(Late) Prof. G.V.K. Sinha, Founder Chairman, Lingaya's Group

Prof. V. K. Sinha, a unique educationist with remarkable insight into technical education and

great expertise in managing the human resources, was a self-made icon in the field of technical and management education. With a B. Tech Degree he took up the career of a lecturer, climbed up the ladder as Head of the Department, Asst. Director and then the Principal in various reputed technical institutions in New Delhi; and later a full time Consultant of AICTE, New Delhi. Everywhere Prof. Sinha dedicated himself to explore and contribute the best for the noble cause of education. With

grace and humanitarian values Prof. Sinha finally reached to the peak of his career as the Chairman of Lingaya's Group, set up by him in memory of his father, the great freedom fighter Shri Lingaya Gadde. His expertise in technical education, skill in managing human resources, exposure in audio-visual and resource centres, insight curriculum review and efficiency in training and placement enabled him to make LIMAT the most preferred educational institution for the aspiring professionals in Delhi NCR. LIMAT was the living legend of Prof. Sinha's noble goal and higher vision in the field of Education. In recognition to his excellent achievements in the field of Technical Education, the LIMAT was upgraded to Lingaya's University with approval from the MHRD, Govt of India under Section 3 of UGC Act, 1956.

Prof. Sinha left us for the heavenly abode on 6th June, 2011. May the departed soul rest in peace! Let us pay tribute to Prof. Sinha with a pledge to uphold and keep up his spirit and vision on Education.

“Par Excellence with Human Touch”

DR. PICHESWAR GADDE, CHANCELLOR

I am immensely ecstatic in welcoming you to Lingaya's Vidyapeeth (a deemed to be University u/s 3 of U.G.C. Act 1956), Faridabad. With a rich history of its inception and a legacy of 25 years in academics & research, I feel great sense of pride in mentioning that Lingaya's Vidyapeeth has always been a paradigm of academic & research excellence with special focus on holistic development of students so that they become future-ready.

Though the pandemic has its detrimental impact on both the physical and the mental health of people and organizations; nonetheless, Education is one of the major fields where it has opened avenues for thoughtful discussions and informed decisions and that is why Lingaya's Vidyapeeth is committed to making all possible efforts in being the harbinger of a new era in the domain of higher education. We at Lingaya's Vidyapeeth believe in nurturing the talent of young minds. However, we also believe that the efforts of our students need to be in the right direction in order to be successful and that is why we provide the best of curriculum, innovative teaching methodology, state-of-the-art infrastructure, the latest in technology, hand-picked international collaborations & tie-ups and the expertise of academic stalwarts and industry doyens. A sprawling salubrious campus situated in the serene green pastures and pollution-free sylvan surroundings provide the best learning environment.

I would be delighted to have you onboard a personally exciting and professionally enriching journey at the Lingaya's Vidyapeeth that will bring many invaluable learning opportunities in the near future. I look forward to welcoming you in the coming months to join us in this journey. You will be experiencing many new insights and will take back several impressions as you make enduring friendships and long-lasting associations during your time with us and even beyond that as an alumnus.

Diversity and inclusivity are two major strengths and we foster a community that is free of intolerance and discrimination.

Let me thank you all once again for your extended support in making Lingaya's a brand and a chosen institution by many students, parents & researchers. I invite you once again to join the Lingaya's community – Choose to know...Choose to grow!

Wishing the students success and a bright career ahead.

MR. BHAVIK KUCHIPUDI, DIRECTOR, LINGAYA'S GROUP

Welcome to Lingaya's Vidyapeeth, Faridabad and thank you for showing your interest in us. On behalf of our entire staff, it is a pleasure to welcome you to Lingaya's Vidyapeeth. I hope you will take a moment to read through our mission and goals. We strive to provide services and programs that will aid in the professional development of our students to make them strong candidates for our local, state, national and international workforce as well as graduate and professional school programs around the world. Finally, it is our pleasure to provide services for employers that make it easy to find the best and the brightest students in the country for internships and full-time positions.

As the director it is a privilege for me to work with a staff of distinguished career professionals. Together we creatively address issues and look for innovative approaches to meeting

the needs of our Vidyapeeth.

In this fast growing era of Science and Technology, the pressure of performance and quality apply to all Universities, and the artful handling and showing excellence in all the endeavors makes Lingaya's Vidyapeeth one of the best universities today.

Lingaya's Vidyapeeth is an extraordinary place where students, faculty and audiences gather to participate in a dynamic environment. An intimate school, we offer individualized training to undergraduate and graduate students in a nurturing atmosphere that allows their individual intellect to blossom. We boast of an exceptional faculty of teachers and scholars who are active nationally, and internationally. The faculty and staff at the Lingaya's Vidyapeeth are dedicated to helping students achieve their professional goals. Our commitment to excellence in undergraduate education and research, makes us a leader in imparting education. We are able to accomplish this mission by adhering to our basic values of nurturing a diverse and supportive academic community; fostering a culture of leadership, collective vision, critical reflection, and accountability.

"Merit and Values" are our cardinal principles which are manifested in every venture of the University. The faculty with rich experience and expertise in their respective areas have always been emphasising on adherence to distinction, morals and values both in their professional as well as personal lives. At Lingaya's, due emphasis is given to all-inclusive evolution of the students' personality by shaping and sharpening their attitude by the academic rigor of our programmes. Much prominence is placed on exposing our students to practical situations of the corporate world and promoting interaction with the people in industry as well as academia which will help them grow in their lives.

I, on the behalf of the entire fraternity of Lingaya's Vidyapeeth, cordially welcome you. We are delighted to see the progress we have achieved since our inception.. I am sure that the new entrants will be in safer hands, when they opt Lingaya's, because we are committed towards creating a vibrant community of value creators for our country.

I anticipate you to be a part of Lingaya's Vidyapeeth in striving to be a highly respected University, we have been placing significant importance on our learning and teaching, research, and community engagement. We have been inviting experienced experts as guest lecturers, revising our curricula by taking feedback and adopting innovative teaching methods.

Looking forward to welcome you to the Institute.

With best wishes for your journey in Lingaya's Vidyapeeth and beyond.

DR. M. K. SONI , PATRON

It is my great pleasure to welcome you to Lingaya's Vidyapeeth. Over the years, Lingaya's has established itself as a distinguished institution known for imparting quality education with a strong focus on professionalism and discipline. Our beautiful campus, well connected by a comprehensive network of buses from all parts of NCR, provides an ideal environment for learning and growth.

At Lingaya's Vidyapeeth, we are committed to becoming a world-class institution, building global alliances with top universities and industries. Our well-qualified faculty and the innovative spirit of our students have gained recognition on both national and international platforms, particularly in the areas of creative design and innovation.

We strive to provide our students with opportunities for all-around professional development while instilling in them strong cultural and ethical values. Throughout their academic journey, we prepare our students to tackle the challenges of a dynamic global environment, equipping them for success in their professional careers.

Wishing you all the best for a bright and successful future!

DR. RAJESH KAPUR, PRO CHANCELLOR

It gives me immense pleasure to welcome you to Lingaya's Vidyapeeth, a premier institution known for imparting quality education and fostering professional excellence. Our University has consistently set high standards in professional education, emphasizing academic rigor, personal growth, and the overall development of our students.

Lingaya's Vidyapeeth has established itself as a professional institution with a commitment to academic excellence and a strong emphasis on discipline. Our beautiful and vibrant campus provides an inspiring environment that is conducive to learning, innovation, and personal development. Strategically located in the heart of NCR, the campus is well connected with a robust network of buses, ensuring convenient access from all parts of the region. This accessibility, combined with our world-class infrastructure, makes Lingaya's a preferred destination for students seeking a holistic educational experience.

Our mission is to emerge as a world-class institution with global alliances with leading universities and industries around the globe. We believe in the power of collaboration and continuously strive to create opportunities for our students through partnerships that provide exposure to global standards, cutting-edge research, and practical industry experience. These alliances enrich our academic offerings and help us stay at the forefront of educational innovation.

At Lingaya's, we pride ourselves on having a highly qualified and dedicated faculty who are not only educators but also mentors committed to nurturing the potential of each student. Our faculty members bring a wealth of knowledge and industry experience into the classroom, ensuring that our students receive education that is relevant, forward-looking, and aligned with the latest industry trends. We believe in fostering a culture of innovation, encouraging our students to think critically and creatively, and empowering them to be problem-solvers in their chosen fields.

We warmly welcome you to be a part of this vibrant community of learners, innovators, and leaders. With our unwavering commitment to quality education, we are confident that your journey at Lingaya's University will be transformative and rewarding.

With best wishes for a very bright future.

DR. M. P. GUPTA, VICE CHANCELLOR

It is with great pride and joy that we celebrate the completion of twenty-five years of Lingaya's Group. Over the years, Lingaya's Vidyapeeth has evolved into a leading institution of higher learning, consistently setting new benchmarks in academic and holistic development. From its humble beginnings, the Vidyapeeth has grown to become a vibrant hub of education, innovation, and research.

We extend a warm welcome to all our students, who come from various parts of the country & world, and thank them for choosing Lingaya's Vidyapeeth to pursue their academic goals. Our commitment to academic excellence is unwavering, and we constantly strive to provide a learning environment that nurtures intellectual curiosity, critical thinking, and practical skills. The Vidyapeeth offers a broad spectrum of undergraduate, postgraduate, and doctoral programs designed to meet the evolving needs of industry and society.

However, academic achievement is just one aspect of the holistic education that Lingaya's Vidyapeeth aims to provide. We believe in the overall development of our students and encourage them to participate in extracurricular activities, which are integral to shaping their personalities and preparing them for the challenges of the real world. The Vidyapeeth hosts a multitude of events, cultural festivals, sports meets, and other activities that foster teamwork, leadership, and creativity among students.

Our students have excelled not only in academics but have also made their mark in various national and international competitions throughout the year. Many of them have brought laurels to the Vidyapeeth by winning prestigious awards and recognition in diverse fields. Their achievements are a testament to the quality of education and mentorship provided at the Vidyapeeth.

At Lingaya's Vidyapeeth, we understand that education goes beyond textbooks and classroom learning. The Vidyapeeth's focus on experiential learning, internships, and industry collaboration ensures that our students are well-prepared to meet the demands of the professional world. Our strong network of alumni, many of whom have distinguished themselves in their respective fields, serves as an inspiration and resource for current students.

As we embark on the next chapter of our journey, we are excited about the future and the new milestones that lie ahead. We thank everyone who has been a part of this remarkable journey and look forward to continuing to inspire, educate, and transform lives.

PROF. (DR.) CHINNAIYAN RAMASUBRAMANIAN
PRO VICE CHANCELLOR

I am elated to share that I have officially joined as the Pro-Vice Chancellor, Lingaya's Vidyapeeth, Faridabad, India and I take on this position with great enthusiasm and profound feeling of duty. Together, we can achieve our goals and in order to maneuver, we will make sure that our Students, Parents, Industries, society and all our stakeholders are integral part of our decision-making process.

Change is to be considered as an opportunity for the development and holistic growth of all of us. As we begin this adventure side by side, I would like to lay out academic and research goals for our university that are pivotally inspired by our commitment to providing quality education as per the guidelines and standards of UGC, AICTE, MHRD, State and Central Governments towards NEP 2020.

A welcoming, supportive, and open atmosphere is something I pledge and am committed to cultivate. If I want you to give it your all, I need to set an example of inclusive leadership that is clear, honest, and transparent. Through mutual support and dedication of our stakeholders, we can establish a culture of educational as well as holistic excellence. I am sure that we can become the best university in Haryana and INDIA if we work together across schools with dignity and purpose.

I want to express my deepest gratitude for your generosity and cooperation.

Looking forward to bringing Quality Outcomes for Lingaya's Vidyapeeth University...

MR. PREM KR. SALWAN, REGISTRAR

Lingaya's Vidyapeeth is committed to providing outstanding education, practical training and facilities in choosing their career to students. We emphasize imparting excellent education in an encouraging environment and ensuring equal attention to the overall development of students is our only vision.

To touch this pedestal, we constantly update our curriculum so that good quality professionals can fulfil the emerging needs of industries locally and globally. We provide opportunities to develop their personalities in terms of sports and cultural activities to become good human beings. We firmly believe in knowledge

dissemination and knowledge creation through our highly qualified and experienced faculty members.

Our alumni's track record of achievements is indeed commendable, where our students have proved their caliber in different spheres of industry, which demonstrates Lingaya's culture and ethics.

The achievements of our students stand as a testament to the quality of education we provide. One of our most notable accomplishments was the national recognition by the Society of Automotive Engineers (SAE), which acknowledged the creativity and technical prowess of our students in developing a car that showcased innovation at its best. Such accomplishments reflect our emphasis on hands-on learning, practical problem-solving, and the continuous pursuit of excellence.

At Lingaya's University, we believe in providing a platform that goes beyond academic learning. We are committed to the all-round development of our students, equipping them with the skills, values, and mindset necessary to thrive in today's competitive world. We strive to instill high cultural and ethical values, preparing our students to meet the national and international challenges they may encounter in their professional careers.

During their journey with us, we focus not only on academic excellence but also on grooming our students to be responsible and ethical leaders who will contribute meaningfully to society. We take pride in our role as educators and mentors, guiding our students towards a bright future filled with professional achievements and personal fulfillment.

We invite you to join hands with us and work to build up your blooming career. I wish you the very best and hope to see you make your career choice with us.

Vision and Mission

Vision

Traditionally believing that God is the Source of all Truth, Goodness and Beauty, Lingaya's Vidyapeeth, wishes to develop in students a wisdom that translates academic achievements into responsible citizenship, sincere professional service and a deep respect for life and beauty in God's Creation and Recreation.

Mission

- To commit to excellence in thought and action;
- To impart knowledge and skills and to mould attitude required for careers in Technical and Management fields by careful guidance and instruction for self-learning in both formal and informal modes;
- To dedicate oneself to improve social and economic status and enhance the quality of life for all;
- To strive to maximize human welfare through education and produce effective knowledgeable staff, practitioners and educators who will be guided by vision, compassion, knowledge, disciplined discovery and deep respect for human values;
- To provide an individual engineering and other professional learning experience for each student;
- To develop critical thinking, analytical ability and creative skills;
- To supplement the curricula with teamwork, leadership, persuasive oral and written skills, project management, financial aspects, social concerns and ethics; and
- To establish Industry-Institution interaction for technology, research and development.

