.

• The construction yard helps the students to learn through observation and experimentation.

Beside class room teachings, Emphasis is given on Guest lectures, workshops, site visits, cultural activities, On-Site Construction, study models and analysis. Students are encouraged to visit sites and do market surveys as a part of their curriculum to make them aware of the latest architectures and construction technologies. Site visits are organized from time to time.

Review meetings are conducted twice a year with external experts from academics as well as professional field, to upgrade the curriculum according to the recent trends but at the same time following Council of Architecture.

Students Association with other Architecture Colleges

Student activities like NASA are encouraged to make them aware of the work going on in other Architecture colleges of India and SAARC nations and also to have interaction and healthy competitions with them.

Special Features

Workshops on low cost housing, green buildings and sustainable Architecture are held from time to time to apprise students of the current global scenario in Architecture.

Career Prospects :

1)Building surveyor

2)Commercial/residential surveyor

3)Higher education lecturer

4)Historic buildings inspector/ conservation officer

5)Landscape architect

6)Planning and development surveyor

7)Production designer, theatre / television / film

8)Structural engineer

9)Town planner

USP's

- The Department has State-of –the art Classrooms, Air Conditioned studios, Model Making Lab, Art studio, Climatology Lab, Exhibition Hall, NASA Room, Videography and Photography Labs, Committee Room and Faculty Rooms.
- Ours is the most advanced B.Arch. degree course in Delhi NCR where we impart training in latest software like Revit, 3ds max & BIM
- We also have a central library equipped with modern facilities and resources in the CD-ROMS, on-line database, books, e-journals, patents, thesis reports etc.
- Department has an independent computational facility with required software's, enabling faculty and students to pursue their research / projects at ease.
- The Department has highly qualified and experienced faculties from academics as well as from field.

Beside class room teachings, Emphasis is given on Guest lectures, workshops, site visits, cultural activities, On-Site Construction, study models and analysis. Students are encouraged to visit sites and do market surveys as a part of their curriculum to make them aware of the latest architectures and construction technologies. Site visits are organized from time to time.

School of Basic & Applied Sciences

School of Basic & Applied Sciences is one of the most prestigious School of Lingaya's Vidyapeeth, which constantly encourages students to explore their own intrinsic qualities and enhance their talent through quality teaching and research.

Programs Offered

•B.Sc. (Hons) Physics, Chemistry and Mathematics

•M.Sc - Physics, Chemistry and Mathematics

•Ph.D - Physics, Chemistry and Mathematics

Faculty Members

School of Basic & Applied Sciences comprises eminently competent and efficient faculty who is qualified from reputed universities of India like University of Delhi, Banaras Hindu University (BHU), Aligarh Muslim University (AMU), IIT's and NIT's. Faculty members are involved in research projects in specialized field of Fibre optics, Optoelectronics and Optical Communication, Plasma Physics, Solid State Physics, Material Chemistry, Medicinal Chemistry, Nanoscience, Wastewater treatment, etc. The Department has published large number of research papers in reputed national/international refereed Journals. Members of the Department are part of national/international professional bodies, Editorial Team/ Review Team of National/ International Journals.

Infrastructure

The School is having well equipped Chemistry Labs, Physics lab and Mathematics lab for B.Sc. (Hons), M.Sc. and Ph.D students. The School of Basic Science is having "Advanced Research Lab" for research purpose for not only faculty members but also for students.

Special Features

- Our students are doing research projects from B.Sc.(Hons) first year itself under the expert guidance of faculty members and presenting their work in various conferences / workshops.
- Our students have presented their research papers in different conferences at IIT Roorkee, IIT Delhi, University of Delhi and other reputed universities. They have been praised at different platforms as young researchers.

•Lingaya's Vidyapeeth is the only university where students are given industrial training in different industries

like textile industries, paint industries, pharmaceutical industries and other reputed industries in B.Sc.(Hons) final year along with their regular classes.

• Lingaya's Vidyapeeth is following complete "Choice Based Credit System" (CBCS) scheme given by UGC for UG and PG level.

• Frequent industrial visits for the students to various industries like chemical industries, dairy industries, The Energy and Research Institute (TERI), National Physical Laboratory (NPL), sewage treatment plants etc. are organized by the School of Basic Science.

• B.Sc.(Hons) students are placed by different placement companies in B.Sc.(Hons) level itself. Placement activities are crowning glory for B.Sc.(Hons) Physics, Chemistry and Mathematics students of the university

Career Opportunities for B.Sc. (H) Chemistry

The field of Chemistry is of great importance in our day to day life. Once candidates come out successfully as degree holders in B.Sc. (Hons) Chemistry, they have various options for their future. There are various fields where B.Sc. (Hons) Chemistry graduates can utilize their talents. Some of the areas that offer jobs for a B.Sc. (Hons) degree holder include the following:

- Waste-water Plant
- Medical Laboratories
- Oil Industries
- Manufacturing and Processing Firms
- Testing Laboratories
- Petroleum Companies
- Pharmaceutical Companies
- Power Generating Companies
- Research and Development Firms
- Agricultural Research Services
- Biotechnology Firms
- Chemical Industries
- Chemicals Manufacturing Companies
- Cosmetic Companies
- Paint Industries
- Colleges / Universities
- Education Sectors
- Forensic Crime Research
- Food/ Dairy industries
- Health Care Providers

- Heavy Chemical Industries
- Hospitals
- Indian Civil Services

Some of the public sector firms which offer job opportunities are:
Bharath Petroleum, Indian Oil Corporation Limited, ISRO, Bhabha Atomic Research Centre, ONGC, etc.

Some of the reputed private sectors firms that recruit B.Sc. (Hons) Chemistry are the following:
Dabur, Hindustan Lever, Ranbaxy, Dr Reddy's Labs, Meyer Organics Pvt Ltd, Asian Paints, etc.

Career Opportunities after B.Sc. (Hons) Physics

There are various fields where B.Sc.(Hons) Physics graduates can utilize their talents. Some of the areas that offer jobs for a B.Sc. (Hons) Physics:

- NASA (National Aeronautics and Space Administration)
- ISRO (Indian Space Research Organization)
- BARC (Bhabha Atomic Research Centre)
- DRDO (Defense Research Development Organization)
- IITs & IISC
- NTPC & NHPC
- Air Force Research Laboratory
- Center for Automotive Research
- National Physical Laboratory (NPL)
- Electro science Laboratory
- General Electric Aviation

Some of the public sector firms which offer job opportunities are:

- NTPC, BHEL, ONGC, GHAL,SAIL, IOCL, BSNL, ISRO, DRDO, BARC,EIL.

Career Opportunities after B.Sc. (Hons) Mathematics

There are jobs available in various sectors for the graduates of B.Sc. Mathematics. These sectors are given below

- Software Industries
- Insurance
- Market Research
- Banking Sector

- B.Sc. Mathematics can get jobs in following fields:
- Analyst, Scientists, Mathematician, Economic Analyst, Intelligence Analyst

After completion of Graduation in Physics, Chemistry or Mathematics, one can go for higher studies like M.Sc and MBA for finding reasonably good career in industries, Research, Teaching and Management. A graduate has the option to appear for UPSC examinations (IAS etc.) which provides an opportunity to join State Administrative Service/Central Government Services such as telecom, Railways, PWD, etc.

SCHOOL OF HUMANITIES AND SOCIAL SCIENCES

The School of Humanities and Social Sciences at Lingaya's Vidyapeeth is a premier center for interdisciplinary education and research, designed to foster critical thinking, creativity, and a deeper understanding of human society. With a strong emphasis on bridging the gap between theoretical knowledge and practical application, the School aims to cultivate a global perspective among students and prepare them for successful careers in various fields.

The School of Humanities and Social Sciences at Lingaya's Vidyapeeth offers an enriching environment for students, with a curriculum that integrates diverse disciplines such as psychology, political science, sociology, history, literature, and languages. The programs are structured to provide both foundational knowledge and specialized expertise in these areas, with a focus on research, experiential learning, and community engagement. By nurturing analytical and communication skills, the School equips students to understand and address complex social, cultural, and ethical issues.

Programs Offered

•BA (Hons.) English

•MA (English)

•BA (Journalism & Mass Communication)

•Ph.D (English & Journalism)

Faculty Members:

The School boasts a highly qualified and experienced faculty, comprising academicians, researchers, and industry professionals. Each faculty member brings a wealth of knowledge and expertise, ensuring that students receive high-quality education and mentorship. Faculty members are deeply involved in research and are often engaged in collaborative projects that span various aspects of the humanities and social sciences.

Infrastructure:

Lingaya's Vidyapeeth is equipped with state-of-the-art infrastructure to support the academic and co-curricular needs of the School of Humanities and Social Sciences.

The campus includes:

Well-equipped classrooms with smart technology for an enhanced learning experience.

A dedicated library with a vast collection of books, journals, and e-resources specific to the fields of humanities and social sciences.

Research labs and facilities for psychology and related disciplines.

Digital resources and IT support to enable access to online learning materials and research databases.

The campus environment is conducive to learning and encourages both independent and collaborative work.

Special Features:

The School of Humanities and Social Sciences focuses on holistic development by offering unique features, including:

Interdisciplinary learning: Encouraging students to engage with multiple fields of study and develop a comprehensive understanding of human behavior and societal structures.

Research opportunities: Students are provided with opportunities to participate in research projects, supported by faculty members, leading to presentations at national and international conferences.

Community engagement programs: The School emphasizes social responsibility, offering students opportunities to work with local communities and contribute to social welfare projects.

Skill development workshops: Regular sessions are conducted on critical thinking, communication skills, research methodology, and employability skills.

Career Opportunities:

Graduates from the School of Humanities and Social Sciences can pursue careers in a wide range of fields, including:

Civil services

Academia and research

Media and journalism

Non-governmental organizations (NGOs)

Corporate sector roles in HR and communication

Public relations and content writing

Psychological counseling and social work

With a solid foundation in critical thinking, communication, and analytical skills, students are well-prepared for leadership roles in various sectors, both in India and abroad.

The School of Humanities and Social Sciences at Lingaya's Vidyapeeth thus offers an enriching academic journey that prepares students to navigate the complexities of the modern world with confidence and competence.

Department of Civil Engineering

Civil Engineering is one of the basic tools for development of the society and for improving living standards of human beings by coordinating the natural resources available on the planet. Analysis, Design and Construction of Structures like Buildings, Roads, Bridges, Dams, Tunnels, Geotechnical Engineering, Transportation and Traffic Engineering, Water Resources and Sanitary Engineering, Soil Engineering, Earthquake Engineering, Surveying, GIS and Remote Sensing etc. are some of the broad areas in the field of Civil Engineering.

As a profession, Civil Engineering is one of the best choices for development of the Nation.

Several application-oriented industrial consultancy projects and collaborative research projects are being undertaken by the faculty members. The Department encourages the faculty members and students to carry out innovative and R&D work, planning, design, construction and consultancy services.

The Department is also actively engaged in organizing International and National Conferences, Workshops and Short-Term Courses in related fields of Civil Engineering.

Programs Offered

The Department offers the following programs:

- B.Tech. in Civil Engineering
- M.Tech. in Civil Engineering
- Ph.D in Civil Engineering

Faculty

Highly qualified faculty having their qualifications/ experience at prestigious Institutions (IITs and NITs) are available in the Department of Civil Engineering. They provide quality education to the students and develop them to work professionally in the organizations/corporate world.

Laboratory and Testing Facilities

Department of Civil Engineering has well equipped laboratories for Undergraduate, Postgraduate and Doctoral students to cater to their needs. Some of the laboratories are listed below:

- Material Testing & Concrete Technology Laboratory
- Structural Analysis Laboratory
- Geotechnical Engineering Laboratory
- Transportation Engineering Laboratory
- Hydraulics and Irrigation Engineering Laboratory
- Fluid Mechanics Laboratory
- Environmental Engineering Laboratory
- Surveying Laboratory
- Engineering Geology Laboratory
- Computational Laboratory
- CAD Laboratory

Career Prospects:

Civil engineers design, build, supervise, operate, and maintain construction projects and systems in the public and private sector, including roads, buildings, airports, tunnels, dams, bridges, and systems for water supply and sewage treatment. Many Civil engineers working design, construction, research, and education.