ABOUT LINGAYA'S VIDYAPEETH

Lingaya's Vidyapeeth is guided by the noble patriotic thoughts of the great freedom fighter (Late) Shri Lingaya Gadde and also by the academic vision of Late Prof. GVK Sinha, the founder of various Institutions of Lingaya's Group. Lingaya's Institute of Management and Technology (LIMAT), Engineering Institute, was established in 1998 with the approval from All India Council For Technical Education (AICTE), a statutory body of the Ministry of Human Resource Development (MHRD), Govt. of India. The institute received the prestigious Accreditation status from National Board of Accreditation, a unit of All India Council For Technical Education. Such Accreditation is awarded only to the selected institutions based on Academic Audit of quality. In recognition of its excellent performance, LIMAT was upgraded to Lingaya's Vidyapeeth with the approval of MHRD, Govt. of India. Under section 3 of UGC Act 1956. Its singular objective and mission is to facilitate and promote studies and Research with a focus on Professional Higher Education in Engineering & Technology, Architecture, Management, Law, Pharmacy, Computer Applications, Sciences, Humanities, Social Sciences, Paramedical Sciences, Education, Mass Communications and other emerging areas to achieve excellence and also to meet the emerging Global and Industrial needs of Society and the nation. The Vidyapeeth has been accredited by NAAC.

The Vidyapeeth is located within the National Capital Region (NCR), Delhi. It has a sprawling campus situated in the green pastures and pollution free sylvan surroundings. The Vidyapeeth is equipped with Academic blocks, Air Conditioned Library, Workshops, Laboratories, Auditorium, Student Activity Center, Play Grounds, Gymnasium, Hostels and the other facilities. The campus has a total built up area of over 1.2 million square feet.

With an ideal teacher-student ratio, the Vidyapeeth strives for academic excellence through personalized attention. The unique mechanism is established to support and monitor the progress of students and assure success and satisfaction.

OFFICERS OF THE UNIVERSITY

Name	Designation
Dr Picheswar Gadde	Chancellor
Dr. M. K. Soni	Patron
Dr. Rajesh Kapur	Pro Chancellor
Dr. M. P. Gupta	Vice Chancellor
Dr. R. Chinnaiyan	Pro Vice Chancellor
Mr. Prem Kumar Salwan	Registrar
Mr. Rajeev Kumar Gupta	Finance Officer

HODS OF SCHOOL OF STUDIES

Name of HODs	School/ Department
Ar. Aditi Arora	School of Architecture
Dr. Konica Sharma	School of Basic & Applied Sciences
Dr. Samriti Mahajan	School of Commerce & Management
Dr. Rajnee Gaur	School of Education
Dr. Monika Rastogi	School of Law
Dr. Suresh Prasad	Department of Mechanical Engineering
Dr. Garima Gupta	School of Pharmacy
Mr. Anand Prakash Pathak	School of Humanities and Social Sciences
Dr. Divyashree	Department of Civil Engineering
Dr. Ritu Sindhu	Department of Computer Science and Engineering
Dr. Javalkar Dinesh Kumar	Department of Electronics and Electrical Engineering
Dr. Ravi Prakash Mishra	School of Agriculture
Dr. Vijay Vir Singh	Department of Foundation

OFFICE OF THE DEAN OF ACADEMICS

Dr. Seema Bushra

Dean of Academics

OFFICE OF THE CHIEF PROCTOR

Mr. Anand Prakash Pathak

Proctor

OFFICE OF CONTROLLER OF EXAMINATION

Dr Narotam Sharma

COE

OFFICE OF THE LIBRARIAN

Mr. Shakil Ahmad

Librarian

VARIOUS SCHOOLS / DEPARTMENTS OF THE UNIVERSITY

DEPARTMENT OF MECHANICAL ENGINEERING

The Department of Mechanical Engineering was established in the year 1998 and over the years has developed into a very vibrant teaching-learning unit. Automobile wing was established in the year 2004.

Programs Offered

- B. Tech. in Mechanical Engineering
- B. Tech. in Mechanical Engineering with specialisation in Automobiles
- M.Tech. in Mechanical Engineering
- Ph.D

Faculty

The School has highly qualified and experienced faculty members having academic as well as industrial experience covering various specializations such as Thermal Engineering, Design and Manufacturing Engineering and Automobile Engineering etc.

Infrastructure

The School has well equipped laboratories to carry out experimental and R&D work. Following facilities exist in the School:

- Central Workshop and Auto Workshop
- Mechatronics Lab
- Fluid Mechanics Lab
- Energy Conversion Lab
- CAD/CAM Lab
- Heat Transfer Lab
- Kinematics and Dynamics of Machines Lab
- Vibration Lab
- Refrigeration and Air Conditioning Lab
- Strength of Materials and Material Science Lab
- State-of-the-Art Automobile Labs

The Automobile Labs and facilities are unmatched in North India and include world renowned Degener Lehrmitt Experimental setup from Germany for state-of-the art cars and cutting edge

Technology.

The state-of-the-art Mechatronics Lab has Hydraulic and Pneumatic simulators in addition to an elaborate set of Mechatronic Actuation Systems.

The Vibration Lab has Balancing and Fatigue Testing machines over and above vibration related rigs.

A number of softwares are available in the CAD Lab such as AutoCAD 2012, ProEngineer 3.0, Solid Works2007, CATIA, COSMOS, LabView842, MATLAB which are used for teaching and research purposes.

Special Features

- The Students get their Internship at modern plants like Escorts, Eicher, Maruti, Sona Steering, JCB, Hero Honda etc.
- Students and faculty have frequent interaction with industrial experts through Seminars, Lectures, Factory Visits etc.
- Students have won many prizes in the competitions organized by Faridabad Industries Association and Society of Automotive Engineers India.
- Students participate in National and International competitions.
- SAE India collegiate chapter helps students to participate in International and National events of Society of Automotive Engineers.
- Apart from the Central Library, the School maintains its own Library for its Mechanical and Automobile wings.
- Students are motivated to participate in Technical events organized by IITs and reputed Institutes.
- Special emphasis is given on “Hands On Training”.
- Quite a few table top experimental setups have been developed in-house to facilitate understanding of basic fundamentals

Career Prospects :

- 1) Aerospace
- 2) Acoustical
- 3) Automotive
- 4) Marine
- 5) Mechatronics
- 6) Optical
- 7) Railway
- 8) Research and development

Major Recruiters :

- 1) Indian Engineering Services
- 2) Defense Services
- 3) All Public Sector Units
- 4) Indian Railways
- 5) Aviation sector
- 6) DRDO, ISRO, etc
- 7) Larsen and Toubro Ltd.
- 8) Robert Bosch ALSTOM Power, Inc.
- 9) General Electric (GE)
- 10) Energy Eaton Corporation
- 11) Tata Motors
- 12) Maruti Suzuki Cummins India Ltd
- 13) HCL Technologies Ltd.
- 14) Ford Motor Company
- 15) Mahindra & Mahindra Ltd.
- 16) JCB
- 17) JBM

and many more

Skill Development Program (06-11-2023 to 10-11-2023)

The Department of Mechanical Engineering organized a comprehensive Skill Development Program from November 6th to November 10th, 2023. The program aimed to enhance the technical skills and practical knowledge of students. Industry experts and experienced faculty members conducted sessions on various topics, including advanced manufacturing techniques, CAD/CAM software, robotics, and automation. The program also included hands-on workshops and interactive sessions, providing students with valuable insights into current industry practices and emerging technologies. The successful completion of this program equipped participants with the necessary skills to excel in their future careers.

Participation in National Level Poster Presentation Exhibition and Competition

On December 13th, 2023, the Department of Mechanical Engineering participated in the National Level Poster Presentation Exhibition and Competition on “Green Transport Technology” under the India International Science Festival 2023, organized by CSIR-CRRI. The event provided a platform for students to showcase their innovative ideas and research on sustainable transportation solutions. The department's team presented a comprehensive poster on cutting-edge green transport technologies, demonstrating their commitment to environmental sustainability and technological advancement. Their exceptional presentation and innovative approach earned them the prestigious Best Team Award, highlighting the department's dedication to excellence in research and innovation.

Participation in IMT Industrial Expo 2023

From December 2nd to December 6th, 2023, the Department of Mechanical Engineering participated in the IMT Industrial Expo 2023. The department showcased their in-house developed Chandrayan Model, which attracted significant attention and appreciation from industry professionals and visitors. The model, a testament to the department's ingenuity and technical prowess, demonstrated advanced engineering principles and innovative design. The expo provided an excellent opportunity for students to interact with industry leaders, gain exposure to the latest industrial trends, and present their projects on a prominent platform. The participation in this expo reinforced the department's commitment to fostering practical learning and industry collaboration.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

The Department of Electronics and Electrical Engineering is one of the established and leading department in the university. It has state of art facilities and highly qualified faculty members and staff members. Our school works with the objective of addressing critical challenges faced by the Industry, society and the academia. Perhaps even more important is our unceasing commitment to our students, helping them to learn, grow, develop, and achieve their goals in their pursuit to excel in their professional career. Importance is also given to quality teaching and learning process through faculty development programs for teachers and soft skill programmes for students. Special care is taken about the students whose performance is not up to mark in the examinations through counselling and extra classes. The students are also encouraged to participate in technical and co-curricular competitions conducted by other universities or colleges. Research in the school focuses on high-impact various disciplines: Communication systems, Wireless networks, Signal and Image Processing, RF MEMS and MIC, Microwave antennas, Optical communication and VLSI technologies.

Programs Offered

1. B.Tech-ECE
2. M.Tech-ECE
3. Ph.D

Faculty

The department has highly qualified and experienced faculty members with specialization in various areas like VLSI Design, Embedded System Design, Optical Fiber Communication, Antenna Design, Electrical Machines and Drives, Control Systems and Signal Processing. The faculty members are engaged in the R&D activities in the areas of Image Processing, Antenna Design, Video Processing and Robotics.

Infrastructure

•The Department has air conditioned, state-of-the-art Classrooms, Seminar Rooms, Departmentallibrary, Laboratories and Faculty rooms.

- The Department has a rich collection of reading material and books in its Library for the reference purpose by faculty and students.
- The Department has an independent computational facility with required softwares, enabling faculty and students to pursue their research/ projects at ease .
- The Department actively promotes participation of faculty and students for centralized research activities in the center of excellence. The faculty has a large number of publications to their credit in more than 50 refereed journals.

The Department has the following state-of-the-art labs:

- Embedded Systems and Design Lab
- Digital Signal Processing Lab
- VLSI Design Lab
- Data Communication and Satellite Communication Lab
- Microprocessor and Interfacing Lab
- Electronics and Electrical Measurement and Instrumentation Lab
- Analog and Digital Electronics Lab
- Communication Lab
- Electrical Machines Lab
- Electrical Drives and Power Systems Lab
- PLC and SCADA Lab
- Control Systems Lab

Simulation Softwares like MATLAB, Pspice, VHDL, Xilinx, Lab view are available for conducting research and relevant studies.

Special Features

The department has initiated an interaction program with distinguished alumni and the current graduate students. Our alumni are pursuing higher studies in various reputed institutions in India and premier foreign Universities across the world in diverse field of electrical, electronics, communication engineering. Our students have an added advantage of knowledge of core courses of electrical, electronics, communication engineering with the software or programming skill. There is plethora of job opportunities for the ECE or EEE students can get placed in the any one of the core public and private sector units (PSUs) and also in software/IT based industries. Many of the students are working in popular industries and R & D institutes in India and abroad. Further, the students are working in premier IT and core sectors through On-campus and Off-campus placements. The department strives to provide a conducive environment

for the students to develop analytical and practical skills and apply them to real world problems. To motivate our students the respective department organizes regular training in state of art software & hardware, arranges workshop, seminars, industrial visit, expert talk etc periodically

Career Prospects :

1. Aerospace engineer
2. Broadcast engineer
3. Control and instrumentation engineer
4. Electrical engineer
5. Electronics engineer
6. IT consultant
7. Network engineer
8. Nuclear engineer
9. Systems analyst

Major Recruiters :

Department of Computer Science & Engineering

School of Computer Applications

The Department of Computer Science & Engineering and School of Computer Application has been set up to impart training of the highest standards to the students, in the field of computer science & applications, thus preparing them to meet the exciting demands of the highly competitive global industrial market. It was established in the year 1998 (as one of the schools of Engineering under Lingaya's University). It constitutes Department of Computer Science & Engineering and Department of Computer Applications.

Department of Computer Science & Engineering and School of Computer Application has the following key features:

- State-of-the-art Classrooms, Seminar Rooms, Committee Room and Facultyrooms.
- Rich collection of reading material and books in its Library for the referencepurpose by faculty and students.
- R&D centre (Centre For Excellence) displaying the innovative / researchpotential of its students.
- A team of faculty members and students to cater to the Softwarerequirements of the University.
- Faculty members with M.Tech. and/or Ph.D qualifications from premierinstitutions.

Programs Offered

- B.Tech in Computer Science & Engineering
- BCA
- B. Sc. Computer Science
- MCA
- M.Tech in Computer Science & Engineering
- Ph.D

Laboratory Infrastructure

State-of-the-art laboratories, having computers with latest configuration networked together to ensure that the every student gets complete facilities to thoroughly understand and explore the concepts of computer science. The School & Department focuses on preparing globally competitive professionals who are at ease with both hardware and software aspects of the computer. These professionals are trained to innovate and contribute to the growth of Indian

economy in the present era of Information Technology. The Programs have been designed to help students impart basic concepts and skills of Computer Science and their applications in diverse areas of software development, hardware technology and networking. The school & Department has well equipped Laboratories in the following areas of Computer Science & IT Specializations:

1) Operating Systems Lab: In this lab students study the Architecture and commands of UNIX and Linux operating system. Students write programs in C and execute those commands in Linux shell. The students write Shell Scripts and AWK programming.

2) Computer Graphics: In this lab students create interactive graphics applications in C++ using one or more graphics application programming interfaces, programs to implement visibility detection, animation, 2D and image processing techniques.

3) Multimedia and Animation: In this lab students create animation of a moving object, morphing, advertisement of any product, also they are made to provide interactive way to handle the multimedia content with the help of Macromedia FLASH Software and other multimedia software's like Photoshop, Sound Forge, etc. for editing the multimedia content in terms of developing multimedia pages.

4) Rapid Application Development: In this lab students design applications in C# using Microsoft Visual Studio .NET framework. Students are able to create web forms, windows based application using language independent IDE within a very short period of time.

5) Web Technologies: This lab enables students to understand the various steps for designing and creating a dynamic website, and are able to write HTML, JavaScript, CSS and Applet codes. They will have clear understanding of hierarchy of objects in HTML 5.0 and XML 4.0.

6) LINUX Shell Programming Lab: This lab familiarizes students with the Linux environment. It helps them to learn the fundamentals of shell scripting/programming, to conceptualize Data Mining and the need for pre-processing and to learn the algorithms used for various types of Data Mining Problems.

7) System and Network Administrator Lab: This lab helps the students to understand the need of PC Hardware, Internet and World Wide Web and Office Suites. Also students are instructed to install and use different softwares like Windows XP, Linux, MS Office suite components.

8) Data Warehousing and Data Mining: This lab educates students with fundamental concepts of Database Design, Data Models, Different Database Languages (SQL/Oracle).² Its also helps them to analyze Database design methodology, OLTP, OLAP and DB connectivity, alongwith it they deal with DM Tool.

9) Data Structure and C Programming Lab: The objective of this lab is to teach students various data structures and to explain them algorithms for performing various operations on these data structures. Also, the lab aims to make a student understand the basic concept of C Programming, and its different modules that include conditional and looping expressions, Arrays, Strings, Functions, Pointers, Structures and File programming.

10) JAVA Programming Lab: This lab helps the students to create Java programs that leverage the object-oriented features of the Java language, such as encapsulation, inheritance and polymorphism; use data types, arrays and other data collections; implement error-handling techniques using exception handling, create and event-driven GUI using Swing components; and implement I/O functionality to read from and write to text files.

Virtual Labs (VLABs)

(An initiative of Ministry of Human Resource Development under the National Mission on Education through ICT)

The University in collaboration with IIT Delhi is handling the VLAB project. The School & Department has taken this initiative, and conducts workshops not for only the University but also for nearby Universities and Colleges to spread the knowledge of how to make use of VLABs effectively and efficiently. VLABs have been designed to provide remote access to labs. These virtual labs cater to students at the undergraduate, postgraduate as well as doctoral level. Virtual labs also provide a complete learning management system where the students can avail various tools for learning, including additional web resources, video lectures, animated demonstration and self evolution. These labs enable the user to perform experiments remotely as on-demand service over the web.

Career Prospects :

“As this is the era of Digital world and there are plenty of job opportunities in the field of Computer Science & Engineering”. A few of them are listed below.

- System Designer
- Software Developer
- Data Warehouse Analyst
- ERP Manager
- Software Engineer
- E-Commerce Specialist
- Teaching professionals
- R&D Professional
- Hardware Engineer
- Networking Engineer
- IT Support experts
- Computer Programmer
- Engineering Support Specialist
- Academic Research Editor

Major Recruiters :

- Infosys
- Google
- HCL
- Accenture
- Cognizant
- IBM
- TCS
- Wipro
- Microsoft
- Larsen & Toubro (L&T)
- Mahindra Satyam
- Tech Mahindra
- Adobe
- Cisco
- Oracle
- DRDO
- Sun Microsystems
- Yahoo

Industrial Visit

Educational Tour

Computer workshop

Special Achievements:

The exemplary students of the Department of Computer Science and Engineering (CSE) and the School of Computer Applications showcased their notable achievements at the Manav Rachna Tech Fest on March 21, 2024. Their dedication, hard work, and innovative spirit have brought great pride to our institution, reflecting their individual talents as well as the excellent guidance and support provided by our faculty members.

DEPARTMENT OF CIVIL ENGINEERING

Civil Engineering is one of the basic tools for development of the society and for improving living standards of human beings by coordinating the natural resources available on the planet. Analysis, Design and Construction of structures like Buildings, Roads, Bridges, Dams, Tunnels, Geotechnical Engineering, Transportation and Traffic Engineering, Water Resources and Sanitary Engineering, Soil Engineering, Earthquake Engineering, Surveying, GIS and Remote Sensing etc. are some of the broad areas in the field of Civil Engineering.

As a profession, Civil Engineering is one of the best choices for development of the Nation.

Several application-oriented industrial consultancy projects and collaborative research projects are being undertaken by the faculty members. The Department encourages the faculty members and students to carry out innovative and R&D work, planning, design, construction and consultancy services.

The Department is also actively engaged in organizing International and National Conferences, Workshops and Short Term Courses in related fields of Civil Engineering.

Programs Offered

The Department offers the following programs:

- B.Tech. in Civil Engineering
- M.Tech. in Civil Engineering
- Ph.D in Civil Engineering

Faculty

Highly qualified faculty having their qualifications/ experience at prestigious Institutions (IITs and NITs) are available in the Department of Civil Engineering. They provide quality education to the students and develop them to work professionally in the organizations/corporate world.

Laboratory And Testing Facilities

Department of Civil Engineering has well equipped laboratories for Undergraduate, Postgraduate and Doctoral students to cater to their needs. Some of the laboratories are listed below:

- Material Testing Laboratory
- Structural Analysis Laboratory
- Geotechnical Engineering Laboratory
- Transportation Engineering Laboratory
- Hydraulics and Irrigation Engineering Laboratory
- Environmental Engineering Laboratory
- Surveying Laboratory
- Engineering Geology Laboratory
- Computational Laboratory

Career Prospects :

Civil engineers design, build, supervise, operate, and maintain construction projects and systems in the public and private sector, including roads , buildings , airports, tunnels, dams, bridges, and systems for water supply and sewage treatment. Many civil engineers working design , construction, research, and education.

School of Pharmacy

School of Pharmacy at Lingaya's University was established in the year 2015 with the vision of developing globally competent professionals in the field of Pharmaceutical Technology who are responsible citizens and have respect for life and sensitivity towards environment.

According to India Brand Equity Foundation, by 2020, India is likely to be among the top three pharmaceutical markets by incremental growth and sixth largest market globally in absolute size. Owing to the global demand of generic drugs, the growth of Indian Pharmaceutical Industry is going to show a spiraling trend in the coming years and so will be the demand for trained workforce.

We, at School of Pharmacy, Lingaya's University not only focus on class room teaching but hands-on-training simultaneously. We prepare our students to work effectively and think critically. Our Curriculum has been set keeping in mind the current and future requirements and expectations of the pharmaceutical industry and allied fields. Our students would be able to make career in Pharmaceutical Manufacturing, Research & Development, Cosmetics Industry, Clinical Research, Packaging Industry, Academia, Marketing, Hospitals etc.

Programs Offered

- Diploma in Pharmacy
- Bachelor of Pharmacy
- M Pharm

Faculty

Highly qualified and experienced faculty having very wide experience and exposure is available at The School of Pharmacy covering various specializations like Pharmaceutics, Pharmacology, Pharmacognosy and Pharmaceutical Chemistry. The faculty members not only teach in class room settings but also train the students with experimental tools and machineries and make them industry ready.

Infrastructure

- The School has Air conditioned, state-of-the-art Classrooms, LCD Projector and AV system

equipped Seminar Halls, Boys Common Room, Girls Common Room, Departmental Library, Faculty rooms and Laboratories.

- The School has a vast and rich collection of books and reference materials in the Departmental and Central Library.
- The School has Internet and Computing facilities for students and faculty with dedicated computer terminals.
- Special emphasis is being given on Guest lectures from academia and industry of repute.
- The School has sophisticated laboratories for Hands on Training viz. Pharmaceutical Analysis Lab, Pharmaceutics Labs, Pharmacognosy Labs, Anatomy Physiology and Health Education Lab, Pharmaceutical Chemistry Labs, Pharmacology Labs, and Machine Room.

Career Prospects :

- 1) Pharmacist (Industry/Hospital/Clinical/Community)
- 2) Retail/ Wholesale Chemist/Druggist Business
- 3) Drug Inspector, Drug Analyst (Govt. Services)
- 4) Pharmacoepidemiologist/Data Analyst
- 5) Clinical Research Associate
- 6) Higher Education Lecturer
- 7) Medical Sales Representative
- 8) Pharmacologist
- 9) Product/Process Development
- 10) Regulatory Affairs Officer
- 11) Research Scientist (Life Sciences)
- 12) Science Writer
- 13) Toxicologist

School of Basic & Applied Sciences

School of Basic & Applied Sciences is one of the most prestigious School of Lingaya's Vidyapeeth, which constantly encourages students to explore their own intrinsic qualities and enhance their talent through quality teaching and research.

Programs Offered

- B.Sc. (Hons) Physics, Chemistry and Mathematics
- M.Sc - Physics, Chemistry and Mathematics
- Ph.D - Physics, Chemistry and Mathematics

Faculty Members

School of Basic & Applied Sciences comprises eminently competent and efficient faculty who is qualified from reputed universities of India like University of Delhi, Banaras Hindu University (BHU), Aligarh Muslim University (AMU), IIT's and NIT's. Faculty members are involved in research projects in specialized field of Fibre optics, Optoelectronics and Optical Communication, Plasma Physics, Solid State Physics, Material Chemistry, Medicinal Chemistry, Nanoscience, Wastewater treatment, etc. The Department has published large number of research papers in reputed national/international refereed Journals. Members of the Department are part of national/international professional bodies, Editorial Team/ Review Team of National/ International Journals.

Infrastructure

The School is having well equipped Chemistry Labs, Physics lab and Mathematics lab for B.Sc. (Hons), M.Sc. and Ph.D students. The School of Basic & Applied Science is having “Advanced Research Lab” for research purpose for not only faculty members but also for students.

Special Features

- Our students are doing research projects from B.Sc.(Hons) first year itself under the expert guidance of faculty members and presenting their work in various conferences / workshops.
- Our students have presented their research papers in different conferences at IIT Roorkee, IIT Delhi, University of Delhi and other reputed universities. They have been praised at different platforms as young researchers.
- Lingaya's Vidyapeeth is the only university where students are given industrial training in different industries like textile industries, paint industries, pharmaceutical industries and other reputed industries in B.Sc.(Hons) final year along with their regular classes.
- Lingaya's Vidyapeeth is following complete “Choice Based Credit System” (CBCS) scheme given by UGC for UG and PG level.
- Frequent industrial visits for the students to various industries like chemical industries, dairy industries, The Energy and Research Institute (TERI), National Physical Laboratory (NPL), sewage treatment plants etc. are organized by the School of Basic Science.
- B.Sc.(Hons) students are placed by different placement companies in B.Sc.(Hons) level itself. Placement activities are crowning glory for B.Sc.(Hons) Physics, Chemistry and Mathematics students of the university

Career Opportunities for B.Sc. (H) Chemistry

The field of Chemistry is of great importance in our day to day life. Once candidates come out successfully as degree holders in B.Sc. (Hons) Chemistry, they have various options for their future. There are various fields where B.Sc. (Hons) Chemistry graduates can utilize their talents. Some of the areas that offer jobs for a B.Sc. (Hons) degree holder include the following:

- Waste-water Plant
- Medical Laboratories
- Oil Industries
- Manufacturing and Processing Firms
- Testing Laboratories
- Petroleum Companies
- Pharmaceutical Companies
- Power Generating Companies
- Research and Development Firms
- Agricultural Research Services

- Biotechnology Firms
- Chemical Industries
- Chemicals Manufacturing Companies
- Cosmetic Companies
- Paint Industries
- Colleges / Universities
- Education Sectors
- Forensic Crime Research
- Food/ Dairy industries
- Health Care Providers
- Heavy Chemical Industries
- Hospitals
- Indian Civil Services

Some of the public sector firms which offer job opportunities are:

Bharath Petroleum, Indian Oil Corporation Limited, ISRO, Bhabha Atomic Research Centre, ONGC, etc.

Some of the reputed private sectors firms that recruit B.Sc. (Hons) Chemistry are the following:

Dabur, Hindustan Lever, Ranbaxy, Dr Reddy's Labs, Meyer Organics Pvt Ltd, Asian Paints, etc.

Career Opportunities after B.Sc. (Hons) Physics

There are various fields where B.Sc.(Hons) Physics graduates can utilize their talents. Some of the areas that offer jobs for a B.Sc. (Hons) Physics:

- NASA (National Aeronautics and Space Administration)
- ISRO (Indian Space Research Organization)
- BARC (Bhabha Atomic Research Centre)
- DRDO (Defense Research Development Organization)
- IITs & IISC
- NTPC & NHPC
- Air Force Research Laboratory
- Center for Automotive Research
- National Physical Laboratory (NPL)
- Electro science Laboratory
- General Electric Aviation

- Some of the public sector firms which offer job opportunities are:
- NTPC, BHEL, ONGC, GHAL, SAIL, IOCL, BSNL, ISRO, DRDO, BARC, EIL.

Career Opportunities after B.Sc. (Hons) Mathematics

There are jobs available in various sectors for the graduates of B.Sc. Mathematics. These sectors are given below

- Software Industries
- Insurance
- Market research
- Banking sector
- B.Sc. Mathematics can get jobs in following fields:
- Analyst, Scientists, Mathematician, Economic Analyst, Intelligence Analyst

After completion of Graduation in Physics, Chemistry or Mathematics, one can go for higher studies like M.Sc and MBA for finding reasonably good career in industries, Research, Teaching and Management. A graduate has the option to appear for UPSC examinations (IAS etc.) which provides an opportunity to join State Administrative Service/Central Government Services such as telecom, Railways, PWD, etc.

Capacity Development & Skills Enhancement Events Mathematics Week - 22/12/2023

The concept behind Mathematics Week is to build self-confidence and strengthen problem-solving skills in this vital subject area. By incorporating various games, technology, and a multitude of other activities, students can learn mathematics in a creative and less structured environment.

- All students participated in the Quiz Competition and were awarded certificates.
- Students presented their thoughts through a Speech Competition, highlighting the importance of mathematics in various walks of life.
- Creativity and ideas were showcased in the Poster Making Competition based on the theme, "History of Mathematics."

Importance of Chemistry - International Chemistry Week – 6-11 Nov 2023

International Chemistry Week, a community-based program of the American Chemical Society (ACS), unites ACS local sections, student communities, technical divisions, businesses, schools, and individuals in communicating the importance of chemistry to our quality of life. The event was held from 6th to 11th November 2023.

National Science Day - 28/02/2024

National Science Day is celebrated to:

- Spread a message about the importance of science in daily life.
- Display activities, efforts, and achievements in the field of science for human welfare.
- Discuss issues and implement new technologies for development in the field of science.
- Provide an opportunity to scientifically-minded citizens in India.
- Encourage the popularization of science and technology.

World Radiography Day - 09/11/2023

World Radiography Day is celebrated to create awareness about the crucial role of Radiographers in the healthcare system. This day marks the discovery of X-Ray radiation by Wilhelm Conrad Roentgen in 1895.

SCHOOL OF HUMANITIES AND SOCIAL SCIENCES

The School of Humanities and Social Sciences at Lingaya's Vidyapeeth is a premier center for interdisciplinary education and research, designed to foster critical thinking, creativity, and a deeper understanding of human society. With a strong emphasis on bridging the gap between theoretical knowledge and practical application, the School aims to cultivate a global perspective among students and prepare them for successful careers in various fields.

The School of Humanities and Social Sciences at Lingaya's Vidyapeeth offers an enriching environment for students, with a curriculum that integrates diverse disciplines such as psychology, political science, sociology, history, literature, and languages. The programs are structured to provide both foundational knowledge and specialized expertise in these areas, with a focus on research, experiential learning, and community engagement. By nurturing analytical and communication skills, the School equips students to understand and address complex social, cultural, and ethical issues.