School of Commerce & Management

The School of Commerce & Management was established in the year 2004, with the very purpose of proliferating management education and thus contributing towards Economic development at National level by creating learned and skilled managers and entrepreneurs to serve for ever changing global business environment in industry, Research and consultancy in various areas of management. Its vision is to relentlessly prepare such global managers who can work as solution providers for global research problems and can embark upon promising careers in the corporate world.

The long term vision of the School is aimed at creating finest development of students and thus fostering effective stemming of skilled manpower at macro level. The School of Commerce & Management strives to create a niche of talented managers who can make contributions to global businesses.

The School has experienced faculty members who implement teaching-learning while making the best use of the technology. The learning process generates compounded thinking in varied frontiers which could be utilized in research, consultancy and training.

The syllabi is highly aligned to the corporate needs. It consistently focuses on designing practice oriented learning and contemporary industry-focused curriculum, driven by strong corporate interface, guest lectures, hobby club activities, minor and major projects, dissertation, industrial visits and excursion, conclaves, conferences and seminars.

The planned pedagogy aims at maximizing practical learning platform and developing understanding of students including short term assignments, participation in inter-college events, compulsory news reading sessions, group discussions, presentation on various contemporary topics, business news awareness sessions and personality development. Mentoring sessions are organised for inclusive development and growth of future managers.

Programs Offered

- BBA
- B.COM
- BBA - MBA (Integrated)
- MBA
- Ph.D Program in Management

Special Features

Innovative and Participative Learning: Academically strengthening the students with best of knowledge is the major focus for which we adopt a blended learning method based on participation and sharpening the analytical and reasoning skills in students. For this latest case studies, Field visits, Live Projects, Group projects, Industrial visits, esteemed expert talks, Group Discussions, Debates, Seminars and Workshops are organised using electronic enabled techniques.

Contemporary Curriculum: The curriculum is designed in a way to translate the real world situation to the syllabi. The Board of Studies which comprises of Experts from outside and within the university, through their insight, help in ensuring that the syllabi is a right mix of content needed to transfer the right and required knowledge.

Rich Reference and reading Material: Apart from Central Library the Department has its own Departmental Library which is rich with related Journals, books, business magazines and industrial reports along with electronic resources to help develop the research skills.

IT Facility: Computing facilities are available for students to access latest software.

Industry Interface: Industrial visits are regularly arranged in order to have exposure to the live problems of the Business World. Conferences, Seminars,
Discussions, Presentations and Workshops are organized at regular intervals to have industry interface and it stimulates a vibrant interplay of ideas and their practical application besides providing an overall perspective towards solving management problems.

Mentoring: At departmental level mentoring process is highly encouraged for personal and professional development of students. Student groups are made and faculty mentors get associated with them which help in confidence building and provide psycho-social support so that they can communicate and gain greater relevant knowledge and wisdom and complete the program successfully.

Focus on strengthening Research Aptitude: Apart from imbibing and instilling management aptitude and outlook, rigorous training on soft skill development including communication and behavioral perspective is given an equal weightage. Along with this, in order to develop an aptitude towards research there are compulsory sessions for providing training on different softwares which aid in conducting research. All these

invincible efforts on academic front matched with a unique Corporate Resource Cell for Training and Placement have facilitated in generating excellent placements of students in several well known National and Multinational companies in the area of technology, manufacturing, consulting, finances and services.

Career Prospects :

1) Financial Analysts
2) Human Resources (HR) Manager
3) Marketing Executive
4) Executive Assistant
5) Banking & Finance
6) Hospital Management
7) Sales Manager
8) Operations Manager
9) Materials Manager
10) Quality Assurance Manager
11) Purchasing Officer
12) Production Manager
13) Supply Chain Consultant
14) Project Manager
15) Entrepreneurship

Department of Computer Science and Engineering
School of Computer Applications

The Department of Computer Science & Engineering and School of Computer Application has been set up to impart training of the highest standards to the students, in the field of computer science & applications, thus preparing them to meet the exciting demands of the highly competitive global industrial market. It was established in the year 1998 (as one of the schools of Engineering under Lingaya's University). It constitutes Department of Computer Science & Engineering and Department of Computer Applications.

Department of Computer Science & Engineering and School of Computer Application has the following key features:

• State-of-the-art Classrooms, Seminar Rooms, Committee Room and Facultyrooms.
• Rich collection of reading material and books in its Library for the referencepurpose by faculty and students.
• R&D centre (Centre For Excellence) displaying the innovative / researchpotential of its students.
• A team of faculty members and students to cater to the Softwarerequirements of the University.
• Faculty members with M.Tech. and/or Ph.D qualifications from premierinstitutions.

Programs Offered

•B.Tech in Computer Science & Engineering
•BCA
•MCA
•M.Tech in Computer Science & Engineering
•Ph.D

Laboratory Infrastructure

State-of-the-art laboratories, having computers with latest configuration networked together to ensure that the every student gets complete facilities to thoroughly understand and explore the concepts of computer science. The School & Department focuses on preparing globally competitive professionals who are at ease with both hardware and software aspects of the computer. These professionals are trained to innovate and contribute to the growth of Indian

economy in the present era of Information Technology. The Programs have been designed to help students impart basic concepts and skills of Computer Science and their applications in diverse areas of software development, hardware technology and networking. The school & Department has well equipped Laboratories in the following areas of Computer Science & IT Specializations:

1) Operating Systems Lab: In this lab students study the Architecture and commands of UNIX and Linux operating system. Students write programs in C and execute those commands in Linux shell. The students write Shell Scripts and AWK programming.

2) Computer Graphics: In this lab students create interactive graphics applications in C++ using one or more graphics application programming interfaces, programs to implement visibility detection, animation, 2D and image processing techniques.

3) Multimedia and Animation: In this lab students create animation of a moving object, morphing, advertisement of any product, also they are made to provide interactive way to handle the multimedia content with the help of Macromedia FLASH Software and other multimedia software's like Photoshop, Sound Forge, etc. for editing the multimedia content in terms of developing multimedia pages.

4) Rapid Application Development: In this lab students design applications in C# using Microsoft Visual Studio .NET framework. Students are able to create web forms, windows based application using language independent IDE within a very short period of time.

5) Web Technologies: This lab enables students to understand the various steps for designing and creating a dynamic website, and are able to write HTML, JavaScript, CSS and Applet codes. They will have clear understanding of hierarchy of objects in HTML 5.0 and XML 4.0.

6) LINUX Shell Programming Lab: This lab familiarizes students with the Linux environment. It helps them to learn the fundamentals of shell scripting/programming, to conceptualize Data Mining and the need for pre-processing and to learn the algorithms used for various types of Data Mining Problems.

7) System and Network Administrator Lab: This lab helps the students to understand the need of PC Hardware, Internet and World Wide Web and Office Suites. Also students are instructed to install and use different softwares like Windows XP, Linux, MS Office suite components.

8) Data Warehousing and Data Mining: This lab educates students with fundamental concepts of Database Design, Data Models, Different Database Languages (SQL/Oracle).2. Its also helps them to analyze Database design methodology, OLTP, OLAP and DB connectivity, alongwith it they deal with DM Tool.

9) Data Structure and C Programming Lab: The objective of this lab is to teach students various data structures and to explain them algorithms for performing various operations on these data structures. Also, the lab aims to make a student understand the basic concept of C Programming, and its different modules that include conditional and looping expressions, Arrays, Strings, Functions, Pointers, Structures and File programming.

10) JAVA Programming Lab: This lab helps the students to create Java programs that leverage the object-oriented features of the Java language, such as encapsulation, inheritance and polymorphism; use data types, arrays and other data collections; implement error-handling techniques using exception handling, create and event-driven GUI using Swing components; and implement I/O functionality to read from and write to text files.

Virtual Labs (VLABs)

(An initiative of Ministry of Human Resource Development under the National Mission on Education through ICT)

The University in collaboration with IIT Delhi is handling the VLAB project. The School & Department has taken this initiative, and conducts workshops not for only the University but also for nearby Universities and Colleges to spread the knowledge of how to make use of VLABs effectively and efficiently. VLABs have been designed to provide remote access to labs. These virtual labs cater to students at the undergraduate, postgraduate as well as doctoral level. Virtual labs also provide a complete learning management system where the students can avail various tools for learning, including additional web resources, video lectures, animated demonstration and self evolution. These labs enable the user to perform experiments remotely as on-demand service over the web.

Career Prospects :

"As this is the era of Digital world and there are plenty of job opportunities in the field of Computer Science & Engineering". A few of them are listed below.

•System Designer
•Software Developer
•Data Warehouse Analyst
•ERP Manager
•Software Engineer

•E-Commerce Specialist

•Teaching professionals

·R&D Professional

·Hardware Engineer

·Networking Engineer

·IT Support experts

•Computer Programmer

•Engineering Support Specialist

•Academic Research Editor

Major Recruiters :

•Infosys

•Google

•HCL

•Accenture

•Cognizant

•IBM

•TCS

•Wipro

•Microsoft

•Larsen & Toubro (L&T)

•Mahindra Satyam

•Tech Mahindra

•Adobe

•Cisco

•Oracle

•DRDO

•Sun Microsystems

•Yahoo

School of Education

Education is the most powerful weapon which can change the world. The one who educates the individual is performing a divine task. While the God / the Parents give life to an individual, the teacher teaches the individual the art of living well.

Lingaya's School of Education is unique with its vision for true Education and is with the mission of training future teachers befitting to achieve the goal of true Education. Here the aspiring candidates are instilled with the true objective of Education, and they are trained on how to educate the mind as well as the heart of an individual. The school grooms the professionals to educate the young generation with humanitarian values and the practical knowledge to face the challenges of the present world with a balanced mind. The Department of Education, Lingaya's University endeavors to provide best education to the aspiring students who want to become competent teacher in this competitive world.

Programs Offered

•Bachelor of Education (B.Ed.)

•Master of Education (M.Ed.)

• Doctorate in Education (Ph.D.)

Faculty

The school of education has highly qualified, sincere and dedicated faculty who not only teach but act as a guide, counselor and facilitator. All the faculty members are double or triple Postgraduates and are NET Qualified.

Infrastructure

The school has well equipped labs viz. Science Lab, Language Lab, Curriculum Lab, ICT Lab, Psychology Lab, Yoga and Meditation Hall, Cultural Hall, Departmental Library and Art and Craft Lab etc. and spacious and ventilated class rooms.

School Experience Program (SEP)

The School Experience Program (SEP) offers class room experience to those willing to commence a career in teaching. All pupil teachers have to undergo full-time intensive School Experience Program for thirty (30) working days in first year and for o4 months in second year. The school of education has ties with various reputed public and government schools to provide enriched and valuable experience to pupil teachers which will enhance their teaching skills and build up their confidence level.

Practical Work

•Art and Craft work

•Clay Modeling

•Co-curricular Activities

•Community Service

•Domestic Use of Electric Gadgets

•Gardening

•Interior Decoration

•Improvised/Low Cost Teaching Aids

•Painting

•Photography

•Socially useful productive work (SUPW)

•Sport Yoga and Life Skills Activities

Activities

During the session, various activities take place in the School as given bellow:

•Board Decoration competition

•Earth day celebration

•Excursion (one day)

•Festival celebration

•Mehndi competition

•Rangoli competition

•Women's day

- Army Day
- Children's Day
- Christmas Day
- Dr. Ambedkar Jyanti
- Gandhi Jayanti
- Independence Day
- Inter-college/School Teaching Competition
- International Yoga Day
- Mahavir Jayanti
- Martyr's Day
- Mathematics Day
- Rakhi Competition

- Republic Day
- Science day
- Shaheedi Diwas
- Teacher's Day

Special Attractions

•Personality Development Program (PDP) for all the students;

•Motivation by teachers to communicate in English;

•Mock Group Discussion (GDs) and Interview sessions to prepare students for their jobs;

•Prepare students for CTET, HTET and NET etc.