Programs Offered:

The School offers a variety of undergraduate and postgraduate programs designed to meet the needs of the contemporary world. These programs include:

- BA (Hons.) English
- BA Pass
- BA (Hons.) Psychology
- MA (English)
- BA (Journalism & Mass Communication)
- Ph.D (English & Journalism)

Faculty Members:

The School boasts a highly qualified and experienced faculty, comprising academicians, researchers, and industry professionals. Each faculty member brings a wealth of knowledge and expertise, ensuring that students receive high-quality education and mentorship. Faculty members are deeply involved in research and are often engaged in collaborative projects that span various aspects of the humanities and social sciences.

Infrastructure:

Lingaya's Vidyapeeth is equipped with state-of-the-art infrastructure to support the academic and co-curricular needs of the School of Humanities and Social Sciences.

The campus includes:

Well-equipped classrooms with smart technology for an enhanced learning experience.

A dedicated library with a vast collection of books, journals, and e-resources specific to the fields of humanities and social sciences.

Research labs and facilities for psychology and related disciplines.

Digital resources and IT support to enable access to online learning materials and research databases.

The campus environment is conducive to learning and encourages both independent and collaborative work.

Special Features:

The School of Humanities and Social Sciences focuses on holistic development by offering unique features, including:

Interdisciplinary learning: Encouraging students to engage with multiple fields of study and develop a comprehensive understanding of human behavior and societal structures.

Research opportunities: Students are provided with opportunities to participate in research projects, supported by faculty members, leading to presentations at national and international conferences.

Community engagement programs: The School emphasizes social responsibility, offering students opportunities to work with local communities and contribute to social welfare projects.

Skill development workshops: Regular sessions are conducted on critical thinking, communication skills, research methodology, and employability skills.

Career Opportunities:

Graduates from the School of Humanities and Social Sciences can pursue careers in a wide range of fields, including:

Civil services

Academia and research

Media and journalism

Non-governmental organizations (NGOs)

Corporate sector roles in HR and communication

Public relations and content writing

Psychological counseling and social work

With a solid foundation in critical thinking, communication, and analytical skills, students are well-prepared for leadership roles in various sectors, both in India and abroad.

The School of Humanities and Social Sciences at Lingaya's Vidyapeeth thus offers an enriching academic journey that prepares students to navigate the complexities of the modern world with confidence and competence.

Activities

Halloween's Day: 27 October 2023 - The Department of English, School of Humanities and Social Sciences at Lingaya's Vidyapeeth, Faridabad, dressed eerily and took on the roles of witches, vampires, and other sinister figures from their beloved works of fiction to commemorate Halloween on October 27, 2023. Halloween signifies the beginning of winter and additionally marks the day before the Western Christian feast of All Saints and initiates the season of Allhallowtide, which lasts three days and concludes with All Souls' Day. It also honours the goddess Pomona. The spooky ambience was effectively created by the ominous music, dim lighting, pumpkin lamps, rightful cutouts, and hanging demons sprinkled over the department.

ICSSR Sponsored Two-Day Multidisciplinary National Seminar on the theme Navigating Change: Society, Technology & Human Well-being on 15 & 16 March 2024 - The School of Humanities & Social Sciences, Lingaya's Vidyapeeth organized ICSSR Sponsored Two-Day Multidisciplinary National Seminar on the theme Navigating Change: Society, Technology & Human Well-being on 15 & 16 March 2024. The Seminar witnessed around 120 registrations and participation from 25 different regions viz. Hisar, Bhiwani, Sonapat, Sirsa, Rewari, Siddhrawali, Faridabad, Gurugram, Charkhi Dadri, Panchkula, Devli Khanpur, Ballabhgarh, Jind, Jhajjar New Delhi, Rajasthan, Ghaziabad, Kolkata, Bangalore, Odisha & Jammu & Kashmir.

Prof. (Dr.) Nagendra Kumar, Professor of English, IIT Roorkee was invited as the Chief Guest and Prof. (Dr.) Divyajyoti Singh, Professor, Department of Literature & Languages, Faculty of Liberal Arts & Media Studies, J.C. Bose University of Science & Technology was the Keynote Speaker on 15th March 2024. Dr. Anurag Kumar Pandey, Head, School of Languages & Literature, Shri Mata Vaishno Devi University, Katra (J&K) was the Keynote Speaker on 16th March 2024.

Dr. Priyanka Lamba, Professor, Department of English, Dronacharya Govt. College, Gurugram, Dr. Poonam Poonia, Clinical Psychologist & Dr. Vidushi Bhardwaj Sharma, Professor & Head, Department of English & Corporate Skills Development, NDIM, New Delhi were invited to chair the sessions.

Lingaya's Vidyapeeth Educational Tour to Surajkund International Craft Mela 2024: Highlights

Introduction

The educational tour to the Surajkund International Craft Mela, held in February 2024, was an enriching experience for the students and faculty of Lingaya's Vidyapeeth. The visit aimed to provide students with an opportunity to explore the rich cultural heritage, diverse crafts, and traditional arts from various parts of India and other participating countries.

Objectives of the Tour

1. Cultural Exposure: To expose students to the traditional crafts and cultural diversity of India and other countries.
2. Educational Enrichment: To enhance students' understanding of various art forms, craft techniques, and the socio-economic significance of handicrafts.
3. Practical Learning: To provide practical insights into the craft-making process through live demonstrations and interactions with artisans.

Key Highlights

Inauguration Ceremony

The Surajkund International Craft Mela 2024 was inaugurated by [Chief Guest's Name], with a grand opening ceremony featuring traditional dance performances, musical acts, and a vibrant display of fireworks. The students witnessed the colorful opening, which set the tone for the exciting activities that followed.

Art and Craft Stalls

The mela featured over 1,000 stalls showcasing a wide variety of crafts, including:

- Handloom Weaving: Students learned about traditional weaving techniques from states like Gujarat, Rajasthan, and West Bengal.
- Pottery and Ceramics: Demonstrations of pottery-making processes, including wheel-throwing and hand-building techniques.
- Wood Carving: Exquisite woodwork from artisans of Kashmir and Karnataka, highlighting intricate designs and craftsmanship.
- Metalwork: Brass and copper artifacts, with live demonstrations of engraving and embossing techniques.

International Participation

The mela had participants from over 20 countries, including:

- Thailand: Silk weaving and intricate jewelry making.
- Egypt: Papyrus painting and traditional Egyptian crafts.
- South Africa: Beadwork and Zulu crafts.
- Nepal: Thangka painting and handmade paper crafts.

Cultural Performances

A series of cultural performances were organized, featuring:

- Folk Dances: Traditional dances from various Indian states, such as Bhangra from Punjab, Ghoomar from Rajasthan, and Lavani from Maharashtra.
- Music Concerts: Live performances by renowned classical and folk musicians.
- Theatre: Street plays and puppet shows depicting traditional stories and social messages.

Workshops and Interactive Sessions

Students participated in several hands-on workshops, including:

- Craft Workshops: Interactive sessions with artisans on pottery, block printing, and painting.
- Skill Development: Workshops on entrepreneurship in the crafts sector and sustainable practices in handicrafts.
- Cultural Exchange: Interaction sessions with international artisans, providing insights into their cultural heritage and craft techniques.

Food and Cuisine

The mela also featured a food court with traditional cuisines from different states and countries, allowing students to savor a variety of dishes and understand the culinary diversity.

SCHOOL OF EDUCATION

Education is the most powerful weapon which can change the world. The one who educates the individual is performing a divine task. While the God / the parents give life to an individual, the teacher teaches the individual the art of living well.

Lingaya's School of Education is unique with its vision for true Education and is with the mission of training future teachers befitting to achieve the goal of true Education. Here the aspiring candidates are instilled with the true objective of Education, and they are trained on how to educate the mind as well as the heart of an individual. The school grooms the professionals to educate the young generation with humanitarian values and the practical knowledge to face the challenges of the present world with a balanced mind. The Department of Education, Lingaya's University endeavors to provide best education to the aspiring students who want to become competent teacher in this competitive world.

Programs Offered

- Bachelor of Education (B.Ed.)
- Master of Education (M.Ed.)
- Doctorate in Education (Ph.D.)

Faculty

The school of education has highly qualified, sincere and dedicated faculty who not only teach but act as a guide, counselor and facilitator. All the faculty members are double or triple postgraduates and are NET Qualified.

Infrastructure

The school has well equipped labs viz. psychology lab, Science Lab, Language Lab, Computer Lab and Art and Craft Lab etc. and spacious and ventilated class rooms.

School Experience Program (SEP)

The School Experience Program (SEP) offers class room experience to those willing to commence a career in teaching. All pupil teachers have to undergo full-time intensive School Experience Program for thirty (30) working days in first year and for 04 months in second year . The school of education has ties with various reputed public and government schools to provide enriched and valuable experience to pupil teachers which will enhance their teaching skills and build up their confidence level.

Practical Work

- Community Service
- Gardening
- Co-curricular Activities
- Interior Decoration
- Sport Yoga and Life Skills Activities
- Low Cost Teaching Aids
- Socially useful productive work (SUPW)
- Painting
- Art and Craft work
- Photography
- Clay Modeling
- Domestic Use of Electric Gadgets

Activities

During the session, various activities take place in the School as given bellow:

- Festival celebration
- Women's day
- Board Decoration competition
- Excursion (one day)
- Mehndi competition
- Earth day celebration
- Rangoli competition
- Food without fire

Special Attractions

- Personality Development Program (PDP) for all the students;
- Motivation by teachers to communicate in English;
- Mock Group discussion(GDs) and Interview sessions to prepare students for their jobs;
- Prepare students for CTET, HTET and NET etc.

Placements

Various reputed public schools and companies come for campus hiring and many students got placed in various educational institutes and companies so far.

Career Prospects :

- 1) Community Education Officer
- 2) Early Years Teacher
- 3) Education Administrator
- 4) English as a Foreign Language Teacher
- 5) Further Education Teacher
- 6) Learning Mentor
- 7) Primary School Teacher
- 8) Secondary School Teacher
- 9) Special Educational needs teacher
- 10) Teaching Assistant

SCHOOL OF COMMERCE & MANAGEMENT

The School of Management Sciences was established in the year 2004, with the very purpose of proliferating management education and thus contributing towards Economic development at National level by creating learned and skilled managers and entrepreneurs to serve for ever changing global business environment in industry, Research and consultancy in various areas of management. Its vision is to relentlessly prepare such global managers who can work as solution providers for global research problems and can embark upon promising careers in the corporate world.

The long term vision of the School is aimed at creating finest development of students and thus fostering effective stemming of skilled manpower at macro level. The School strives to create a niche of talented managers who can make contributions to global businesses.

The School has experienced faculty members who implement teaching-learning while making the best use of the technology. The learning process generates compounded thinking in varied frontiers which could be utilized in research, consultancy and training.

The syllabi is highly aligned to the corporate needs. It consistently focuses on designing practice oriented learning and contemporary industry-focused curriculum, driven by strong corporate interface, guest lectures, hobby club activities, minor and major projects, dissertation, industrial visits and excursion, conclaves, conferences and seminars.

The planned pedagogy aims at maximizing practical learning platform and developing understanding of students including short term assignments, participation in inter-college events, compulsory news reading sessions, group discussions, presentation on various contemporary topics, business news awareness sessions and personality development. Mentoring sessions are organised for inclusive development and growth of future managers.

Programs Offered

- BBA
- B.COM
- BBA - MBA (Integrated)
- MBA
- Ph.D Program in Management

Special Features

Innovative and Participative Learning: Academically strengthening the students with best of knowledge is the major focus for which we adopt a blended learning method based on participation and sharpening the analytical and reasoning skills in students. For this latest case studies, Field visits, Live Projects, Group projects, Industrial visits, esteemed expert talks, Group Discussions, Debates, Seminars and Workshops are organized using electronic enabled techniques.

Contemporary Curriculum: The curriculum is designed in a way to translate the real world situation to the syllabi. The Board of Studies which comprises of Experts from outside and within the university, through their insight, help in ensuring that the syllabi is a right mix of content needed to transfer the right and required knowledge.

Rich Reference and reading Material: Apart from Central Library the Department has its own Departmental Library which is rich with related Journals, books, business magazines and industrial reports along with electronic resources to help develop the research skills.

IT Facility: Computing facilities are available for students to access latest software.

Industry Interface: Industrial visits are regularly arranged in order to have exposure to the live problems of the Business World. Conferences, Seminars, Discussions, Presentations and Workshops are organized at regular intervals to have industry interface and it stimulates a vibrant interplay of ideas and their practical application besides providing an overall perspective towards solving management problems.

Mentoring: At departmental level mentoring process is highly encouraged for personal and professional development of students. Student groups are made and faculty mentors get associated with them which help in confidence building and provide psycho-social support so that they can communicate and gain greater relevant knowledge and wisdom and complete the program successfully.

Focus on strengthening Research Aptitude: Apart from imbibing and instilling management aptitude and outlook, rigorous training on soft skill development including communication and

behavioral perspective is given an equal weightage. Along with this, in order to develop an aptitude towards research there are compulsory sessions for providing training on different softwares which aid in conducting research. All these invincible efforts on academic front matched with a unique Corporate Resource Cell for Training and Placement have facilitated in generating excellent placements of students in several well known National and Multinational companies in the area of technology, manufacturing, consulting, finances and services.

Career Prospects :

- 1) Financial Analysts
- 2) Human Resources (HR) Manager
- 3) Marketing Executive
- 4) Executive Assistant
- 5) Banking & Finance
- 6) Hospital Management
- 7) Sales Manager
- 8) Operations Manager
- 9) Materials Manager
- 10) Quality Assurance Manager
- 11) Purchasing Officer
- 12) Production Manager
- 13) Supply Chain Consultant
- 14) Project Manager
- 15) Entrepreneurship

SOCM Clubs

SCHOOL OF LAW

The School of Law at Lingaya's Vidyapeeth is dedicated to providing high-quality legal education that combines academic excellence with practical training. The School is committed to developing skilled legal professionals who are equipped to address contemporary legal challenges and contribute to society. With a focus on ethics, critical thinking, and professional skills, the School of Law fosters an environment that encourages academic rigor, research, and real-world legal practice.

The School of Law at Lingaya's Vidyapeeth offers a robust academic program designed to prepare students for careers in the legal field. It emphasizes the development of legal reasoning, advocacy skills, and a strong understanding of the Indian legal system and international law. Through its well-structured curriculum and focus on experiential learning, the School equips students with the knowledge and skills required to succeed in a variety of legal professions, including litigation, corporate law, public service, and academia.

Programs Offered:

The School of Law offers a comprehensive range of undergraduate and postgraduate programs, tailored to meet the diverse needs of students:

- BBA. LL.B.
- BA LLB
- LL.B.
- LL.M.

Faculty Members:

The School of Law boasts a distinguished faculty comprising experienced academicians, legal practitioners, and researchers. The faculty members bring a wealth of knowledge in various legal domains and are committed to mentoring students and guiding them through their academic and professional journeys. Faculty members also engage in legal research, publishing in national and international journals, and participating in conferences and legal seminars.

Infrastructure:

Lingaya's Vidyapeeth provides state-of-the-art infrastructure to support the academic and co-curricular activities of law students:

Moot court hall: A fully equipped moot court where students can simulate courtroom proceedings and practice legal advocacy in a realistic setting.

Law library: The law library is well-stocked with an extensive collection of books, law journals, case reports, and online legal databases such as Manupatra and SCC Online, providing students with access to a vast array of legal resources.

Digital classrooms: Equipped with smart technology to facilitate interactive learning, enabling students to engage with legal education in a modern, tech-savvy environment.

Special Features:

The School of Law offers several distinctive features that enhance the student experience:

Moot court competitions: Regular participation in national and international moot court competitions helps students develop advocacy skills, legal research abilities, and public speaking prowess.

Internships and legal clinics: The School has strong ties with law firms, legal departments, NGOs, and government bodies, providing students with valuable internships and practical exposure. The legal aid clinic offers students opportunities to provide pro bono legal assistance to underprivileged communities.

Workshops and guest lectures: Frequent workshops, seminars, and guest lectures by judges, senior advocates, and legal scholars expose students to the latest trends and challenges in the legal profession.

Focus on ethics and professional conduct: The curriculum emphasizes the importance of ethical conduct and professionalism, ensuring that students graduate with a strong sense of legal responsibility and integrity.

Career Opportunities:

Graduates from the School of Law have diverse career opportunities in both public and private sectors. Some potential career paths include:

- Litigation lawyers practicing in courts at all levels, from trial courts to the Supreme Court
- Corporate lawyers working in legal departments of multinational companies or law firms
- Judicial services by appearing for competitive exams to become judges in various courts
- Public prosecutors and legal advisors for government agencies
- Legal academics and researchers in universities and think tanks

- Civil services through UPSC or State Public Service Commissions

With a focus on comprehensive legal education, practical training, and ethical practice, the School of Law at Lingaya's Vidyapeeth prepares students to excel in various legal careers and contribute meaningfully to the legal profession and society.

Educational Tour

SCHOOL OF ARCHITECTURE & PLANNING

The School of Architecture & Planning, set up in 2010, offers five-year degree program in Architecture with the approval of the Council of Architecture with the sanctioned intake of 40 students per batch.

This was followed by the introduction of a two-year full-time post-graduate course in Architecture with the approval of the Council of Architecture from the academic session 2014-15.

Programs Offered

- B. Arch.
- M. Arch.
- M. Plan.
- B.Sc. Interior Design

Infrastructure

- The School has State-of-the art Classrooms, Air Conditioned studios, Model making lab, Art studio, Exhibition hall, NASA room, videography and photography labs.
- The School also has Survey Lab, Carpentry Workshop and Mechanical Workshop (shared).
- The School has highly qualified and experienced faculty from academics as well as from the field.
- The construction yard helps the students to learn through observation and experimentation.

Beside class room teachings, Emphasis is given on Guest lectures, workshops, site visits, cultural activities, On-Site Construction, study models and analysis. Students are encouraged to visit sites and do market surveys as a part of their curriculum to make them aware of the latest architectures and construction technologies. Site visits are organized from time to time.

Review meetings are conducted twice a year with external experts from academics as well as professional field, to upgrade the curriculum according to the recent trends but at the same time following Council of Architecture

Students Association with other Architecture Colleges

Student activities like NASA are encouraged to make them aware of the work going on in other Architecture colleges of India and SAARC nations and also to have interaction and healthy competitions with them.

Special Features

Workshops on low cost housing, green buildings and sustainable Architecture are held from time to time to apprise students of the current global scenario in Architecture.

Career Prospects :

- 1) Building surveyor
- 2) Commercial/residential surveyor
- 3) Higher education lecturer
- 4) Historic buildings inspector/ conservation officer
- 5) Landscape architect
- 6) Planning and development surveyor
- 7) Production designer, theatre / television / film
- 8) Structural engineer
- 9) Town planner

SCHOOL OF AGRICULTURE

The School of Agriculture at Lingaya's Vidyapeeth is dedicated to advancing agricultural education and research in alignment with contemporary challenges and innovations in the field. With a commitment to sustainable agriculture, food security, and rural development, the School provides a dynamic platform for students to gain practical and scientific knowledge essential for the modern agricultural landscape. The School aims to create professionals equipped with the skills to address global agricultural issues while enhancing the productivity and sustainability of the sector.

The School of Agriculture at Lingaya's Vidyapeeth offers a comprehensive educational framework that blends theoretical knowledge with hands-on training. Its mission is to prepare students to become future leaders in agriculture by equipping them with the skills required to address pressing agricultural challenges such as climate change, food scarcity, and sustainable farming practices. The School fosters an environment of innovation, research, and community engagement, enabling students to contribute meaningfully to both rural development and global agricultural systems.

Programs Offered:

- B.Sc. (Hons) Agriculture.

Faculty Members:

The School is led by a team of highly qualified faculty members, who are experts in their respective fields of agriculture. Faculty members have significant teaching and research experience and are actively engaged in advancing knowledge through research projects and collaborations with industry and governmental bodies. Their expertise ensures that students receive top-quality education and guidance for both academic and practical applications in agriculture.

Infrastructure:

Lingaya's Vidyapeeth offers state-of-the-art infrastructure to support the academic and research needs of its agriculture students:

Research farms and laboratories: The School has well-maintained agricultural research farms where students gain hands-on experience in crop production, pest management, and soil testing. The laboratories are equipped with modern tools and equipment for experimentation and research.

Greenhouses and polyhouses: These facilities provide students with practical exposure to

controlled environment agriculture, allowing them to learn about advanced horticultural practices.

Library and digital resources: The Vidyapeeth's library is stocked with extensive resources on agricultural science, including books, journals, and online databases, supporting both coursework and research.

Special Features:

The School of Agriculture offers several distinctive features designed to enhance the learning experience:

Practical exposure: Students are regularly involved in fieldwork, rural agricultural projects, and internships with agro-industries and governmental bodies.

Workshops and seminars: Frequent workshops, guest lectures, and seminars with industry experts and researchers provide insights into current trends and innovations in agriculture.

Sustainability focus: The curriculum emphasizes sustainable agriculture practices, preparing students to contribute to eco-friendly farming and resource management.

Collaborations: The School partners with agricultural research institutions, NGOs, and government agencies to facilitate research and real-world problem-solving opportunities.

Career Opportunities:

Graduates of the School of Agriculture have a wide range of career opportunities in both public and private sectors. Some potential career paths include:

Agricultural research scientists in government and private research institutions

Agronomists and horticulturists working in the crop and plantation sectors

Agri-business managers and entrepreneurs in agro-based industries

Extension officers involved in community outreach and rural development programs

Food technologists and soil conservation specialists

Farm managers and consultants in modern farming practices

Government roles in agriculture departments, policy planning, and rural development initiatives

With the demand for sustainable food production increasing globally, graduates from the School of Agriculture at Lingaya's Vidyapeeth are well-equipped to address these challenges and pursue rewarding careers that impact society positively.

The School of Agriculture aims to shape the future of farming and agriculture by educating professionals who are capable of revolutionizing traditional practices through innovation and sustainable solutions.

SCHOOL OF DESIGN

The School of Design at Lingaya's Vidyapeeth is a hub of creativity and innovation, offering students a comprehensive education in various design disciplines. The School focuses on developing professionals who possess both artistic flair and practical design skills. By integrating traditional craftsmanship with modern design technology, the School prepares students to excel in industries such as fashion, interior design, graphic design, product design, and more.

The School of Design at Lingaya's Vidyapeeth is dedicated to nurturing creativity and innovation, with a curriculum that blends theoretical knowledge, practical skills, and industry exposure. With a strong emphasis on design thinking, aesthetic principles, and user-centered solutions, the School aims to foster an environment where students can thrive as independent thinkers and creators. The programs are designed to equip students with the skills to meet the evolving demands of the design industry while instilling a deep understanding of global design trends and sustainable practices.

Programs Offered:

The School offers a diverse range of undergraduate and postgraduate programs that cater to the different facets of design:

- B.Sc. in fashion Design

Faculty Members:

The faculty at the School of Design comprises a blend of experienced academicians, industry professionals, and design practitioners. They bring a wealth of knowledge from their respective fields and are committed to mentoring students through practical workshops, design projects, and industry collaborations. The faculty's diverse experience in areas such as fashion, interior design, and digital media ensures that students gain insights from both traditional and modern design practices.

Infrastructure:

Lingaya's Vidyapeeth provides top-notch infrastructure that supports the creative and practical needs of design students:

Design studios: Fully equipped with modern tools and technologies, including advanced sewing machines, 3D printers, and digital design software, to support hands-on learning.

Workshops and labs: Specialized spaces for textile design, pattern making, and interior model creation, allowing students to experiment with materials and techniques.

Computer labs: Equipped with the latest design software like Adobe Creative Suite, AutoCAD, and other 3D design tools, ensuring students can learn and apply digital design skills effectively.

Exhibition spaces: Dedicated spaces for students to showcase their design projects, portfolios, and installations, fostering a culture of creative exchange and critique.

Special Features:

The School of Design at Lingaya's Vidyapeeth offers several unique features that set it apart:

Industry collaborations: Regular interactions with design professionals through workshops, guest lectures, and industry-sponsored projects allow students to stay up-to-date with current industry practices and trends.

Design competitions and showcases: Students are encouraged to participate in national and international design competitions, providing a platform for them to gain recognition and exposure to the global design community.

Focus on sustainability: The School emphasizes sustainable design practices, incorporating eco-friendly materials and methods in its courses. This focus on sustainability helps students develop responsible and forward-thinking design solutions.

Internships and placements: Strong industry connections enable students to gain real-world experience through internships with top design firms, fashion houses, and architectural studios, as well as placement opportunities after graduation.

Career Opportunities:

Graduates from the School of Design have a wide range of career opportunities across various creative industries. Some potential career paths include:

- Fashion designers in apparel, accessories, and textile industries
- Interior designers working on residential, commercial, and hospitality projects
- Product designers developing innovative and functional products
- Graphic designers specializing in branding, advertising, and digital media
- UI/UX designers creating user-friendly interfaces for websites and mobile applications
- Design consultants working with firms or as independent professionals in design strategy and innovation
- Entrepreneurs launching their own design labels or studios

The School of Design at Lingaya's Vidyapeeth nurtures students' creative potential, preparing them for successful careers in the design industry. Through its combination of innovative teaching, hands-on learning, and industry exposure, the School ensures that students are equipped to meet the dynamic needs of the modern design world.

ACADEMIC ACHIEVEMENTS

SCHOOL OF ARCHITECTURE AND PLANNING

S. No	Topic of Site Visit	Date	Held at
1.	Visit to Sarvodaya Hospital	06.10.2023	Sarvodaya Hospital, Sector-8, Faridabad
2.	Visit to IMT Industrial Expo, Faridabad	2 nd – 4 th .12.2023	IMT, Faridabad
3.	India Art Architecture and Design Biennale 2023 in association with Council of Architecture at Lalit kala Akademi, Delhi, associated with Council of Architecture	11 th - 14 th .12.2023	Lalit kala Akademi, Delhi
4.	Visit to Ace-Tech 2023	15.12.2023	Pragati Maidan, New Delhi

Events/special lecture/ seminar organized with photographs:

Item No. 26.5: To Report the various Academic activities conducted in the University after the 25th Academic Council Meeting.

Academic Activities conducted by various department at Central level are as under:

1. Industrial Visits
2. Workshops / Guest Lectures
3. Seminars
4. Wall Arts
5. Field Work
6. Poster Making
7. Educational visits
8. Reel Making Competition
9. Brain Bonanza
10. Coke Studio
11. Finance Quiz
12. Boot Camp
13. Best Out of Waste
14. Nukkad Natak etc.

Total Number of Activities are attached with proceedings.

Item No. 26.6: To Report on Extra and Co-curricular activities of University

A good number of extra curricular activities were conducted in the University to mention a few of them are,

1. Republic Day Celebration
2. Sports Day Celebration
3. Holi Celebration
4. Lohri celebration
5. Plantation Drive
- 6..Star Night
- 7..Zest
8. Legal Aid and Awareness Camp
9. NSS Activity
10. Social Media Promotion

Efforts were appreciated by one and all.

Item No. 26.7: To Report on the Academic Achievements of various Schools (Students and Faculty)

Academic Achievements of all Concerned Schools / Departments were considered & the same have been approved.

All the Academic activities are attached with proceedings.

Item No. 26.8: To consider and approve minutes of BOS meeting School /Department wise:

Minutes of BOS meeting of All School /Department were considered & the same have been approved.

All the Minutes of BOS meeting of All School /Department are attached with proceedings.

Item No. 26.9: To Report on Training & Placement of Students

In light of the recent presentation on training and placement data, it has been decided to lay greater emphasis on enhancing our training and placement activities. This proposal outlines a plan to improve Personal Development Program (PDP) classes, conduct mock interviews, and refine resume writing skills to better prepare our students for successful careers.

Item No. 26.10: To Report the MOU's signed by Lingaya's Vidyapeeth

Various MOUs of Strategic importance were signed by the University. Few of them are as under:

1. MSM Global Education Limited
2. Metaacogz World
3. Correlate AS
4. Fanplay Games & Media Private Limited
5. Effectual Legal Services Private Limited
6. SKM Education Private Limited

Item No. 26.11: Any other item with the Permission of the Chair

The amendments to be incorporated in the existing Grading Scheme of Lingaya's Vidyapeeth Examination Manual (General Examination Rules) leading to all Diploma / Bachelor's / Master / Ph.D. Degree Programmes following Semester/Annual system and it was unanimously decided that it will be considered in the next academic council.

The meeting ended with the vote of thanks and it was followed by a delicious lunch by the Hon'ble Vice chancellor.

AWARD OF DOCTOR HONORIS CAUSA

The HONORIS DOCTORATE DEGREE was awarded to “Mr. Kushagra Nandan, Managing Director and CEO, SunSource Energy” in the 12th Convocation of Lingaya’s Vidyapeeth held on 12th November 2023.

MINUTES OF THE MEETING OF HONORIS DOCTORATE COMMITTEE HELD ON 07th NOVEMBER 2023, IN THE PRO-CHANCELLOR'S OFFICE AT 10:00AM.

A meeting of Honoris Doctorate Committee was held under the Chairmanship of Prof. (Dr.) M. K. Soni, Pro Chancellor.