Placements

Various reputed public schools and companies come for campus hiring and many students got placed in various educational institutes and companies so far.

Career Prospects:

1) Community Education Officer
2) Early Years Teacher
3) Education Administrator
4) International Language Teacher
5) Further Education Teacher
6) Mentor/Counselor/Guider
7) Primary School Teacher
8) Secondary School Teacher
9) Special Education Teacher
10) Teaching Assistant

Department of Electronics and Communication Engineering

The Department of Electronics and Communication Engineering is one of the established and leading department in the university. It has a state of art facilities and highly qualified faculty members and staff members. Department works with the objective of addressing critical challenges faced by the Industry, society and the academia. Perhaps even more important is our unceasing commitment to our students, helping them to learn, grow, develop, and achieve their goals in their pursuit to excel in their professional career. Importance is also given to quality teaching and learning process through faculty development programs for teachers and soft skill programmes for students. Special care is taken about the students whose performance is not up to mark in the examinations through counselling and extra classes. The students are also encouraged to participate in technical and co-curricular competitions conducted by other universities or colleges. Research in the school focuses on high-impact various disciplines: Communication systems, Wireless networks, Internet of Things, Artificial Intelligence, Signal and Image Processing, RF MEMS and MIC, Microwave antennas, Optical communication and VLSI technologies.

Courses Offered:

1. B.Tech-ECE
2. M.Tech-ECE
3. Ph.D

Faculty

The department has highly qualified and experienced faculty members with specialization in various areas like VLSI Design, Embedded System Design, Optical Fiber Communication, Antenna Design, Electrical Machines and Drives, Control Systems and Signal Processing. The faculty members are engaged in the R&D activities in the areas of Artificial Intelligence, Internet of Things, Image Processing, Antenna Design, Video Processing and Robotics.

Infrastructure

•The Department has air conditioned, state-of-the-art Classrooms, Seminar Rooms, Departmental library, Laboratories and Faculty rooms.

•The Department has a rich collection of reading material and books in its Library for the reference purpose by faculty and students.

•The Department has an independent computational facility with required software's, enabling faculty and students to pursue their research/ projects at ease.

•The Department actively promotes participation of faculty and students for centralized research activities in the center of excellence. The faculty has a large number of publications to their credit in more than 50 refereed journals.

The Department has the following state-of-the-art labs:

•Embedded Systems and Design Lab

•Digital Signal Processing Lab

•VLSI Design Lab

•Data Communication and Satellite Communication Lab

•Microprocessor and Interfacing Lab

•Electronics and Electrical Measurement and Instrumentation Lab

•Analog and Digital Electronics Lab

•Communication Lab

•Electrical Machines Lab

•Electrical Drives and Power Systems Lab

•PLC and SCADA Lab

•Control Systems Lab

• Intel Intelligence System Lab (IOT)

Simulation Softwares like MATLAB, Pspice, VHDL, Xilinx, Lab view are available for conducting research and relevant studies.

Special Features

The Department is allowing the students to choose the specialization in the emerging fields such as IOT & Artificial Intelligence (AI), Telecommunication & Networking, Embedded System Design & VLSI Design. After completing the specialization course our students is ready to compete and ready to work on the latest technologies.

The Department has initiated an interaction program with distinguished alumni and the current graduate students. Our alumni are pursuing higher studies in various reputed institutions in India and premier foreign Universities across the world in diverse field of electrical, electronics, communication engineering. Our students have an added advantage of knowledge of core courses of electrical, electronics, communication engineering with the software or programming skill. There is plethora of job opportunities for the ECE or EEE students can get placed in the any one of the core public and private sector units (PSUs) and also in software/IT based industries. Many of the students are working in popular industries and R & D institutes in India and abroad. Further, the students are working in premier IT and core sectors through On-campus and

Off-campus placements. The Department strives to provide a conductive environment for the students to develop analytical and practical skills and apply them to real world problems. To motivate our students the respective department organizes regular training in state of art software & hardware, arranges workshop, seminars, industrial visit, expert talk etc periodically.

Career Prospects :

1. Aerospace engineer
2. Broadcast engineer
3. Control and instrumentation engineer
4. Electrical engineer
5. Electronics engineer
6. IT consultant
7. Network engineer
8. Nuclear engineer
9. Systems analyst

Major Recruiters :

1. BEL
2. BHEL
3. Tata Steel & Power Limited
4. Power Grid Corporation of India Ltd
5. BALCO
5. SAIL
6. NTPC
7. Durgapur steel plant
8. ISRO
9. OMEGA Elevator
10. ALSTOM India Power project
11. CONE Elevator
12. Everest Industry
13. ZENITH Construction etc
14. L&T Construction and STEEL
15. Tata Metallic
16. Tata Motors
17. BSNL
18. NSPCL
19. State Electricity Board
20. Defense organization
21. DRDO
22. Jindal Steel & Power Limited
23. GAIL

School of Law

The School of Law, set up in 2017, offersthree programmes with the approval of the Bar Council of India. Helping the youth to enrich their knowledge, fostering in them a love for learning, right attitudes and imbibing essential and up to date knowledge about legal rights and obligations are some of the key objectives of the institution which could help us in achieving our long-termgoal of a better appreciation of the functioning of law in the society.

Programs Offered

- BBA. LL.B.
- LL.B.
- LL.M.

Infrastructure

- The School has well equipped Classrooms, Computer lab, Seminar Hall and a Library having all the required law books which is accessible to all our students.
- The School also has a spacious, well-furnished Moot Court hall to conduct intra and inter Moot Court competitions. The faculty members take the responsibility in training the students for national and international moot court competitions.

Beside class room teachings, emphasis is given on various workshops, assignments and moot court practice. Students are encouraged to visit courts of all the hierarchy as a part of their curriculum to make them aware of the procedures in practice.

Review meetings are conducted from time to time with external experts from academics as well as professional field, to upgrade the curriculum according to the recent trends but at the same time following the regulations laid down by the Bar Council of India.

Faculty Members

School of Law comprises of eminently competent and efficient faculty members who are qualified from reputed universities of India like Maharaja Ganga Singh University (Bikaner), Devi Ahilya Vishwavidyalaya (Indore), Maharshi Dayanand University (Rohtak), Amity University (Noida), Karnataka State Law University (Hubli) and O.P. Jindal Global University (Sonipat). The Department has been working on to publish a number of research papers in reputed national/international refereed Journals.

Career Prospects:

- Litigation
- Corporate law (law firms and companies)
- Public Prosecutor
- Judicial Service
- Intellectual Property law firms
- Legal Academia
- Alternative Dispute Resolution
- NGOs and Think Tanks
- LPO's
- Tax Law
- Advocate General
- Legal Journalism

Department of Mechanical Engineering

The Department of Mechanical Engineering was established in the year 1998 and over the years has developed into a very vibrant teaching-learning unit. Automobile wing was established in the year 2004.

Programs Offered

- B. Tech. in Mechanical Engineering
- B. Tech. in Mechanical Engineering with specialisation in Automobiles
- M.Tech. in Mechanical Engineering
- Ph.D

Faculty

The Department has highly qualified and experienced faculty members having academic as well as industrial experience covering various specializations such as Thermal Engineering, Design and Manufacturing Engineering and Automobile Engineering etc.

Infrastructure

The Department has well equipped laboratories to carry out experimental and R&D work.

Following facilities exist in the Department:

- Central Workshop and Auto Workshop
- Mechatronics Lab
- Fluid Mechanics Lab
- Energy Conversion Lab
- CAD/CAM Lab
- Heat Transfer Lab
- Kinematics and Dynamics of Machines Lab
- Vibration Lab
- Refrigeration and Air Conditioning Lab
- Strength of Materials and Material Science Lab
- State-of-the-Art Automobile Labs

The Automobile Labs and facilities are unmatched in North India and include world renowned Degener Lehrmitted Experimental setup from Germany for state-of-the art cars and cutting edge Technology.

The state-of-the-art Mechatronics Lab has Hydraulic and Pneumatic simulators in addition to an elaborate set of Mechatronic Actuation Systems.

The Vibration Lab has Balancing and Fatigue Testing machines over and above vibration related rigs.

A number of softwares are available in the CAD Lab such as AutoCAD 2012, ProEngineer 3.0, Solid Works2007, CATIA, COSMOS, LabView842, MATLAB which are used for teaching and research purposes.

Special Features

•The Students get their Internship at modern plants like Escorts, Eicher, Maruti, Sona Steering, JCB, Hero Honda etc.

•Students and faculty have frequent interaction with industrial experts through Seminars, Lectures, Factory Visits etc.

•Students have won many prizes in the competitions organized by Faridabad Industries Association and Society of Automotive Engineers India.

•Students participate in National and International competitions.

•SAE India collegiate chapter helps students to participate in International and National events of Society of Automotive Engineers.

•Apart from the Central Library, the School maintains its own Library for its Mechanical and Automobile wings.

•Students are motivated to participate in Technical events organized by IITs and reputed Institutes.

•Special emphasis is given on "Hands On Training".

•Quite a few table top experimental setups have been developed in-house to facilitate understanding of basic fundamentals

Career Prospects :

1) Aerospace
2) Acoustical
3) Automotive

4) Marine
5) Mechatronics
6) Optical
7) Railway
8) Research and development

Major Recruiters :

1) Indian Engineering Services
2) Defense Services
3) All Public Sector Units
4) Indian Railways
5) Aviation sector
6) DRDO, ISRO, etc
7) Larsen and Toubro Ltd.
8) Robert Bosch ALSTOM Power, Inc.
9) General Electric (GE)
10) Energy Eaton Corporation
11) Tata Motors
12) Maruti Suzuki Cummins India Ltd
13) HCL Technologies Ltd.
14) Ford Motor Company
15) Mahindra & Mahindra Ltd.
16) JCB
17) JBM

and many more

School of Pharmacy

School of Pharmacy at Lingaya's Vidyapeeth was established in the year 2015 with the vision of developing globally competent professionals in the field of Pharmaceutical Technology who are responsible citizens and have respect for life and sensitivity towards environment.

According to India Brand Equity Foundation, by 2020, India is likely to be among the top three pharmaceutical markets by incremental growth and sixth largest market globally in absolute size. Owing to the global demand of generic drugs, the growth of Indian Pharmaceutical Industry is going to show a spiraling trend in the coming years and so will be the demand for trained workforce.

We, at School of Pharmacy, Lingaya's Vidyapeeth not only focus on class room teaching but hands-on-training simultaneously. We prepare our students to work effectively and think critically. Our Curriculum has been set keeping in mind the current and future requirements and expectations of the pharmaceutical industry and allied fields. Our students would be able to make career in Pharmaceutical Manufacturing, Research & Development, Cosmetics Industry, Clinical Research, Packaging Industry, Academia, Marketing, Hospitals etc.

Programs Offered

•Diploma in Pharmacy
•Bachelor of Pharmacy

Faculty

Highly qualified and experienced faculty having very wide experience and exposure is available at The School of Pharmacy covering various specializations like Pharmaceutics, Pharmacology, Pharmacognosy and Pharmaceutical Chemistry. The faculty members not only teach in class room settings but also train the students with experimental tools and machineries and make them industry ready.

Infrastructure

•The School has Air conditioned, state-of-the-art Classrooms, LCD Projector and AV system equipped Seminar Halls, Boys Common Room, Girls Common Room, Departmental Library, Faculty rooms and Laboratories.
•The School has a vast and rich collection of books and reference materials in the Departmental and Central Library.
•The School has Internet and Computing facilities for students and faculty with dedicated computer terminals.