The following members present in the meeting:

- | | |
|-----------------------------|------------------------------|
| 1) Prof. (Dr.) M.K. Soni | Pro-Chancellor |
| Chairperson | |
| 2) Prof. (Dr.) Seema Bushra | Dean Academics |
| 3) Prof. (Dr.) Devdutt | Dean R&D |
| 4) Dr. Samriti Mahajan | Assoc. Professor & HOD, SOCM |
| 5) Dr. Nand Ram | Professor, Agriculture |
| 6) Dr. Ritu Sindhu | Professor & HOD, SOCS&IT |
| 7) Dr. Monika Rastogi | Professor & HOD, Law |
| 8) Dr. Rajnee Gaur | Professor & HOD, Education |
| 9) Mr. Prem Kumar Salwan | Registrar |

Prof. (Dr.) M. P. Gupta, Vice Chancellor and Prof. (Dr.) S.V.A. V. Prasad were on leave and could not attend the meeting.

- The process and procedure of “POLICY OF HONORIS DOCTORATE” was read over to the members of Honoris Doctorate Committee by Prof. (Dr.) M. K. Soni, Pro Chancellor.
- The profiles of three candidates shortlisted were put-up before the committee members and after a debate/ discussion the following decision was unanimously passed:

RESOLVED:

“The Honoris Doctorate Degree of Lingaya’s Vidyapeeth be given to KUSHAGRA NANDAN Co-Founder, Managing Director of Sun Source Energy Company.”

There being not any other issues and the meeting was ended with vote of thanks to the chair.

BRIEF PROFILE OF MR. KUSHAGRA NANDAN

Kushagra Nandan

Co-Founder, Managing Director and CEO, SunSource Energy

A solar energy enthusiast, Kushagra has over two decades of industry experience. During his professional career, he has built, led, and managed large teams that have developed multiple MW scale solar energy projects across the world.

As the Co-Founder, Managing Director, and CEO of SunSource Energy, one of India's leading integrated distributed solar companies, he has been instrumental in shaping the company's strategy and leading its project execution, technology, and engineering efforts. In the short span of a decade, he has carved a niche in the global Solar market. In 2021, he achieved successful exits for PEs and the two founders by divesting stake to SHV Energy, a 125-year-old Dutch multinational.

Before founding SunSource Energy, Kushagra worked with a couple of leading global solar majors including SunPower, GE, and Conti Group. He is a graduate in Solar Energy Engineering from the University of Massachusetts and has a Bachelor's degree in Electrical Engineering from Manipal Institute of Technology.

Kushagra has served as a solar technical expert to the World Bank and IFC. He was also a member of the interconnection group at the Mid-Atlantic Solar Energy Association where he assisted New Jersey's Board of Public Utilities in helping define the state's solar policy implementation. He Chairs the C&I Solar Committee at the National Solar Energy Federation of India and is the Co-Chair of the UP State Development Council of ASSOCHAM. He is passionate about rural electrification and energy security through clean energy and storage-based solutions.

Kushagra has won several awards including the 'BW Businessworld 40 under 40', the 'Global Young Entrepreneur Excellence Award' at WRETC, the 'UP Ratna 2018', the 'Amity Corporate Excellence Awards' and the 'Entrepreneur of the Year Award' at the DLA Awards 2019. His work has been highlighted in top publications and he is a sought-after speaker at major global platforms.

Education:

- BS in Electrical Engineering from Manipal Institute of Technology in 2002
- MS in Energy Engineering from University of Massachusetts Lowell in 2004
 - SunPower Corp sponsored master's thesis study aimed to increase annual PV module energy production by 3.5% and achieve savings up to \$0.15/Wp.
 - Worked with Konarka Technologies for a third-party evaluation of their solar cell product under development.

Professional Experience

- Worked with Astro Energy (now GE) in 2003.
- Worked with SunPower corporation in 2004.
- Worked with SunDurance Energy, Conti Group from 2005 to 2011.
 - Played key role in creating a new division for renewable energy from early-stage start-up to a current market leader in its segment.
 - Lead development of engineering group to achieve technology & business advantage. Involved with Business Development, operations and responsible for project estimating & technology assessment.

SunSource Energy (2010- Present)

- Co-Founded one of India's leading distributed Solar companies, SunSource Energy in 2010.
- Implemented one of India's first private distributed Solar PPA projects in 2013.
- Developed one on India's first Solar + Storage projects for a school in Uttar Pradesh in 2013.
- Developed one of Philippines largest rooftop solar projects at commissioning in 2015.
- Developed island electrification projects to supply clean power to two islands in Lakshadweep.
- Expanded operations across 20+ states in India and multiple countries in South East Asia.
- In 2018, raised equity from NEEV Fund, a private equity firm backed by State Bank of India (SBI) and the UK government.
- In 2021, he achieved successful exits for PEs and the two founders by divesting stake to SHV Energy, a 125-year-old Dutch multinational.
- SunSource Energy has developed more than 200 Solar projects and supported energy transition of more than 150 leading corporations.

Awards and Accolades

- 'Corporate Excellence Award' in 2022 by Amity University for his contribution to India's growth story.
- 'Global Young Entrepreneur Excellence Award' by Energy at the World Renewable Energy Technology Congress 2021.
- 'BW Businessworld 40 Under 40 Award' in 2019 for his pioneering role in the Indian Solar Energy Sector.
- Entrepreneur of the Year 2019 at DLA Honours for building a leading renewable energy company in India.
- Best Performing Solar Project at the IPPAI Power Awards 2019.
- UP Ratan 2018 by All India Conference of Intellectuals for the distinguished services rendered by him to the society.

Industry Bodies and Associations

- Chairman of the C&I Solar Committee at the National Solar Energy Federation of India.
- Co-Chair of the Uttar Pradesh State Development Council of ASSOCHAM.
- Served as a solar technical expert to the World Bank and IFC.

I. PREAMBLE:

Lingaya's Vidyapeeth, Faridabad offers research programmes leading to the award of Ph.D. degree. The award of Ph.D. degree is in recognition of high academic achievements, independent research and application of knowledge to the solution of technical and scientific problems in Science, Technology, Humanities & Social Sciences. Promotion to creativity and productivity is the basic concept underlying the research work. The academic programme leading to the Ph.D. degree is broad-based and involves a minimum course credit requirement and a research Thesis. The University also encourages research in interdisciplinary areas through a system of joint supervision and provides excellent opportunities for such programs. The University undertakes sponsored research and development projects from industries and other organizations of the public as well as private sectors. The degree of Doctor of Philosophy shall be abbreviated as Ph.D. The degree of Doctor of Philosophy is granted for research work in areas recognized by the academic departments of the University subject to the conditions and regulations contained hereinafter. The research work shall be an original work characterized either by the discovery of facts, or by a fresh approach towards the interpretation and application of facts, or development of equipment making a distinct advancement in instrument technology. It shall evince the candidate's capacity for critical examination and sound judgment and shall represent original contribution to the existing knowledge. The degree of Doctor of Philosophy (Ph.D.) of Lingaya's Vidyapeeth, Faridabad shall be conferred on a candidate who fulfils all the requirements specified in the Ordinances and Regulations. The degree of Doctor of Philosophy (Ph.D.) will be awarded in the topic of his/her work along with the discipline concerned as decided by the supervisor. We strongly believe in our dictum of "Par Excellence with Human Touch". Lingaya's Vidyapeeth, Faridabad operates its Ph.D Programme based on the UGC guidelines.

II. COMMENCEMENT

- Based on UGC Notification on (Minimum Standards and Procedures for Award of Ph.D Degree) Regulations, 2022 dated 7th November, 2022, this ordinance is applicable to the

research programme leading to the award of Degree of Doctor of Philosophy (Ph.D) which may be undertaken in any of the Departments/Institutes of the University, fulfilling the academic, administrative and infrastructure requirements as specified by the UGC.

- These regulations shall be called the Regulations for the Doctoral Degree Programme in Management, Engineering/Technology, Science, Law or any other non-engineering Programme run by the University.
- No research Programme for the award of Ph.D degree shall, however, be undertaken through distance education mode. 4. These regulations shall come into force with effect from the date of their approval by the Academic Council.

III. DEFINITIONS

- “**Applicant**” shall mean a person who is an eligible aspirant for admission to Ph. D. programme of the University.
- “**COE**” shall mean the Controller of Examination of the University.
- “**Co-Supervisor**” shall mean a member of the academic staff of the University/other outside staff, other than the Supervisor, and approved by the Academic Council on the recommendation of the DRC to supervise and monitor the research work of the candidate fulfilling the eligibility criteria.
- “**Course work**” shall mean the courses of study to be undertaken by the research scholar prior to the commencement of actual research work – comprising both credit as well as audit courses.
- “**Course Credits**” shall mean an integer number indicating the weightage assigned to a Course Unit, Project, Research work or any other academic component, on the basis of contact hours per week on all learning activities.
- “**CGPA**” shall mean the Cumulative Grade Point Average of a student.
- “**DRC**” shall mean Departmental Research Committee to consider the recommendations of RAC.
- “**External Supervisor**” shall mean a person who is fully responsible for providing guidance, and executing supervision including monitoring quarterly/half yearly progress for the continuance of Research Work of a Research Scholar and such a person has to be from outside institution/industry/organization and not from the University.
- “**Full-time Research Scholar**” shall mean a person registered for the Ph.D degree devoting major part of study time at the University for completing the degree requirements.
- “**Minimum Registration Period**” shall mean the minimum period for which a Research

Scholar must be registered, prior to the date of submission of the Thesis.

- “**ODC**” shall mean committee conducting Oral Defense of the Research Scholar.
- “**Ordinances**” shall mean the Ordinances of Lingaya’s Vidyapeeth Faridabad.
- “**Part-time Research Scholar**” shall mean a person who is registered for the Ph.D. degree devoting part of his time for completing the requirements of this degree while discharging his/her employment obligations.
- “**Ph.D.**” shall mean the degree of the Doctor of Philosophy.
- “**Ph.D. Programme**” shall mean a programme leading to the award of the Ph. D. in Engineering / Technology, Management, Science, Education, Pharmacy, Law and other disciplines as decided by the University, supported by funding agencies, sponsored by Industry, R&D Institution and/or on self-financed basis.
- “**Registration**” shall mean the registration of a research scholar who has been admitted for Ph. D. Programme and paid the fees.
- “**RAC**” shall mean Research Advisory Committee.
- “**Registration Period**” shall mean the length of period commencing with the date of provisional registration at the University and ending on the date of submission of the Thesis, counting out any gaps.
- “**Research Scholar**” shall mean a person who is provisionally registered for Ph. D. at the University.
- “**Self-Financed Ph.D. Programme**” shall mean the Doctoral degree programme supported/financed by the candidate by himself/herself.
- “**Self-financed Research Scholar**” shall mean a full time/part time Research Scholar who does not get any financial support from any source and finances/supports himself / herself for his/ her Ph. D. Programme.
- “**Sponsored Research Scholar**” shall mean a full time/part time full time/part time research Scholar except that he/she receives complete financial support from the sponsoring organization/employer.
- “**Sponsored Ph.D. Programme**” shall mean the Doctoral degree programme supported/financed by the Industry/R&D institution/Academic institution.
- “**Supervisor**” means a person who is fully responsible for providing guidance, and executing supervision including monitoring quarterly/ half yearly progress for the continuance of Research work of a candidate and such a person has to be a faculty at the University.
- “**Synopsis**” shall mean a document submitted by a Research scholar, after having completed the research work, and ready for presenting his work before DRC prior to submission of the Thesis.

- “**University**” shall mean Lingaya’s Vidyapeeth, Faridabad (Deemed to be University).
- “**VC**” shall mean the Vice Chancellor of the University.

IV. RULES & REGULATION

- The minimum qualifications for admission to the Ph.D. programme shall be:
 - A Master's degree in Engineering/Technology/Science/ Management/ Humanities and Social Sciences or any other equivalent qualification recognized by the University.
 - A candidate registered for the Ph.D. programme shall be required to satisfy a minimum registration period requirement, as laid down in the Regulations.
 - A candidate shall be required to earn prescribed credits through courses and/or carry out his/her research work at the University, under the guidance of approved supervisor(s). In special circumstances, a full-time candidate may be permitted to carry out part of his/her research outside the Institute, within India or abroad, with no financial liability on the part of the University.
 - A candidate will be required to complete all requirements for the award of the degree within a period specified in the Regulations.
 - The date of initial registration shall normally be the date on which the student formally registers for the first time in the beginning of a Semester for the Ph.D. Programme, which shall also be the date of his/her joining the programme for all intents and purposes.
 - For a student to become a candidate of the degree, he/she shall have to satisfy the requirements laid down in the Regulations.
 - A full-time candidate may be allowed to convert his/her registration into part time registration on the recommendation of the DRC of the concerned department – only after completion of course work/comprehensive examination or after submission of synopsis. The candidates thus converting to part-time will have to produce a No Objection Certificate (NOC) from their employer within six months from the date of conversion. If full time Ph.D. scholars get employed in the Sponsored Projects at the University, they can be permitted to convert their registration from full time to part time after one year or after completion of the course work, whichever is later. Such conversion will be permissible only if he or she works in the Projects at the Institute, not for employment outside the University.
 - If a part-time Ph.D. registrant applies for conversion of his/her registration into full time registration, the Dean (Academics) on the recommendation of the DRC may allow him/her for the same with or without assistantship/scholarship based on the individual merits of each case provided: (a) The student had already completed the comprehensive examination and (b) On the date of application, the candidate has satisfied all conditions prescribed for admission as a full-

time candidate.

- If a candidate withdraws from his/her Ph.D. programme or his/her registration is terminated, his/her candidate status shall cease. If such a candidate is readmitted, he/she may be given weightage to the credits acquired during the previous registration on the recommendation of the DRC except in the case of termination on disciplinary grounds.
- The award of the Ph.D. degree to an eligible candidate shall be made in accordance with the Regulations of the University.

1. ACADEMIC COUNCIL

Subject to the general control of the Academic Council, research studies for Ph.D. programme shall be organized by the concerned Board of Studies assisted by the Departmental Research Committee (DRC)/Research Advisory Committee (RAC) in respective discipline.

2. DURATION OF PH.D. PROGRAMME

- Ph.D. programme shall be for a minimum duration of three years, including course work and a maximum of six years.
- However, in special circumstances, Vice Chancellor on the recommendation of RAC/DRC may increase the duration for up to two more years through a process of re-registration; provided, however, that the total period for completion of a Ph.D. programme should not exceed eight years from the date of admission in the Ph.D. programme.
- The women candidates and Persons with Disability (more than 40% disability) may be allowed a relaxation of two years for Ph.D. in the maximum duration. In addition, the women candidates may be provided Maternity Leave/Child Care Leave once in the entire duration in accordance with UGC Norms.
- The duration of the Ph. D. Programme shall be counted from the date of Registration to the date of Ph. D. Thesis submission.

3. ADMISSION CATEGORIES

The applicants shall be admitted to the Ph. D. programme of the University under one of the following categories:

3.1. Full-time Research Scholar

A scholar who is registered for the Ph. D. degree devoting major part of study time at the University for completing the degree requirements shall be a Full-time Research scholar. This category shall include:

- a) Research scholar including foreign nationals getting financial support from Government/Semi-government agencies or teaching/research assistantship from the University.
- b) Research scholar released from Governmental or Educational institution on study leave with salary for a period not less than 2 years for pursuing Ph. D. Programme; or Self- financed Research Scholar in any of the following categories:
- (i) General – A person with experience and with good track record to join the full-time Ph. D. Programme on self-financed basis.
- (ii) Study Leave – A person released from a Government department or educational institution or industrial organization on study leave without pay for not less than 2 years for pursuing full-time Ph. D. programme.
- (iii) Research Fellow/Employee – Working full-time in an R&D Project at the University provided the topic of his Ph. D. topic is in conformity with that of the project, as certified by DRC.

3.2. Part-time Research Scholar

A candidate who is registered for the Ph. D. Programme devoting part of his/her time for completing the requirements of this degree while discharging his employment obligations. This category shall include any of the following: a) Regular employee (faculty or staff) of the University. b) Research Fellow working full-time in an R&D Project at the University provided the tenure of such project extends at least over next 2 years after the registration. c) A candidate sponsored by and or employed in the industry / organizations / academic institutions having access to required R&D facilities recognized by the University. Change of Status from one category to another category or from Full-time to Part-time and vice versa will be subject to final decision by the VC.

4.0. DISCIPLINES OF PHD PROGRAMME

The PhD programme is conducted by most of the Schools/ Departments of Lingaya's Vidyapeeth. The disciplines include – Computer Science & Engineering, Mechanical Engineering, Civil Engineering, Electronics and Communication Engineering, Chemistry, Physics, Mathematics, English, Commerce & Management, Education, Law, Psychology, Mass Communication etc.

5.0. ADMISSION ELIGIBILITY CRITERIA

a. Ph. D. in Engineering / Technology or Related Disciplines

For admission to Ph. D. Programs in Engineering/Technology or related disciplines, the candidate must have minimum 55% marks or minimum grade equivalent to 55% marks in M.E /

M. Tech/M.Voc in related/allied disciplines from a recognized University.

b. Ph. D. in Management, Pharmacy and Non-Engineering Disciplines

For Ph.D. Programs in, Pharmacy and Non-Engineering fields, the candidate(s) must have minimum 55% marks or equivalent Grade in PG Degree in related/allied disciplines.

For Ph.D. Programs in Management, Master degree in Management/Commerce/Economics and other allied relevant disciplines, Post Graduate Diploma in Management (PGDM); equivalent from AIU or have minimum 55% marks or equivalent CGPA/Grade in PG Degree in related/allied disciplines or Professional Qualification CA/CS/CMA membership.

A relaxation of 5% marks or its equivalent grade may be allowed for those belonging to SC/ST/OBC (non-creamy layer)/Differently-Abled, Economically Weaker Section (EWS) and other categories of candidates as per UGC norms. Provided that if a Department/School desires to incorporate additional eligibility requirement to cater to the specific need of the course, the concerned DRC will be authorized to do so.

c. Bachelor Degree in Engineering/Technology in relevant discipline or equivalent with a minimum 75% marks in aggregate or equivalent CGPA and having proven research capability.

6. ADMISSION PROCEDURE

6.1. Every year the Departments/Institutes of the University shall decide through their academic bodies (Departmental Research Committee) a predetermined and manageable number of Ph.D. scholars to be admitted depending on the number of available Research Supervisors; required infrastructure; research promotion facilities; research labs, library and availability of such other academic and physical facilities keeping in mind the norms regarding the scholar supervisor ratio.

6.2. The interested candidates should apply through a formal Application Form as prescribed, available in the Website of the University or from the Accounts Section of the University.

6.3. Admission Entrance Test shall be conducted by the University as per syllabi of various courses available on the Website of the University. After the written test, interview shall be conducted for the candidates qualifying the written examination for selection of candidate(s), to the course.

6.4. Candidates who have qualified in UGC/ CSIR (JRF) Examination/ SLET/ GATE / GPAT Score Card/ M. Phil (As a Regular Candidate from UGC Recognized University for admission to non-engineering disciplines), may not be required to appear for Entrance Test of the University. However, their appearance in the interview shall be mandatory for admission for such category

6.5. The merit of the candidates exempted from appearing in the Entrance Test shall be

determined on the basis of their academic merit followed by interview/viva voce along with other candidates.

6.6. The Entrance Test shall be followed by interview/viva-voce to be organized by the Department concerned when the candidates are required to discuss their research interest/area through a presentation before a duly constituted Departmental Research Committee (DRC).

6.7. The interview/viva voce shall also consider the aspects viz. whether

6.7.1. the candidate possesses the competence for the proposed research;

6.7.2. the research work can be suitably undertaken at the University;

6.7.3. the proposed area of research can contribute to new/additional knowledge.

6.8. A merit list will be prepared for admission based on the marks obtained in the Entrance Test and Interview or Interview for candidates who have been exempted from the Entrance Test.

6.9. Admission may be made twice in a year- Winter Session and Summer Session. The exact dates shall be notified on the Website of the University.

6.10. Only a pre-determined number of candidates, depending upon available seats / facilities, shall be selected for admission to the Ph. D. programme.

6.11. The verification of documents and eligibility for admission to Ph. D. programme shall be done by the HOD / DRC Chairperson concerned which shall be sent to the Dean Academics for further action.

6.12. The list of all the registered scholars of Ph.D. shall be maintained/ uploaded on its website on year-wise basis. The list shall include the names of the registered candidates, topics of their research, names of their supervisors/co-supervisors, date of enrolment/registration, etc.

6.13. The recommendations with regard to the suitability of the research scholars made by the Departmental Research Committee (DRC) approved by the Vice-Chancellor shall be final.

7. ENTRANCE TEST

7.1. The syllabus for the Entrance Test shall be as prescribed by the University from time to time and shall be displayed on the University Website.

7.2. The Entrance Test shall be conducted at the Campus and/or other Centres as decided by the University.

7.3. Those who secure at least 50% marks in the Entrance Test (45% marks in case of SC/ST/OBC (Non-Creamy layers)/Differently abled persons, EWS and other categories of candidates as per the decision of UGC from time to time will be shortlisted for the interview in order of merit subject to the available seats.)

8. LV FULL TIME Ph.D. FELLOWSHIP

8.1. Fellowship Scheme

On the basis of UGC guidelines, the remuneration for fellowship scheme w.e.f. 25th October 2023 is applicable. Lingaya's Vidyapeeth offers the fulltime Ph.D. fellowship to the meritorious candidates at the following conditions:

8.1.1 All full-time scholars admitted into Ph.D. programme will get a junior fellowship of minimum INR 30,000 per month for First year, INR 35,000 per month for Second year and INR 37,000 per month for Third year. Further, the fellowship amount shall be reviewed and considered by a committee.

8.1.2. Post deposit of registration fee, total fee will be deducted in equal monthly installments from the fellowship of the candidate.

8.1.3. The fellowship amount will be enhanced as per the experience and knowledge of the scholars. There is no bar for maximum fellowship amount for deserving candidates

8.1.4. Upon completion of Ph.D., scholar will get back the paid fees in monthly installments as per LV policy for its employees. 5. Regular scholars opting Ph.D. will be given the experience of teaching by offering him / her work load in the respective departments.

8.1.5. The scholars will be designated as Junior Fellow / Teaching Assistant / Assistant Professor as per the number of years of experience and knowledge.

8.2 LV Policy for its Employees

8.2.1. Upon completion of Ph.D. by the employee / employees, fee deducted from the salary of the employee / employees on monthly basis will be reimbursed in the same monthly ratio as deducted.

8.2.2. After completion of Ph.D., scholar has to work for minimum time duration of One year. In case, he / she cannot continue, he / she has to refund 33 % of fellowship amount before getting relieved. It is to be noted that admission to the Ph.D. programme and award of fellowship are not linked. Admission to any programme does not guarantee the award of fellowship. Those who are not awarded fellowship can continue with the programme as self-financing scholar.

9. COURSE WORK

- All candidates provisionally admitted to Ph. D. programme shall have to complete the 'Course Work' of 12 Credits on the Campus for a minimum duration of One Semester.
- Candidates admitted to Ph.D. Directly after completing B.Tech should complete 16 credits on the Campus for a minimum duration of One Semester
- The maximum duration to complete the Course work shall be one or two semesters (6 months

or 1 year) failing which the registration of the Scholar shall be cancelled.

- Minimum CGPA 5.8 is required for the completion of the Course Work.
- The Course Work shall consist of the following: a) Research Methodology Course (**4 Credits**) which shall be compulsory for all the Scholars; b) Research and Publication Ethics Course (**2 Credits**) which shall be compulsory for all the Scholars; c) One Course (**4 Credits**) related to the research work as recommended by the Supervisor and approved by DRC/VC; and d) Literature Survey Course (**2 Credits**) which will be run on self-study basis.
- Each Course, except Literature Survey Course, shall have 100% End Semester Examination Component. 8.6 Literature Survey Course shall have 100% Continuous Evaluation Component.

PhD Course Work Scheme

	Literature Survey (Discipline Based)	

10. ELIGIBILITY CRITERIA FOR Ph. D. SUPERVISOR/CO-SUPERVISOR

10.1. Supervisor must hold Ph. D. Degree.

10.2. There could be more than one person supervising a Ph. D. Scholar. In such case, all the other person(s) except the Supervisor shall be called as Co-Supervisor(s).

10.3. Only a full time regular teacher of the University can act as a supervisor. The external supervisors are not allowed. However, Co- Supervisor can be allowed in inter-disciplinary areas from other departments of the same institute or from other related institutions with the approval of the DRC.

10.4. A Research Supervisor/Co-supervisor who is a Professor, at any given point of time, cannot guide more than Eight (8) Ph.D. scholars. An Associate Professor as Research Supervisor can guide up to a maximum of six (6) Ph.D. scholars and an Assistant Professor as Research Supervisor can guide up to a maximum of four (4) Ph.D. scholars.

10.5. Adjunct professor, on the recommendation of the DRC and approval by VC, may also be appointed as Supervisor/Co-Supervisor.

11. SELECTION OF A Ph.D. SUPERVISOR/CO-SUPERVISOR

11.1 The concerned DRC shall initiate the process of selection of Supervisor for each Ph. D. Scholar and allocation of Ph. D. Supervisor to a Scholar shall be made by the concerned DRC with the prior approval of the Vice Chancellor. Ph. D. Supervisor may be changed, if required, by the DRC concerned with permission of the Vice Chancellor.

11.2. If the proposed topic of the research, so warrants, the concerned DRC may also appoint Co-supervisor (s), either from within or outside the University.

11.3. If a candidate is to carry the part of his/her Ph. D. work in a foreign country, the DRC concerned may recommend the appointment of a Co-supervisor from the foreign institution concerned having the consent of proposed Co-supervisor.

11.4. If an academic staff is on a long leave of one year or more duration, the DRC concerned shall not recommend him/ her as Supervisor/ Co-supervisor.

11.5. If a Supervisor of a scholar proceeds on long leave of more than two years duration during the first year of registration, the DRC concerned may appoint another Supervisor for the said student.

11.6. If a Supervisor leaves the University within two years of the registration of a Ph. D. scholar, the DRC concerned shall appoint a new Supervisor for him. Provided that if there is a co-supervisor of the said candidate from the same Department/ School/ Centre, he shall be appointed as the Supervisor.

11.7. If a Supervisor proceeds on long leave after two years of registration of a candidate, the Ph. D. Thesis shall be submitted under his/ her supervision provided he/ she is available in the Department/ School/ Centre at the time of the submission of the Thesis. Provided that if the concerned Supervisor is not available in the Department/ School/Centre at the time of the submission of the Thesis, the candidate shall be allowed to submit his/ her Thesis under the Co – Supervisor of the said candidate. Provided further that the candidate shall be allowed to submit his/her Thesis under the Head/ Dean/ Director of the Department/ School/ Centre concerned if both the Supervisor and the Co-Supervisor are on long leave at the time of submission of the Thesis.

11.8. In case of death or resignation of a Supervisor from the University, the Head/ Dean/Director of the Department/ School/ Centre concerned shall discharge the duties of the Supervisor till such time the DRC concerned appoints a new Supervisor of the said Ph. D. scholar.

12. ENROLLMENT AND REGISTRATION

12.1 Enrollment The candidates recommended by the DRC and approved by Vice Chancellor, shall be admitted to the Ph.D. programme of the University. They shall be required to submit the necessary documents for scrutiny and preparation of Registration Return. Upon due processing, the candidates will receive the University Enrolment Number. The Ph.D. tenure to be counted from the day of paying the registration fee provided his candidature gets subsequently approved by the Academic Council.

12.2. Registration After the approval of the Research Plan by the DRC and payment of fees prescribed by the University, a candidate shall be formally registered as a Research Scholar with effect from date on which the Academic Council accorded its approval and the candidate was allotted Enrollment Number. A Research Scholar shall be required to renew his registration every semester/ year and pay the fees in the manner prescribed by the University.

13. RESEARCH PROGRESS ADVISORY COMMITTEE AND PERFORMANCE MONITORING

There shall be a Research Progress Advisory Committee (RPAC) for Ph.D. scholar. Supervisor will be the Chairman of RPAC and 2 subject specialists having interest in the area of research. This Committee shall have the following responsibilities:

13.1. To review the research proposal and finalize the topic of research;

13.2. To the research scholar to develop the study design and methodology of research and identify the course(s) that he/she may have to do.

13.3. To periodically review and assist in the progress of the research work of the research scholar. For this purpose, each Research Scholar will be asked to submit a progress report at the end of each semester to his/ her Supervisor(s). On receipt of the progress report, the Supervisor(s) shall arrange a presentation of the Research Scholar with the RPAC for a review. The RPAC after having evaluated the progress report of each Research scholar, shall recommend to DRC one of the following actions:

a) Continuation of registration;

b) Continuation of registration with issuance of a warning to the research scholar suggesting steps necessary to improve his performance in consultation with the Supervisor(s); or

c) Termination of registration. The six-monthly progress report with comments on evaluation of research work, as per Format prescribed, shall be submitted by the Convener of the RPAC to the Chairman DRC of the concerned Faculty, with a copy to the research scholar.

In case the progress of the research scholar is unsatisfactory, the RAC shall record the reasons

for the same and suggest corrective measures. If the research scholar fails to implement these corrective measures, the RPAC may recommend the Chairman DRC of the concerned Department with specific reasons for cancellation of the registration of the research scholar. If the RPAC recommends termination of registration, the matter is to be referred to DRC. In such cases, the BOS shall recommend its decision to Board of Faculty for its consideration and further ratification of Academic Council.