•Special emphasis is being given on Guest lectures from academia and industry of repute.

•The School has sophisticated laboratories for Hands on Training viz. Pharmaceutical Analysis Lab, Pharmaceutics Labs, Pharmacognosy Labs, Anatomy Physiology and Health Education Lab, Pharmaceutical Chemistry Labs, Pharmacology Labs, and Machine Room.

Career Prospects :

1) Pharmacist (Industry/Hospital/Clinical/Community)
2) Retail/ Wholesale Chemist/Druggist Business
3) Drug Inspector, Drug Analyst (Govt. Services)
4) Pharmacoepidemiologist/Data Analyst
5) Clinical Research Associate
6) Higher Education Lecturer
7) Medical Sales Representative
8) Pharmacologist
9) Product/Process Development
10) Regulatory Affairs Officer
11) Research Scientist (Life Sciences)
12) Science Writer
13) Toxicologist

CHANGES IN PHD COURSE WORK STRUCTURE

University Grant Commission in its 543rd meeting held on 9th August, 2019 by notification No D.O.No.F.1-1\2018\Journal/CARE) approved two credit courses for awareness about publication ethics and publication misconducts entitled "Research and Publication Ethics (RPE)" to be made compulsory for all PhD students for pre-registration course work

Lingayas Vidyapeeth has also decided to change the structure of its Pre-registration course work accordingly from 2019-20 Winter PhD batch

Proposed Change in Course work structure

Old Regulation

All the students admitted for the PhD programme shall have to complete the course work of 12 credits on the campus for a minimum duration of one semester.

PhD Course Work Scheme

S.N.	Course	Credit
1.	Research Methodology (Common to all)	4
2.	Related to the research work (Departmental Subject)	3
3.	Related to the research work (Departmental Subject)	3
4.	Literature Survey	2

- Minimum CGPA to pass course work is **5.8**.

Modified Regulation

All the students admitted for the PhD programme shall have to complete a course work of 14 credits within two semesters (one year).

PhD Course Work Scheme

S.N.	Course	Credit
1.	Research Methodology (Common to all)	4
2.	Related to the research work (Departmental Subject)	3
3.	Related to the research work (Departmental Subject)	3
4.	Literature Survey	2
5	Research and Publication ethics (Common to all)	2

.

- Minimum CGPA to pass course work is **5.8**.

APPROVAL FOR THE NEW COURSES

SCHOOL OF ARCHITECTURE

School of Architecture has proposed to start following new courses from session 2020-21

1. Master in Planning (M. Plan)
2. Building Design in Architecture (BDA).
3. Diploma in Architecture (DAR)
4. Certificate Course - Vastu in Architecture

M. Plan Course: This is a post graduate two year course. Admission criterion to take admissions on the basis of norms floated by AICTE & affiliation shall be from ITPI (Indian Institute of Town Planning at ITO New Delhi). School proposed to start this course after studying two point, First, admission available in market to run this course. Secondly, they thought about job/employment opportunity about this PG course. In both the cases they got the good response from market

PROPOSED SCHEME OF STUDT AND EXAMINATION 1st Semester

S.N.	SUBJECT CODE	NAME OF THE SUBJECT	L	T	P	Cr
1	MPL-101	Planning History and Theory	3	0	0	3
2	MPL-102	Socio-economic basis for Planning	3	0	0	3

Diploma in Architecture:

We propose/introduce this course on the basis of following reasons:

- No need to take any permission/affiliation from any department/institution to run this course.
- Minimum qualification is only 10th pass. It is very easy for every student who wants to enter in Architecture course as a draft man.
- According to the market survey good percentage of admission are available.
- Good job/employment opportunities are available in market i.e. in Private Sector as well as in Govt. Departments

Building Design in Architecture: Reason behind the proposal/introduction of this course is that there are number of students who want to do Architecture course but unable to clear the NATA exam sponsor by COA on eligibility criterion to take the admission in B.Arch. Through this course they will be able to get the degree from Lingaya's Vidyapeeth named in Architecture Building Design.

Vastu in Architecture:
This course depend only on the demand basis available in the market and to provide the knowledge of Vastu to registered Architects with COA who are already in the field of Architecture. This is a certificate course.

Course title
VAASTU IN ARCHITECTURE
Course Objectives:
➢ This course introduces the students to various scale of vaastu in project. ➢ To provide a comprehensive knowledge of contemporary philosophies in the development design.

UNIT-1: INTRODUCTION OF VAASTU

Overview of mythological and scientific background of Vaastu & efficacy of vaastu shastra, relevance of vaastu in modern world. Understanding Life force Energy, Importance of Five Elements, Use of Magnetic Compass, Importance of Cardinal Directions & extensions, Types, shapes and selection of Land, Soil Test and Veedhi Shoola

UNIT-2: INTERIORS AND EXTERIORS

Open Space planning and Building Design, Floor level, Height factors, Verandas, Balconies, Porch, Basements, Sumps & Borings, Boundary Walls, Parking, Security Guard Room, Overhead Tanks, Septic Tanks, Water flow, Mezzanine floors, Plants and Greenery.

UNIT-3: ORIENTATION OF HOME

Master Bed Room , Kids room, Living Room, Kitchen, Dining Room, Bathroom, Drawing room, Study Room, Puja Room, Library, Store room, Furniture making, Doors, Windows and ventilators, Main Entrance, Staircase, Servants room, Guest room. Garage

UNIT-4: COMMERCIAL VAASTU

External and Internal Planning, Offices, Shops, Restaurants, Showrooms, Schools, Hospitals and Other Commercial Establishments.

UNIT-5: REMEDIAL VAASTU

Identifying the Vastu Defects, Rectification of Vaastu Defects in Existing Building (without reconstruction)Color therapy, Discussion on different building Plans.

UNIT-5: REMEDIAL VAASTU

Project*: Vaastu Analysis and Vaastu Comparison followed by Viva Examples and case studies, Live discussion of vaastu on different plans bring by students in the class, Site Visits

TEXT BOOKS/REFERENCE BOOKS:

1. Michael borden. "Vaastu Architecture": Design Theory and Application for Everyday Life
2. Vaastu Shastri Khusdeep Bansal "direction of alchemy"
3. Er .Ashwini Kumar "Vaastu" The Art And Science Of Living
4. vaibhav chawadre "Indian vaastu shastra"

Course outcomes:	
1.	The student acquires general understanding of the vastu and its need and impact.
2.	Identify the vaastu problems in different buildings type.
3.	The student will learn the

APPROVAL FOR THE NEW COURSES IN SCHOOL OF HUMANITIES AND SOCIAL SCIENCE

Purpose of Starting New Programmes:

The School of Humanities & Social Sciences has a vision to expand beyond the Programmes it is currently offering. Its mission is to provide the students an array of courses which they can choose from with a focus on honing the professional skills of the same and pursue educational programmes in varied fields of Humanities & Social Sciences.

The School envisages broadening the spectrum of the concurrent courses and making significant contribution in redefining the disciplines.

Going by the current trend, we wish to explore the possibilities of inter-disciplinary curriculum through strategic planning. We desire to enhance and develop the academic proficiency of the student community and thereby provide them a plethora of career opportunities. The focus is to create more enlightened minds that can approach the global contexts with a unique quest to explore the self and beyond.

The mission is to equip the young minds to explore a variety of opportunities in shaping them as holistic individuals.

In this context we wish to add 2 new programmes i.e BA (Hons) Economics & BA (Hons) Psychology from 2020 Academic Session

BA (HONS) ECONOMICS

Objective: The objective of this course is to give an understanding of the concepts of markets, finance, business banking and the working of the economy. The overall understanding of these concepts would enable the students to pursue careers in auditing, finance, statistics & marketing.

BA (Hons) PSYCHOLOGY

OBJEVTIVE: This course aims to familiarize the students to the field of psychology which is a growing discipline. An important goal is to facilitate self- discovery in the students and ensure participation in responding to the needs and challenges in the society. Hence the course enables students to meet the needs of the real world effectively.

RESEARCH, DEVELOPMENT & EXTENSIONS (2019-20)

About the Lingaya's Vidyapeeth

Lingaya's Vidyapeeth is a renowned educational institution dedicated to nurturing young minds and empowering them with knowledge, skills, and values. Established in the year 1998, our institution has a rich history of academic excellence and a commitment to fostering holistic development in students.

The journey of Lingaya's Vidyapeeth began with a vision to provide quality education and contribute to societal advancement by producing leaders, innovators, and responsible citizens. Over the years, we have grown into a comprehensive university, offering a wide range of undergraduate, postgraduate, and doctoral programs across various disciplines.

Saying that we focus on our student's overall development without creating a balance in providing them with equal opportunities in both, academic and non-academic domains would be defeating the entire purpose. So, good thing that to strengthen the pillars of our academic domain, we don't just have a continuously updating curriculum but also highly qualified and experienced faculty members who firmly believe in knowledge creation and dissemination.

To strengthen our non-academic domain and to encourage our students to show active participation in extra-curricular activities, we create an environment and opportunities that help them demonstrate Lingaya's Vidyapeeth culture and ethics. The track record of our alumni's achievements proving their caliber in different spheres of the industry is a testament to the success of our holistic approach.

Research Journals of the University

LINGAYA'S JOURNAL OF PROFESSIONAL STUDIES (LJPS) was established in 2007 to assist scholars seeking publication opportunities for their work, including professors, researchers, and students. The journals hope to publish a comprehensive open access article. Easy online submission, prompt publication, and competent, nationally recognized research that has undergone peer review will all contribute to the dissemination of innovative humanities-related knowledge. This journal focuses mostly on interdisciplinary and multidisciplinary subjects and is equally interested in the perspectives of industry and science

and technology. Our journal's editors have illustrious backgrounds and extensive careers in their disciplines. To reduce the time between submission and final publishing, our journal's editorial board members and external reviewers pledge to provide fair and timely assessments of the submitted papers. As a result, the writers' collaboration with our editors and reviewers will undoubtedly be enjoyable and thought-provoking.Ultimately, I draw the conclusion that open platforms are necessary or exchanging ideas throughout the world.

LJPS is a multidisciplinary Journal which publishes original papers two times in year (January and July) in various disciplines of Engineering and Technologies, Management, Law, Architecture, Economics, Nano-science, Education, Computer Science/ IT, Pharmacy, Psychology, and Environment etc. The journal welcomes high impact articles which are new and relevant to the general readers. Journal release latest issue in June 2021 (Vol 15, Issue No. 1) and published 7 research articles.

ISSN: 0975-539X

MINUTES OF THE 18TH ACADEMIC COUNCIL OF LINGAYA'S VIDYAPEETH, FARIDABAD HELD ON FEBRUARY 15TH, 2019 AT 11:30 AM.

The meeting was held under the Chairmanship of Hon'ble Vice Chancellor, Prof. D.N.Rao.

The following participated in the meeting.

Dr.D.N.Rao, Hon'ble Vice Chancellor, Chairman	Dr.Amit Tyagi, HOD, Doctoral Programme
Dr. Picheswar Gadde, Hon'ble Chancellor, Special Invitee	Dr.Manoj Malik, Coordinator, IQAC
Dr. R.K.Chauhan, Hon'ble Pro-Chancellor, Special Invitee	Ms. Latha Banda, HOD, Department of Foundation, Member
Dr. G. Subbayamma, Professor, School of Management, IGNOU, External expert	Dr. Saurabh Dahiya, HOD, School of Pharmacy, Member
Mr. Raman Sopory Global Chief Opertions Officer, eOMNICARE India Pvt. Ltd., External Expert	Mr. R. Kaul, Controller of Examination, Member
Dr. Pamela Chawla, Dean (Academic Affairs),Member	Ms. Krity Gulati, HOD, School of Management
Prof. S. N. Segal, Dean, School of Architecture, Member	Mr. Sitesh Kumar Singh, HOD, Department of Civil Engineering, Member
Dr. K. N. Pandey, Dean, School of Management Sciences, Member	Mr. Manoj Jain, Assistant Professor, Special Invitee
Dr. Shagufta Jabin, HOD, School of Basic & Applied Sciences , Member	Mr. R. K. Deb, Assistant Professor, Special Invitee
Dr. K. K. Sharma, HOD, Department of Electronics & Electrical, Member	Mr.Rakesh Choudhary, Assistant Professor, EEE, Special Invitee
Dr. Iqbal, HOD, Department of Mechanical Engineering, Member	Ms. Seema Bushra, Registrar, Member Secretary
Mr. Ajay Sharma Dy. Registrar (Academics),Special Invitee	Mr. Prem Kumar Salwan, Additional Registrar,

The following agenda items were considered by the Council.

S. No	Points	Agenda Item	Decision of the Academic Council
1	18.1	To confirm the Minutes of the 17th Meeting of Academic Council of Lingaya's Vidyapeeth, Faridabad Held on 5th OCT 2018.	The minutes of the 17th meeting of the Academic council held on 5th October 2018 were confirmed
2	18.2.	Action taken report in respect of various resolutions/decisions/ recommendations made in 17th meeting of Academic Council.	The Action Taken Report on the decisions made in the 17th meeting of the Academic council was noted
3	18.3.	Amendment in the Regulation of Mid-Term Examination	Same was approved by council
4	18.4.	To consider starting of new courses	Approval was accorded by council for starting new courses in 2019-20

		w.e.f session 2019-2020 under various Schools	1. Diploma in Medical Lab Technology 2. Diploma in Operation Theater Technology 3. Diploma in Medial Imaging Technology 4. Diploma in Dialysis Technology 5. Diploma in Emergency Medical Care Technology 6. Diploma in Multipurpose Health Worker 7. BBA-Healthcare & Hospital Management 8. B.Sc in Clinical Research 9. B.Sc (Hons) in Bio chemistry 10. B.Lib & Information Science
5	18.5	To Report on Ph.D. Admissions 2019, Ph.D. awarded in 2019, status of existing Ph.D students.	• 20 students qualified for PhD admission on the basis of entrance examination. • It was further informed by Dr. Amit Tyagi, HOD, Doctoral Programme that 08 scholars have successfully defended their Ph.D. work and have been issued the provisional degree.
6	18.6.	Report on various academic activities after 17th academic council	The academic council noted the following details as per agenda note:- a) Report of academic activities like End term exam of odd semester, Mid Term and Assignment Based Quiz have been conducted for continuous evaluation as per Academic Calendar of the Vidyapeeth. b) INFOSYS Campus Connect program's MOU has been signed on 23.03.2018 and is valid up to 20.03.2020. c) The seventh convocation of Lingaya's Vidyapeeth was held on 6th November, 2018 for awarding degrees to all successful students. d) National Institutional Ranking Framework (NIRF) India Ranking is issued by MHRD, GOI New Delhi every year since 2016. This year, Lingaya's Vidyapeeth has participated in four discipline i.e

			Engineering, Management, Architecture and overall ranking. NIRF declared the ranking. Lingaya's Vidyapeeth is declared in between 150-200 universities of India.
7	18.7	To Report on Extra and Co- curricular activities of Vidyapeeth. Details of the following Extra and Co- curricular activities organized in Vidyapeeth : 1. ZEST-2018 2. NSS (May – Feb 2018-19)	Report on Extra and Co- curricular activities of Vidyapeeth was noted
8	18.8	Report on the Academic Achievements of various Schools (Duration: 1st SEP 2018 to 14th FEB 2019)	The HODs of various Departments apprised the Council members about the details of departmental activities pertaining to their department/school: (i) Conferences/workshops organized by the department (ii) Industrial visits organized by the department (iii) FDP/Short Term Course/Workshop/Conference attended by the Faculty (iv) Faculty Research and Publication Details (v) Details of Faculty and Staff Pursuing Higher study or completed higher study during this duration (vi) Awards & Felicitation of Faculty members/Students/Staff (vii) Books/Chapter Published by faculty members (viii) Research and Funded Projects
9	18.9	To consider and approve minutes of BOS meeting Dept. Wise	The academic council members approved the BOS of Various Department.
10	18.10	To Report on Placements & Admission of Students(2018 Batch)	• Mr.Asjad Iqbal (AGM, T&P) presented a report on the placement details of the students of the graduation batch which was noted by council.
11	18.11	To Report on Examinations & Results	• Mr. R.Kaul, COE explained the details of the conduct of End Semester December 2018 examination.
12	18.12	To Report the MOU's signed by Lingaya's Vidyapeeth.	• Mr.Rakesh Choudhary, presented a report on MOU's signed by Lingaya's Vidyapeeth which was noted by the Council.

13th IQAC Meeting

25th July 2019

Minutes of the IQAC Meeting held on 25th July 2019

A meeting of the IQAC was convened on **25th July 2019** at 11:00 A.M. in the Board Room of the Lingaya's Vidyapeeth. Hon'ble Vice Chancellor, Chairperson IQAC chaired the meeting and the following members were present in the meeting:

1.	Dr. D.N. Rao, Vice Chancellor	Chairperson
2.	Mr. R.K. Kaul, Controller of Examination(COE)	Member
3.	Ms. Seema Bushra, Registrar	Member
4.	Mr. Manoj Jain, Assoc. Dean (Academics)	Member
5.	Mr. Asjad Iqbal, Training & Placement-Head	Member
6.	Dr. Iqbal Ahmed Khan, HoD, Department of Mechanical Engineering	Member
7.	Mr. Kiran Kumar, HoD, Department of Computer Science & Engineering	Member
8.	Dr. Saurabh Dahiya, HoD, School of Pharmacy	Member
9.	Ms. Kavita Nagpal, HoD, School of Architecture	Member
10.	Dr. Shagufta Jabin, HoD, School of Basic and Applied Sciences	Member
11.	Dr. Kirti Gulati, HoD, School of Commerce & Management	Member
12.	Dr. Sushma Rani, HoD, School of Education	Member
13.	Mr. Sitesh Kr. Singh, HoD, Department of Civil Engineering	Member
14.	Prof.(Dr.) J.P. Gupta, Member, Board of Management	Member
15.	Ms. Madhavi Garg, Alumni	Member
16.	Mr. Ravi Yadav, Student – B.Tech 2nd Year ME	Member
17.	Mr. Pankaj Kumar, Napino, Gurugram	Member
18.	Mr. Shan Vats, Infosys, Banglore	Member
19.	Mr. Munish, Orient Electric, Faridabad	Member
20.	Mr. Vinod Kumar, Director, PNT Designs Pvt. Ltd, Kota, Rajasthan	Member
21.	Ms. Adshayasha Sahu, IBM, Gurugram	IQAC, Coordinator
22.	Dr. Manoj Malik, Associate Professor, School of Basic and Applied Sciences	Assistant Coordinator
23.	Mr. Deepak Kumar, IT Administrator, IT Department	

The agenda of the meeting is as under;

1. To apprise and approve IQAC minutes of meetings of 12th April, 2019 and Action Taken Report (ATR).

13.1 Academic preparedness in the Departments.

13.2 Motivate/Encourage faculty and students for joining online course.

13.3 Department Monthly Report.

13.4 Curriculum Enrichment.

13.5 MoUs with Institutions.

The ATR of the previous IQAC Meeting dated 12th April, 2019 was circulated and confirmed as per the points mentioned:

Sr. no.	Agenda Item	Action Taken/Processing
1.	To conduct Board of Studies (BOS) meeting before the commencement of the next semester for review/revision of scheme and syllabus.	BOS conducted in all the departments and the minutes forwarded to The Dean, Academics.
2.	To implement AICTE approved online course certification programme for teachers and students every semester.	Action taken and many students and faculty members successfully completed NPTEL online courses.
3.	Conduction of audit for the laboratories, training rooms, etc. to be scheduled during the forthcoming semester.	Audit carried out and completed during 11th April – 18th April 2019 and the reports submitted to The Dean, Academics.
4.	To conduct the stock taking and verification of Library resources and to obtain a plagiarism checking software.	Library audit conducted and Urkund software procured to deter plagiarism.
5.	Request to review the technology and features of alternate ERP software for implementation and devise strategy for software transition.	Appropriate action taken and additional/desired features added to the newly adopted ERP system.
6.	HODs were advised to maintain the records for all the activities held in the respective departments in detailed format	Action taken and a revised format drafted and forwarded to all HODs through The Dean, Academics.

S.No	Agenda	Discussion on Agenda	Responsibilities/Status
13.1	Academic preparedness in the Departments	The Dean, Academics requested all the HoDs to prepare a Departmental Academic Calendar and to follow it accordingly. There will be regular audit of Course files, Lab manuals etc.	The Dean, Academics & All HoDs.
13.2	Motivate/Encourage faculty and students for joining online course	Vice Chancellor advised all HoDs to motivate their faculties and students to join MOOC courses relevant with the recent trends.	All HoDs.
13.3	Department Monthly Report	Further, Vice Chancellor advised to submit monthly activities report by the end of every month to The Dean, Academics. The Dean Academics was requested to design and circulate the necessary format to all the Departments.	Dean (Academics) & All HoDs.
13.4	Curriculum Enrichment	The Dean, Academics suggested HoDs to update programme schemes and syllabus as per the feedback collected from various stakeholders.	All HoDs.
13.5	MoUs with Institutions	The Vice Chancellor advised all HoDs to establish MoUs with industries and other reputed Institutions for the benefit of the students and development of the department.	All HoDs.

The meeting ended at 01:30 PM with vote of thanks to all the members.

Dr. Manoj Malik
(Coordinator, IQAC)

16th IQAC Meeting **20th March 2020**

Minutes of the Special IQAC Meeting held on 20th March 2020

In the wake of COVID-19, a special and urgent meeting of the IQAC was called on 20th March, 2020 at 11.00 AM through online-mode. The objective of the meeting was to swiftly plan and implement the new working methods at all levels of the Vidyapeeth to continuously deliver education and services to all its stakeholders. Hon'ble Vice Chancellor, Chairperson IQAC chaired the meeting and the following members were present in the virtual meeting:

1.	Prof. (Dr). M. Luqman Khan, Vice Chancellor	Chairperson
2.	Mr. Zaved Akhtar, Controller of Examinations (CoE)	Member
3.	Mr. Prem Salwan, Registrar	Member
4.	Dr. Manoj Jain, Assoc. Dean (Academics)	Member
5.	Mr. Sanjay, Training & Placement-Head	Member
6.	Dr. Shikha Gupta, HOD, School of Basic & Applied Science	Member
7.	Dr. Prem Saini, HOD, School of Pharmaceutical Sciences	Member
8.	Dr. Iqbal Ahmed Khan, HOD, Department of Mechanical Engineering	Member
9.	Mr. Kiran Kumar, HOD-Department of Computer Science & Engineering	Member
10.	Mr. Mohd. Umair, Associate Professor, School of Architecture	Member
11.	Dr. Meenakshi Kaushik, HOD, School of Commerce & Management	Member
12.	Dr. Ankur Tyagi, HOD, School of Education	Member
13.	Dr. Md. Daniyal, HOD, Department of Civil Engineering	Member
14.	Dr. Shweta Bajaj, HOD-School of Law	Member
15.	Dr. Manoj Malik, Associate Professor, School of Basic & Applied Sciences	IQAC Coordinator
16.	Mr. Deepak Kumar, IT Administrator, IT Department	Assistant Coordinator-IQAC

Special Invitee:

1. Ms. Bindu Sharma – Chief Warden, Hostels
2. Dr. Dinesh Jawalkar – Assistant Warden, Hostels
3. Mr. Sandeep Kaul, DGM-PR
4. Mr. Harinder Rawat, The Head, Maintenance.

The agenda of the meeting is as under:

1. Academic delivery and other services during COVID-19
2. Conduction of pending Mid-Term examination
3. Adherence to COVID-19 protocols.
4. Safety of Hostel students.

The Coordinator, IQAC apprised the members about the advisory Memo No. 18/79-2020 UNP(4) dated 13th March, 2020 issued by Director General, Higher Education, Haryana on instructions for closing of all the offices in view of COVID-19 and subsequent release of notification through The Registrar, Lingaya's Vidyapeeth dated 13th March, 2020 regarding the closure of the Vidyapeeth offices till 31st March, 2020.

S.No	Agenda	Discussion on Agenda	Responsibilities/Status
16.1	Academic delivery and other services during COVID-19	The Dean Academics raised a concern about the non-conduction of classes during the closure period due to COVID-19. Various alternatives to deliver lectures were discussed in the meeting. It was unanimously decided that all the classes for various programmes will be conducted through online-mode. The Vice Chancellor directed the Dean Academics to frame the Standard Operating Procedures for the smooth functioning of the classes. Further, the Vice Chancellor advised the HoDs to submit the online class conduction plan and report to The Dean Academics.	The Dean Academics & HoDs.
16.2	Conduction of pending Mid-Term examination	The COE raised the concern about the pending mid-term examination due to the University closure during COVID-19. It was decided to conduct the remaining Mid-Term Examination after the opening of the University on 31st March, 2020. Additionally, the Vice-Chancellor advised the COE to formulate and look into the aspects of online examination in case the COVID-19 situation remains unchanged.	The COE.
16.3	Adherence to COVID-19 protocols.	The Registrar apprised the members that, to safeguard the health and safety of the students	The Registrar, DGM-PR & Head, Maintenance.

		and employees, all precautionary and preventive measures as per the advisory issued by the GOI have been strictly followed at the Vidyapeeth. The Vice Chancellor appreciated the efforts taken by the Registrar and further encouraged to implement the COVID-19 precautionary and preventive measures on regular basis in the University campus.	
16.4	Safety of Hostel students.	The Vice chancellor advised the Hostel Wardens to ensure the safety measures for the hostel students and to take care of their Mess facilities. The Registrar and The Head, Maintenance were advised to extend all the necessary support to the Hostel Wardens.	The Registrar, Head-Maintenance & Hostel Wardens.

Further, the Vice Chancellor advised The Registrar, Heads and Incharges of various offices of the University to keep abreast with the COVID-19 guidelines and instructions issued by the GOI and other statutory bodies and implement the same from time to time.

The meeting ended at 02:00 PM with vote of thanks to all the members.

17.2 End-Term Examination preparedness.

17.3 Any other point with the permission of Chair.

1. Action Taken report (ATR) of previous IQAC meetings is as follows:

S.No	Agenda	Action Taken
15.1	Academic and Administrative Audit report	The Registrar apprised to the Chair that the academic and administrative audits for the session 2019-20 could not be conducted due to COVID-19 lockdown. The Chair advised to conduct the audits as and when the normal working in the University resumes.
15.2	Encourage faculty members for E-Content	The Assoc. Dean, Academics informed that during the lockdown period all the faculty members conducted online classes and shared e-content and relevant study material with the students. Some of the faculty members have also uploaded the e-content on the University website. Further, the faculty members were advised to develop E-content of their respective subjects for the next semester.

S.No	Agenda	Action Taken
16.1	Academic delivery and other services during COVID-19	The Assoc. Dean, Academics informed the chair that the University adopted online teaching mechanism for all the programmes and a revised academic calendar for the even semester online class conduction during the COVID-19 lockdown was circulated to all the Departments. Further, the faculty members have submitted class conduction report through the respective HODs on regular basis.
16.2	Conduction of pending Mid-Term examination	The COE informed the chair that the pending mid-term examinations due to the declaration of lockdown were conducted through online mode.
16.3	Adherence to COVID-19 protocols.	The Registrar apprised to the Chair that the University is strictly adhering to the COVID-19 safety measures and protocols on regular basis.
16.4	Safety of Hostel students.	The Registrar apprised to the Chair that all necessary support and services have been provided to the hostel students during the lockdown.

S.No	Agenda	Discussion on Agenda	Responsibilities/Status
17.1	Feedback from students regarding online class conduction.	The Chair raised a query regarding the students' feedback on online class conduction and advised The Assoc. Dean, Academics to conduct the same through online mode.	The Assoc. Dean, Academics.
17.2	End-Term Examination preparedness.	The Chair asked the COE regarding the preparedness for the conduction of End-Term examination through online mode. The COE apprised to the Chair that the University is following the UGC Guidelines on Examinations for the Universities in View of COVID-19 Pandemic and ensured that the University is prepared to conduct the end-term examination through online mode from 6th July, 2020. In this regard, the detailed instructions to students, Invigilator(s)/ Class Coordinator(s)/ Faculty members for online examination will be circulated in due course of time. Additionally, a training/workshop session of online examination for faculty members and students is scheduled before the commencement of the examinations.	The COE and The HoDs to ensure smooth conduction of the online examinations.

The meeting ended at 1:00 PM with vote of thanks to all the members.

Dr. Manoj Malik
(Coordinator, IQAC)

Amendment in the Promotion Scheme of the students

Promotion Scheme for courses haing 4 years courses :B.Tech/B.Arch

Promotion to Semester 2	Automatic
Promotion to Semester 3	Automatic
Promotion to Semester 4	Automatic
Promotion to Semester 5	All the subjects of Semester 1 should be clear (N-4 rule)
Promotion to Semester 6	All the subjects of Semester 2 should be clear (N-4 rule)
Promotion to Semester 7	All the subjects/proper of Semester 3 should be clear (N-4 rule)
Promotion to Semester 8	All the subjects/proper of Semester 4 should be clear (N-4 rule)

Promotion Scheme for 3-Years programme
(B.Sc (Hons)/B.A/B.Com/BCA/BBA)

Promotion to Semester 2	Automatic
Promotion to Semester 3	Automatic
Promotion to Semester 4	All subjects of semester 1 should be clear (N-3 Rule)
Promotion to Semester 5	All subjects of semester 2 should be clear (N-3 Rule)
Promotion to Semester 6	All subjects of semester 3 should be clear (N-3 Rule)

Amendment in the Ph.D Regulations of Lingaya's Vidyapeeth

Regulations for Award of the Degree of Doctor of Philosophy (Ph. D)

1. ADMISSION ELIGIBILITY

(i) Ph. D in Engineering / Technology or related disciplines

For admission to Ph. D Programs in Engineering/Technology or related disciplines, the candidate must have minimum 60% marks or minimum grade equivalent to 60% marks in M.E./ M. Tech in relevant disciplines.

(ii) Ph. D in Management, Pharmacy and Non-Engineering Disciplines

For Ph. D Programs in Management, Pharmacy and Non-Engineering fields like Sciences, Humanities, the candidate must have minimum 55% marks in qualifying examination (s).

Provided that if a Department/School desires to incorporate additional eligibility requirement to cater to the specific need of the course, the concerned DRC (Departmental Research Committee) will be authorized to do so.

2. ADMISSION PROCEDURE

(i) The interested candidates should apply through a formal Application Form as prescribed/ available on the Website of the University or from the Accounts Section of the University.

(ii) Admission Entrance Test shall be conducted by the University as per syllabi of various courses available on the Website of the University. After the written test, interview shall be conducted for the candidates qualifying in the written examination for selection of candidate(s), to the course.

(iii) Candidates who have qualified in UGC / CSIR (JRF) Examination / GATE / M .Phil (As a Regular Candidate from UGC Recognized University for admission to non-engineering disciplines), may not be required to appear for Entrance Test of the University. However, their appearance in the interview shall be mandatory for admission for such category candidates.

(iv) A merit list will be prepared for admission based on the marks obtained in the written Test and Interview; for candidates who have been exempted from the Entrance Test as in Para (iii) above.

(v) Admission may be made twice a year- Winter Session and Summer Session. The exact dates shall be notified on the Website of the University.

(vi) Only a pre-determined number of students, depending upon available facilities shall be selected for admission to the Ph. D program.

3. DURATION OF Ph. D PROGRAM

(i) Duration of Ph. D programme in all disciplines will be of minimum 3 years (Including Course Work) and maximum of 5 years.

(ii) However, in special circumstances, Vice Chancellor on the recommendation of DRC may grant extension up to one more year.

(iii) The duration of the Ph. D Program shall be counted from the date of Registration to the date of Ph. D Thesis submission.

4. WITHDRAWAL FROM PH. D PROGRAM

A student who has been admitted to a Doctoral Program of the University may be permitted to withdraw temporarily for a period of one semester or more, due to some valid reasons, provided:

(i) He/she applies to the University, stating fully the reasons for a short break together with supporting documents.

(ii) There are no outstanding fees/dues or any other financial demands.

(iii) Scholarship holders are bound by the appropriate rules of the funding agency as applicable to them.

(iv) The decision of the VC, regarding withdrawal / short break of a student is final and binding.

5. ENTRANCE TEST

(i) The syllabus for the Entrance Test shall be as prescribed by the University from time to time and shall be displayed on the University Website.

(ii) The Entrance Test shall be conducted at the Campus of University.

6. Departmental Research Committee (DRC)

For each Research scholar, there will be one Departmental Research Committee at Department level. The Dean (Academic) of the University will initiate the process of constituting the DRC for each research scholar with the approval of Vice Chancellor. The Constitution of DRC shall be as follows:

(i) The concerned Dean of the School **Chairman**

(ii) The concerned HOD of the School **Member**

(iii) Ph. D Supervisor and Co-Supervisor; **Members**

(iv) One faculty member, not below the rank of Associate Professor of the University; **Member**

(v) One External Expert in relevant area approved by VC **Member**

Subject to the overall guidance of the Academic Council, the DRC shall perform, the following functions:

(i) To review the current status of research of the Ph. D Scholar and critically examine the progress from time to time in every six months.

(ii) To recommend to the Vice Chancellor to appoint the examiners for evaluating the Ph. D Thesis of the Research Scholar;

(iii) To perform such other functions as may be assigned to it by the Academic Council.

(iv) The DRC shall meet at least twice a year.
(v) The Quorum of the DRC shall be half of the total members. In case, the External Member is unable to attend the meeting, his views may be taken in writing and put up before the Committee.
(vi) The term of Office of the members shall be for a period of two years.

7. COURSE WORK

(i) All candidates provisionally admitted to Ph. D program shall have to complete the 'Course Work' of 12 Credits on the Campus for a minimum duration of one Semester.
(ii) The maximum duration to complete the Course work shall be TWO years failing which the registration of the Scholar shall be cancelled.
(iii) Minimum CGPA requirement for the Course Work shall be 5.3.
(iv) The Course Work shall consist of the following:
   a) Research Methodology Course which shall be compulsory for all the Scholars;
   b) Literature Survey Course will be done on the basis of power point presentation. The assessment will be done by DRC.
   c) Two Courses related to the Departmental subjects as recommended by the Supervisor and approved by BOS.

8. ELIGIBILITY CRITERIA FOR Ph. D SUPERVISOR/CO-SUPERVISOR

(i) A Ph. D Supervisor must hold Ph. D Degree.
(ii) There could be more than one person supervising a Ph. D Scholar. In such cases, main supervisor should be from parents University.
(iii) The Co-Supervisor can be external (from other Institution or Industry). However, in case of an External Co-Supervisor, he/she should meet all criteria for being supervisor. Name of Co Supervisor should be approved by VC.

9. APPROVAL OF RESEARCH PROPOSAL

(i) Upon successful completion of the course work, a Research Scholar shall be required to make a presentation of his/her literature review before the DRC. The Research Proposal should cover the following aspects:

   a) Outline of research proposal
   b) Current state of the literature related to the proposed topic
   c) Summary of the current technology/developments
   d) Proposed Methodology
   e) References
   f) Name of the Supervisor and Co-Supervisor

10. PERFORMANCE MONITORING/PROGRESS REPORT

(i) The academic progress of each Research Scholar shall be monitored by the DRC. For this purpose, each research scholar shall submit a progress report at the end of each semester to his Supervisor.

(ii) The DRC after having considered the progress report of each Research Scholar, shall recommend one of the following course:

a) Continuation of registration;
b) Continuation of registration with issuance of a warning to the research scholar suggesting steps necessary to improve his/her performance in consultation with the Supervisor(s);

11. SUBMISSION OF SYNOPSIS

(i) On completion of the research work as verified by the Supervisor(s), a research scholar shall be eligible to submit the Synopsis provided he has published at least two research papers in ~~a~~ refereed research Journal as approved by DRC / indexed in a reputed database published by the University.

(ii) For this purpose, he/she shall be required to submit 8 copies of the Synopsis of his/her research work including bibliography to the DRC through his Supervisor(s). Thereafter, the scholar will be required to make a presentation before the DRC.

12. SUBMISSION OF Ph. D THESIS

(i) The research scholar shall submit the thesis within six months of the acceptance of the Synopsis. However, in case he fails to submit his thesis within the stipulated time period and has suitable justification for the same, the VC may, on the recommendations of DRC, grant an extension of not more than 6 months i.e. he/she may be allowed to submit his/her thesis within a period of one year from the date of acceptance of the synopsis.

(ii) The thesis shall be a piece of research work characterized either by discovery of new facts or enunciation of a new theory or theories or by fresh interpretation of known facts. It shall bear evidence of the research scholar's capacity for analysis and judgment as well as his ability to carry out independent investigation, design or development. Further, no part of the thesis or published work shall have been submitted for the award of any other degree.

(iii) The research scholar shall submit a certificate from his Supervisor(s) in the prescribed format that the work embodied in the thesis entitled "_____" is original and has been carried out by the scholar and that it has not been submitted earlier in full or in part for the award of any other diploma or degree of this or any other University.

(iv) The preparation of the Thesis shall be in accordance with the format prescribed by the University.

(v) It will be the responsibility of the Supervisor(s) and the Research Scholar to get the Thesis checked on one of the globally acceptable 'plagiarism checking software' approved by the University to ensure that the plagiarism levels do not exceed 15% overall.

13. APPOINTMENT OF EXAMINERS

(i) The Research Supervisor(s) shall suggest a panel of at least 6 experts in the subject area of research work out of which 3 Experts shall be from Universities.

(ii) A person from the same University/Institute/Organization where the research scholar is employed shall not be appointed as an examiner. Further, a person from a University/Institute/Organization to which the Supervisor/Co-Supervisor of the research scholar belongs, shall not be appointed as an examiner.

(iii) On receipt of the title and synopsis of the thesis, the Dean of the School shall send the panel of examiners as accepted by the DRC to the Vice-Chancellor who shall appoint two examiners, out of whom one may be from outside India.

(iv) In case one or more examiner appointed decline to examine the thesis, another examiner(s) out of the panel shall be appointed. In case the panel gets exhausted, DRC shall recommend additional names.

14. AWARD OF PROVISIONAL DEGREE

In case the research scholar is found to be qualified for the award of Ph. D by the DRC and its recommendation is approved by the Vice Chancellor, a provisional degree shall be issued by the University on request only by Research Scholar after making corrections as suggested by the DRC.

15. WITHDRAWAL OF AWARDED PH. D DEGREE

Upon complaint in writing about copying of a major portion of the Ph. D thesis and upon investigation by a committee duly appointed by VC if the complaint is found to be correct, VC may withdraw the Ph. D degree already awarded.

Policy for Re-appear Examination

Re-appear examinations of the odd semester courses will be conducted in odd semester of the Academic year.

Re-appear examinations of the even semester courses will be conducted in even semester of the Academic year.

This policy applicable to students of all programmes/enrolled in the Academic year 2019-20

LIST OF FACULTY MEMEBRS

S.NO	Name of the Full-time teachers	Designation
Department of Mechanical Engineering		
1	A.P.R. Sriniwas	Assistant Professor
2	Ashutosh Kumar	Lecturer
3	Bharat Raj Bundel	Professor & Equivalient
4	Bhavik Kuchipudi	Assistant Professor
5	Deeksha Sharma	Assistant Professor
6	Gautam Saini	Assistant Professor
7	Iqbal Ahmed Khan	Professor & Equivalient
8	K. Srinath	Assistant Professor
9	Kamlesh Kumar Singh	Assistant Professor
10	Khushboo Kakkar	Assistant Professor
11	Megha Rani	Assistant Professor
12	Mohd. Zaheen Khan	Assistant Professor
13	Neha Rawat	Assistant Professor
14	Nidhi Gupta	Assistant Professor
15	Prashant Rawat	Assistant Professor
16	R.C. Panda	Assistant Professor
17	R.K.Deb	Assistant Professor
18	Rajesh Kumar	Assistant Professor
19	Ritesh Sharma	Assistant Professor
20	Sagar Rai	Assistant Professor
21	Santosh Kumar Singh	Assistant Professor
22	Saurabh Singh	Assistant Professor
23	Sugumar S	Assistant Professor
24	Vaibhav Vayas	Assistant Professor
25	Vinay Chandra Jha	Professor & Equivalient
26	Vishwanath Kumar	Assistant Professor
Department of Electronics & Communication Engg.		
27	Alok Agarwal	Associate Professor
28	Alok Singh Kushwaha	Assistant Professor
29	Javalkar Dinesh Kumar	Assistant Professor
30	Jyoti Bala	Assistant Professor
31	Kanhaiya Tripathi	Assistant Professor
32	Kapil Kumar	Assistant Professor
33	Krishan Kumar Sharma	Associate Professor
34	Pamela Chawla	Professor & Equivalient
35	Pragati Kapoor	Professor & Equivalient
36	Rajeev Kumar	Assistant Professor
37	Rakesh Choudhary	Assistant Professor
38	Ramesh Chandra Soni	Professor & Equivalient
39	Ranjeet Kumar	Assistant Professor

40	S.V.A.V.Prasad	Professor & Equivalent
41	Sunil Bisht	Associate Professor
Department of Computer Science & Engineering		
42	Aastha Budhiraja	Assistant Professor
43	Amit Kumar Tyagi	Assistant Professor
44	Anshu Sharma	Assistant Professor
45	Divanshi Priyadarshni Wangoo	Assistant Professor
46	Garima Saini	Assistant Professor
47	Gori Shanker Jhamb	Assistant Professor
48	Jaishri Gothania	Assistant Professor
49	K.M. Anjli	Assistant Professor
50	Kajal Rathore	Assistant Professor
51	Khushboo	Assistant Professor
52	Kiran Kumar	Assistant Professor
53	Komal Malsa	Assistant Professor
54	Lalit Malik	Assistant Professor
55	Latha Banda	Associate Professor
56	Manoj Kr. Jain	Assistant Professor
57	Meenu Gupta	Assistant Professor
58	Meghna Chuadhary	Assistant Professor
59	Neha Sewal	Assistant Professor
60	Nitasha Soni	Assistant Professor
61	Pavitra P. Kinni	Assistant Professor
62	Preety Mahajan	Assistant Professor
63	Pritika Taggar	Assistant Professor
64	Priyanka	Assistant Professor
65	Priyanka Rawat	Assistant Professor
66	Rajib Guha Thakurta	Assistant Professor
67	Ramesh Chandra Tripathi	Professor & Equivalent
68	Ria Pinto	Assistant Professor
69	Ridhika Sharma	Assistant Professor
70	Rishu Gulati	Assistant Professor
71	Sanjana Chawla	Assistant Professor
72	Sarika	Assistant Professor
73	Shilpi Singh	Assistant Professor
74	Shivani Bansal	Assistant Professor
75	Sivaraman	Assistant Professor
76	Sonia Setia	Assistant Professor

REPORT ON VARIOUS ACADEMIC ACTIVITIES

(A) The Academic session for ODD Semester 2019-20 started on 29th July 2019 for senior classes and on 19th August for newly admitted students. All the academic activities for continuous evaluation such as Quiz based assignments, Mid Semester examination (23rd-30th September, 2019) in all courses of all Schools/ Departments were conducted strictly as per the Academic Calendar of the University.

Feedback of students on teaching learning was taken in 3rd week of October. Faculty wise feedback was analyzed in detail on different aspects. Based on the feedback, teachers were informed about their strengths and weaknesses in a confidential manner to improve the quality of teaching

Detention List of Students for ODD Semester 2019-20, due to shortage of attendance, was prepared by the academic Department with the help of Schoofi software which was used for marking the attendance and was confirmed by all departments. Students having 50% or more but less than 75% were given one more chance to improve their attendance by attending specialclasses for 2-4 weeks and students were able to improve their attendance and finally total 26 students were detained due to shortage of attendance

As per the Academic Calendar of the University, End Semester Exam for ODD semesters started from 27th Nov 2019.Centralised Evaluation work of Answer Books for all examinations was started simultaneously by faculty members and results were prepared and published within stipulated time frame. Results were uploaded on University website on January 6th 2020.

Dates of various academic activities of even semester 2019-20 was finalized well in advance and circulated to all the Departments for information and suggestions, if any. This Academic calendar of important activities was circulated to all Deans, HODs and Faculty members. Regular classes of even semester started on 16th Dec, 2020. Registration of students for new semester was done online

Course work examination for 2018-19 winter admitted PhD scholars was conducted from 20 to 23 August, 2019 and result was declared on 24th September. Course work Examination for 2019-20 summer batch PhD scholars was conducted from 18 to 20 Feb 2020.

(B) Orientation'2019

Orientation'2019 was organized at **Lingaya's Vidyapeeth, Faridabad on 16** August, 2019. As per the culture of Vidyapeeth, every academic Year University organizes Orientation for new registered students of various disciplines. The event was organized by briefing rules and regulations to new students of Lingaya's Vidyapeeth, sharing experiences of our Alumni students and continued with cultural programs in auditorium. Later all students went to take a round of Vidyapeeth and their respective departments for departmental visit

(C) Merit Based Scholarship/Award

To encourage the meritorious students, as per the policy of Vidyapeeth, merit based scholarship/awards were given to undergraduate and postgraduate students based on their CGPA in previous year. The students are selected for Merit based scholarship from each course on the basis of their accumulated CGPA (YGPA) of two semesters of previous Year. Two (1st & 2nd) toppers from each course in each Dept./School were given certificate of merit and cash prizes.

(D) Convocation 2019

The Eighth convocation of Lingaya's Vidyapeeth was held on 4th October, 2019 for awarding degrees to all successful students and scholars of batch passed in 2019. Prof (Dr.) K.K. Aggarwal, Chairman, National Board of Accreditation was the Chief Guest. Total 687 students were awarded degrees. Toppers from all streams were awarded Gold medals, cash prizes and Merit Certificates. Ms. Priyanka , Roll no- 16B.COM018 with CGPA 9.83 from School of Commerce & Management in Non-Technical programme and Mr. Tadepalli Mahesh Roll no 15CE014 with CGPA 9.63 in Technical Programme were honored with Chancellor Gold medal

(E) INFOSYS Campus Connect Program

Lingayas Vidyapeeth has signed a MOU with INFOSYS for Campus Connect which is valid up to 30.03.2020. The following subjects are running under INFOSYS Campus Connect programme in Department of Computer Science and Engineering.

1. Object oriented Programming
2. Computer software testing
3. Advanced database mgmt. systems
4. Web technologies
5. Database management systems
6. Cloud computing

REPORT ON EXTRA AND CO- CURRICULAR ACTIVITIES

ZEST 2019 (8TH AND 9TH NOVEMBER 2019)

The Annual Cultural Fest "Zest", this time with the theme "Jazbaa", was organized at the Lingaya's Vidyapeeth on the 8th and 9th November 2019.

Zest has always famed itself to attract the best student's talents from various Colleges, Universities and Institutions. Jazbaa has succeeded in leveling the game up this year! In a bid to promote hidden talent of the students and celebrate the zeal of the youth, a two day Zest was organized. The event was a synergy of the youth creativity and talent quotient. "Jazbaa", as the name indicates was organized with an aim to applaud the vigour, zeal and enthusiasm in the students. It gave a platform to the youth to bring to the fore their potential to develop and showcase their communication, leadership and extra- curricular qualities and passion.

Healthy competitions in various events like Fashion Show, Music, Dramatics, Dance, Theater Play, Literary events and Informal were witnessed. Several colleges participated with immense pleasure and competitive spirit in this Mega event. Inauguration by Rahul Roy and the "Star night" by the versatile Aastha Gill were definitely the highlight of the event.

The spectators were thrilled and engaged with the two day events especially the Fashion Show, Mr. &Ms. Zest, Dances, Music and the most awaited Star Night-live performance by Aastha Gill followed by a heart filling dinner

NSS ACTIVITIES 2019-20

National Service Scheme (NSS) programme aims to instil the idea of social welfare in students NSS helps the students to grow individually and also as a group making them confident, development of leadership skills and gain knowledge about different walks of life .In Lingayas Vidyapeeth, NSS activities are conducted throughout the year, some of activities conducted in 2019-20 are

- **Visit to NGO-"NAYI RAHEIN'' on 30.12.2019**

Annual Sports Day on 20th of February 2020

Annual Sports Day is an important event in every student's life. The Annual Sports Day for Lingaya's Vidyapeeth was conducted on 20th of February 2020. As usual a great deal of planning, practicing and hard work had gone into organizing this event filled day. The sports day began enthusiastically with a welcome of our Chancellor and Vice Chancellor. Chancellor Sir inaugurated the sports day by flag hosting and by taking the salute of the impressive March Past of the students. It was followed by various events lined up for the day. The one day sports meet involved the enthusiastic participation of all the students. The students actively participated in both track and field events. Field event like Athletics, Basket Ball, Football, Volley Ball, Kabaddi, Kho-Kho and Cricket were conducted, where active participation was seen. Indoor games like Table-Tennis, Badminton were taken up by both boys and girls. The ground was filled with cheer, gaiety and excitement as each event's results were announced. The list of the winners of the various events are-

POLICY AND PROCEDURES TO MAINTAIN AND UTILIZE PHYSICAL ANDACADEMIC SUPPORT FACILITIES IN THE CAMPUS

- The Lingaya's Vidyapeeth has a defined process, procedures and monitoring mechanisms to ensure proper maintenance and utilization of infrastructure, library, sports, laboratories, classrooms, seminar halls, auditoriums, lifts and other service installations.

- The academic requirements in classrooms, laboratories and other infrastructural resources are identified at the start of each semester. The Labs catering to the needs are provided with advanced computers with LAN and Internet with Wi-Fi access. All repair, maintenance and upkeeps of labs are maintained by their lab in-charges/technical support. Maintenance work is undertaken during weekend on the basis of periodical report.

- Library: library has a good collection of Text Books, Reference Books, journals, magazines, etc. A provision of the budget for the library maintenance is made by the management. Faculty recommends the desired titles to the library and are procured from time to time. In addition, the library at Departmental level fulfil the specific needs of students and teachers.

- Transport: The University has a transport facility managed by administration to ensure the buses, vans, ambulances and cars are maintained properly efficiently. Ambulance is available in the campus 24 X 7 for students and faculty to meet any emergency.

- Work Shops: Periodic report on requirement of repairs and maintenancein Workshop are raised by the departments and forwarded to Administration office for compliance.

- Sports Complex: • Various sports facilities are available and being used regularly for competitions practice. The indoor and outdoor game are facilities regularly monitored and reports are submitted to Manager administration for its upkeep, repairs and maintenance.

- Computers: An IT cell headed by a senior member to oversee the procurement, maintenance, repairs and replacement of digitalized systems like computers, laptops, projectors, audio -visual devices etc.

There are adequate number of the latest configuration computers with internet connections, Wi-Fi facility, connected through LAN and the utility software's installed in administrative offices, department laboratories, library etc. Hi-Tech Surveillance System with HD cameras along with day/night facility recording in a control room and maintained by IT.

- Classrooms: An emphasizes on quality class room with all the basic facilities like fans, lights, proper furniture and ventilation etc along with separate girls' and boys' common room and medical centre. An impressive air-conditioned auditorium 1500 capacity managed by Manager Administration boosts for academic functions and cultural events. All classrooms are cleaned on regular basis by housekeeping department. The supervisors of the building are also responsible for the maintenance of the buildings and physical facilities.

- Electrical Maintenance: • A department for monitoring the power distribution system. 11 KVA substation, Gensets 720KVA, solar panel 250KW etc. are undertaken as per the maintenance schedule.

- Banking/ATM facility and services • Cafeteria facility • Books and Stationary facilities, Reprographic services etc.

Examination Reforms at Lingaya's Vidyapeeth

The current status of automation related to examination activities for faculties and students is as follows:

S. No.	Description	Status
1.	Enrolment of students	Online/ Offline
2.	Registration of courses	Online/ Offline
3,	Uploading of question bank	Digital
4.	Information regarding examination schedule to students	Online
5.	Uploading of Continuous Assessment, Mid- and End- Semester Examinations marks	Online
6.	Display of Continuous Assessment and Mid-Semester Examination marks in student's login (Engineering & Technology and Vocational etc.) through LMS	Online
7.	Generation of admit cards	Online
8.	Generation of verification cards	Online/ Offline
9.	Declaration of results	Online
10.	Payment of fees for re-evaluation, improvement exam, backlog papers, etc.	Online/ Offline
11.	Grievance redressal	Online/ Offline

Infrastructure Report of Lingaya's Vidyapeeth

1. Introduction Lingaya's Vidyapeeth is located in Faridabad at Nachauli on Old Faridabad-Jasana Road. The university's sprawling campus, set amidst green pastures, provides a pollution-free environment that is conducive to both academic and recreational activities. The total built-up area of the university is over 97,500 sqm, with an additional 14,309 sqm in various stages of construction. This report aims to provide an in-depth look at the various infrastructural facilities that make Lingaya's Vidyapeeth a modern educational institution.

2. Academic Infrastructure The university boasts state-of-the-art academic facilities spread across its well-designed academic blocks. These blocks are equipped with air-conditioned lecture halls, tutorial rooms, seminar halls, and faculty offices that facilitate interactive learning and research.

Lecture Halls and Seminar Rooms
The classrooms and seminar halls are equipped with modern teaching aids, such as LCD projectors, smartboards, and sound systems, to ensure that lectures, presentations, and seminars are of the highest quality. With spacious seating arrangements, the classrooms encourage student participation and are well-ventilated to maintain a conducive learning environment.

Laboratories and Workshops
To support practical learning, the university has a series of well-furnished laboratories and workshops for students enrolled in science, engineering, and technology courses. These include specialized labs for fields such as Mechanical, Electrical, Civil, and Computer Engineering. The labs are equipped with the latest machinery and technology, allowing students to gain hands-on experience in real-world scenarios.

3. Library Facilities The central library at Lingaya's Vidyapeeth serves as an essential academic resource for both students and faculty members. With a vast collection of over 150 national and international journals and more than 1.7 million online documents through databases such as IEEE, ScienceDirect, and DELNET, the library provides ample resources for research and academic exploration.

Physical and Digital Resources
In addition to books, the library offers a comprehensive collection of e-resources that support the academic programs across all disciplines. The reading areas are spacious and designed to foster a quiet, comfortable atmosphere for learning. The library's digital section ensures access to a wide array of online academic content.

4. Computing and IT Infrastructure The university's computing facility serves as a central hub for students and staff requiring access to computing resources. The facility is air-conditioned and houses high-performance computers with updated software required for various academic programs. The 24/7 Wi-Fi network across the campus ensures seamless internet access for all students and faculty, supported by a fibre-optic-based network backbone.

Data Security and IT Support
To maintain data security and operational efficiency, the university has dedicated IT support to handle any technical challenges. All academic and administrative buildings are connected through a secure local area network (LAN), ensuring high-speed connectivity for both academic work and administrative operations.

5. Residential Facilities Lingaya's Vidyapeeth provides on-campus hostel facilities for both male and female students, designed to offer a comfortable living environment with all necessary amenities.

Hostel Infrastructure
The air-conditioned and non-air-conditioned hostels are equipped with Plasma TVs, common rooms, guest rooms, and 24-hour hot water facilities. The hostels have round-the-clock power backup, a gymnasium, and Wi-Fi connectivity. The boy's hostel even includes a swimming pool, offering students recreational opportunities in their free time.

Mess and Cafeteria
The campus includes a large cafeteria that serves both vegetarian and non-vegetarian meals, catering to students' diverse dietary preferences. The mess facility is air-cooled and ensures hygienic preparation and service of nutritious food, contributing to the overall well-being of the students.

6. Sports and Recreational Facilities The university promotes a healthy lifestyle by offering a variety of sports and recreational facilities, including indoor and outdoor play areas.

Playgrounds and Gymnasium
The campus includes several well-maintained sports grounds where students can engage in sports like football, cricket, basketball, and tennis. A fully equipped gymnasium is also available, with modern fitness equipment and professional trainers for students who wish to maintain their physical fitness.

Student Activity Centre
The student activity centre serves as a hub for extracurricular and co-curricular activities. It hosts various clubs and societies, offering students a platform to showcase their talents in fields such as performing arts, literature, and debate.

7. Auditorium and Conference Facilities Lingaya's Vidyapeeth is home to an air-conditioned auditorium with a large seating capacity, making it an ideal venue for large-scale events such as conferences, cultural programs, and seminars.

Seminar Halls
Equipped with the latest projection and sound systems, the seminar halls provide a platform for academic discussions, paper presentations, and guest lectures. These halls are often used for conferences and workshops that help broaden students' exposure to industry experts and academic leaders.

8. Transportation Facilities For students and faculty commuting from various locations in the National Capital Region (NCR), the university offers a well-organized transportation service.

Bus Services
The air-conditioned buses cover major locations in Faridabad, Delhi, and NCR, ensuring a comfortable and safe commute for students and staff. The transportation service is well-coordinated to match class schedules, making it a reliable and convenient option for students living off-campus.

9. Medical and Emergency Services Lingaya's Vidyapeeth ensures the health and safety of its students by providing a 24/7 medical facility on campus. A qualified medical officer is always available to handle routine medical check-ups and emergencies. In case of more serious medical issues, the campus has an ambulance on standby for immediate evacuation to the nearest hospital.

Sickbay and First-Aid
The sickbay, located in the hostel area, provides basic first-aid and medical care to students. The medical room is well-equipped and maintained, ensuring that students have access to immediate healthcare when required.

10. Environmental and Sustainable Initiatives The green, pollution-free environment of Lingaya's Vidyapeeth is one of its defining features. The university has implemented several sustainable initiatives to maintain the ecological balance on campus.

Energy Conservation and Waste Management
Solar panels are used to supplement the energy requirements of certain areas on campus, and rainwater harvesting systems have been installed to conserve water. Waste segregation practices are encouraged, and there are dedicated disposal systems for hazardous materials, ensuring that the campus remains eco-friendly.

The infrastructure at Lingaya's Vidyapeeth is designed to support the holistic development of its students, from academic learning to physical well-being and extracurricular engagement. With its state-of-the-art facilities and commitment to sustainable growth, the university stands out as a premier institution offering a comprehensive educational experience. The campus, with its modern infrastructure and diverse facilities, provides a conducive environment for learning, innovation, and personal growth.