14. DEPARTMENTAL RESEARCH COMMITTEE

Each Department will constitute the DRC as per following:

- | | |
|--|-------------|
| a) Dean/HOD or a Senior Faculty Member | Chairperson |
| b) HOD, if not Chairman | Member |
| c) All Supervisors within the Department | Members |
| d) Institute Faculty Expert(s) from Outside the Department, if necessary | Member(s) |

Each research scholar will be required to submit his/her progress report to his/her Supervisor once in every 6 months. The progress report submitted by the Research Scholar shall be evaluated by the DRC wherein the Research Scholar shall present the progress of research work carried out during last six months through a Seminar/other Presentation Techniques, before the DRC.

15. RESEARCH PLAN AND SHORT SYNOPSIS

15.1 A Research Scholar shall be required to make a presentation of his Research Proposal/Synopsis within two months from the date of completion of course work before the DRC to establish his preparedness to carry out the proposed research. The Research Plan/Synopsis shall cover the following aspects:

- a) Outline of research proposal
- b) Current state of the literature related to the proposed topic
- c) Summary of the current technology/developments
- d) Proposed methodology
- e) References
- f) Possible applications of the proposed research
- g) Name of the Supervisor(s) and Co-Supervisor(s)

The Research Plan shall be submitted to DRC for consideration at least two weeks before the date of presentation.

15.2. A Research Scholar shall ordinarily be allowed only two attempts for presentation. In case, the Research Plan of a Research Scholar is not approved within the limitations prescribed in this clause, his provisional registration shall stand cancelled.

16. MINIMUM ELIGIBILITY CRITERIA FOR PRE-Ph.D. SUBMISSION SEMINAR AND PRESENTATION

A Research Scholar may submit his/her Thesis within the time period, provided he/she has completed the following requirements: The Research Scholars can appear Pre Ph.D. Thesis Submission seminar minimum **2.6 years after the date of registration.**

16.1. The Research Scholar must have at least Two Research Papers in Refereed Scopus Indexed Journals with DOI (mandatory). All the Scholars will present his/ her research findings in at least One National/International Conference indexed by SCI/SCOPUS/UGCCARE/WOS etc.

16.2. The type of publication/ presentation shall be in the field/sphere of topic of Ph.D. Only those research publications, in the Journals/Proceedings of the Conferences, would be considered where the name of the Research Scholar is written as an author along with that of Supervisor(s). Only full published papers will be considered, however in case of presentation the scholar shall submit the presentation certificate with University affiliation along with Supervisor(s).

16.3. The Research Scholar must mention the affiliation of the University in all his/her research publications emanating of the Ph.D Degree.

17. PRE-Ph.D. SUBMISSION SEMINAR AND PRESENTATION

17.1. On completion of the research work as certified by the Supervisor(s), the Research Scholar shall be eligible to submit the Synopsis and one draft copy of the thesis.

17.2. For this purpose, he shall be required to submit 2 copies of the Synopsis of his research work including bibliography to the DRC through his Supervisor(s). Thereafter, the scholar will be required to make a presentation before the DRC, and the faculty members and Research Scholars of the concerned School/Department.

17.3. After the presentation, the DRC may: a) Approve the Synopsis. In this case, the Research Scholar shall submit the same Synopsis along with the Thesis. b) Suggest some changes in the Synopsis. In this case the Research Scholar shall make suggested changes and on approval of the same by the concerned DRC, shall submit the revised Synopsis along with the Thesis. Notice for Pre-Ph.D. Submission Seminar and Presentation must be issued by the Ph.D. Coordinator with the approval of the DRC concerned, at least 7 calendar days in advance.

18. Plagiarism Policy

In accordance with the UGC Notification on University Grants Commission (Promotion of Academic Integrity and Prevention of Plagiarism in Higher Educational Institutions) Regulations, 2018, the Plagiarism Policy of the institute has been formulated with a view to ensure that the institute ensures zero-tolerance for plagiarism in the research work carried out by its faculty or the students.

'Plagiarism' is the unacknowledged use of another person's work as one's own work. Plagiarism involves copying of Phrases, clauses, sentences, paragraphs, or longer extracts from published or unpublished work including from internet without acknowledgement of the source.

Self-Plagiarism:

Copying/reproducing, in part or whole one's own published work without giving proper reference of that work.

Methods of Plagiarism:

- (a) Quoting directly another person's language, data, illustration, tables, etc. without due acknowledgement of the source.
- (b) Copying a section of book/article/report/monograph/dissertation/thesis without proper citation.
- (c) Buying, stealing or borrowing assignments, experiments/results.
- (d) Paragraphing the work of others without due acknowledgements.
- (e) Using ideas of someone else without crediting the originator.
- (f) Copying, cutting and pasting from the internet or online source and submitting as one's own work without giving proper reference/citation.

Detection of Plagiarism:

Candidate shall submit the report generated on the plagiarism checking software like **Drillbit** software, of his/her Synopsis/draft thesis along with a soft copy of both the documents for the consideration of Departmental Research Committee.

Similarity checks for exclusion from Plagiarism:

The similarity checks for plagiarism shall exclude the following:

- i) All quoted work reproduced with all necessary permission and/or attribution.
- ii) All references, bibliography, table of content, preface and acknowledgements.
- iii) All generic terms, laws, standard symbols and standards equations.

Note:

The research work carried out by the student, faculty, researcher and staff shall be based on original ideas, which shall include abstract, summary, hypothesis, observations, results, conclusions and recommendations only and shall not have any similarities. It shall exclude common knowledge or coincidental terms, up to fourteen (14) consecutive words.

Similarity Index

- i) For Synopsis: Similarities up to 10 %
- ii) For Thesis: Similarities up to 10%

Detection/Reporting/Handling of Plagiarism

If any member of the academic community suspects with appropriate proof that a case of plagiarism has happened in any document, he or she shall report it to the Departmental Research Committee (DRC). Upon receipt of such a complaint or allegation, the DRC shall investigate the matter and submit its recommendations to the Research & Development Department.

Procedure for reconciliation of plagiarism reports:

If a draft thesis is found plagiarized and is reported to Departmental Research Committee, then the Departmental Research Committee shall call the candidate to hear the candidate's view. On hearing the candidate, the Departmental Research Committee shall submit its recommendations keeping in mind the following guidelines:

- a. The similarity between documents is within the limit for putting some original results in proper context and all original sources are correctly cited. The similarity is not of such nature which directly affects the original findings of research. No further action is required. Candidate may be permitted to submit the thesis.
- b. Self-plagiarism: "Regarding self-plagiarism or cases where published work of the student is shown Plagiarism in the check, the candidate may exclude the same by citing it as reference. Only those articles that have been published by the student from the thesis work should be excluded from the check.
- c. Similarity contents are from candidate's previous published work without proper citation. Candidate will be required to resubmit the work with proper citations. If the published work is co-authored by others, the researcher shall submit a consent letter from co-author(s) and publisher permitting him to use the work in his thesis.

Note: The thesis resubmitted as recommended by the Departmental Research Committee will be again placed before Departmental Research Committee and the candidate will also be required to be present to substantiate the necessary improvements made by him/her in the thesis.

Plagiarism reported after the of Award of Degree

- a. In case, any plagiarism is reported to the Institute after a Ph.D. degree has already been awarded, the Vice Chancellor may constitute an expert committee to enquire into charges of plagiarism and the committee will submit its report with recommendations.
- b. The expert committee may give the opportunity of hearing to the concerned parties as it deems fit.
- c. The Vice Chancellor will place the report along with recommendations of the committee before the Academic Council for its consideration and action.

19. SUBMISSION OF Ph.D. THESIS

19.1. The Research Scholar, within six months from the date of Pre-Ph.D. submission (**Regulation 2**) seminar and presentation, will submit Two Spiral Bound Thesis (02 Copies), along with one copy on electronic media for record to the Controller of Examination for organizing evaluation. In case, a research scholar is supervised by more than one Supervisor/Co-Supervisor, appropriate number of additional copies shall be required to be submitted.

19.2. In case the Research Scholar fails to submit his/her Thesis within the stipulated time period and has suitable justification for the same, the VC may, on the recommendation of DRC, grant an extension of not more than 6 months i.e. he/she may be allowed to submit his/her Thesis as above within a period of one year from the date of acceptance of the Synopsis.

19.3. The Thesis shall be a piece of research work characterized either by discovery of new facts or enunciation of a new theory or theories or by fresh interpretation of known facts. It shall bear evidence of the research scholar's capacity for analysis and judgment as well as his ability to carry out independent investigation, design or development. Further, no part of the Thesis or published work shall have been submitted for the award of any other diploma or degree.

19.4. The research scholar shall submit a certificate from his Supervisor(s) in the prescribed format that the work embodied in the thesis entitled “ ” is original and has been carried out by the scholar and that it has not been submitted earlier in full or in part for the award of any other diploma or degree of this or any other University.

19.5. The preparation of the Thesis shall be in accordance with the format prescribed by the University.

19.6. It will be the responsibility of the Supervisor(s) and the Research Scholar to get the Thesis checked on one of the globally acceptable 'plagiarism checking software' approved by the University to ensure that the plagiarism levels do not exceed 10 % overall. The Plagiarism Check Report shall be submitted along with the Thesis.

20. APPOINTMENT OF EXTERNAL EXAMINERS

20.1. A panel of at least six experts in the subject area of research work from the different States in India would be suggested by the Supervisor(s) and placed before the DRC Chairperson after successful Pre-Ph.D. Submission Presentation / implementation of suggestions recommended by Committee Members.

20.2. A person from the same University/Institute/Organization where the research scholar is employed shall not be appointed as an examiner. Further, a person from a

University/Institute/Organization to which the Supervisor/Co-Supervisor of the research scholar belongs, shall not be appointed as an examiner.

20.3. On receipt of the Spiral Bound Thesis (02 Copies), the concerned Supervisor shall send the panel of examiners list to the DRC Chairperson who shall in turn review and recommend the panel to Dean-R&D.

20.4. Further, Dean-R&D will send the Spiral Bound Thesis (02 Copies) and the panel of examiners list to COE in a sealed envelope.

20.5. COE will take approval from VC to appoint Two External Examiners to examine the Thesis.

20.6. In case one or more examiners so appointed decline to examine the Thesis, other examiner(s) out of the panel shall be appointed. In case the panel gets exhausted, the concerned DRC, in consultation with the Supervisor(s), shall recommend additional names in the panel.

20.7. In case, the Vice Chancellor himself / herself happens to be the Supervisor, the external examiners shall be appointed by the Pro Vice Chancellor of the University or the DRC concerned.

21. EVALUATION OF Ph.D. THESIS

21.1 After receiving the copies of Ph.D Thesis and the Synopsis, the Controller of Examinations shall send the submitted Synopsis to the Examiners for obtaining their consent to evaluate the Thesis.

21.2. On receipt of the consent, the COE will send the Hard Copy or the Soft Copy of the Thesis as per the requirement of the Examiner(s) for evaluation.

21.3. Each Examiner shall be requested to submit to the COE a detailed assessment report on a prescribed proforma within 45 days of the date of receiving the Thesis.

21.4. In the event of the assessment report not being received from an examiner within 60 days, the Vice Chancellor may appoint other examiner(s) from the panel of examiners for evaluating the Thesis.

21.5. The examiners shall be required to state categorically whether in their individual opinions, the thesis shall be: a) Accepted for the award of Ph. D. degree, or b) Referred to the research scholar for revision and re-submission, or c) Rejected.

21.6. The examiner while recommending re-submission / rejection of the Thesis, shall state the reasons thereof. If re-submission is recommended, the examiner shall specifically indicate the modifications that are required to be made in the Thesis.

21.7. The reports from all the examiners shall be placed before VC who shall peruse the reports and advise one of the following:

21.8. That the research scholar shall appear for oral defense, if all the examiners have

unanimously approved the work of the research scholar and recommended for the award of Ph. D. However, if any of the examiners, while recommending the Thesis, also suggests for some corrections to be made in the Thesis, the candidate shall be required to make necessary corrections therein in consultation with his Research Supervisor(s). In such a case, a committee comprising of the Head of the Department, the Ph. D. supervisor and DRC concerned shall ensure that all necessary corrections have been made in the Thesis. The details of the corrections made in the Thesis by the candidate will be placed before the Examiner at the time of the Oral Defense.

21.9. If one examiner recommends Thesis for the award of the Degree and the other examiner rejects the Thesis, an additional external examiner out of the panel may be appointed by the Vice Chancellor the Thesis will be sent to the Third Examiner. In case the Third Examiner also recommends the rejection of the Thesis, no additional opportunity shall be given to the Research Scholar and his registration shall be cancelled.

21.10. That the research scholar shall revise the Thesis and resubmit the same, if both the examiners are of unanimous view that the Thesis be re-submitted in a revised form. The revised Thesis shall be submitted within a period of one year from date of communication by the COE. However, in exceptional circumstances this period may be extended by one more year by the express permission of the Vice Chancellor on the recommendation of the DRC.

21.11. The revised Thesis incorporating all necessary corrections/modifications as suggested by the examiners shall be sent to the original panel of examiners for assessment. In the event of one or more of the original external examiners not being available, an additional external examiner out of the panel may be appointed by the VC.

21.12. That a Third examiner out of the existing panel approved by the VC, shall be appointed as a special case, if there is no unanimity between the examiners on the revised Thesis and the merit of the case so demands. The report of the Third examiner shall be considered by DRC and appropriate action shall be taken.

21.13 In the event of acceptance of the Thesis, the COE shall arrange for Oral Defense. However, in the event of rejection of the Thesis, no additional opportunity shall be given to the Research Scholar and his registration shall be canceled.

22. VIVA-VOCE EXAMINATION

22.1. A research scholar, whose Thesis is recommended for acceptance in accordance with the provisions, shall be required to defend his / her Thesis orally before a duly constituted committee, hereinafter called as Oral Defense Committee (ODC), at the University premises during working hours. Any deviation from this shall have prior permission of the VC.

22.2. The Viva-Voce examiner shall be provided with the comments made by the examiners

before the Viva-Voce examination.

22.3. The Oral Defense Committee (ODC) shall consist of:

- a) The DRC head of the concerned Department; Chairperson
- b) Concerned research supervisor(s); Member(s)
- c) One of the External Examiner who evaluated the Thesis, as nominated by the Vice-Chancellor; Member

22.4. If none of the examiners is available to attend the oral defense, an alternative examiner, on the recommendation of the concerned DRC, shall be appointed by the Vice-Chancellor.

22.5. If the DRC head concerned is not able to participate in the meeting, the Vice-Chancellor will co-opt any other senior member of the concerned School/Department in his/her place.

22.6. During the conduct of Oral Defense, all Deans, HODs, faculty members and research scholars will be invited though they will not form the part of ODC.

22.7. The ODC, after the conduct of Oral Defense, shall submit its recommendation (on the prescribed format) to the Vice Chancellor for approval.

22.8 In case the research scholar is found to be 'Not Qualified' for the award of Ph. D. by ODC, the Research Scholar, after due approval of the concerned DRC, may be given second chance to defend his Thesis within next 6 months.

22.9. However, if the Research Scholar is found to be again 'Not Qualified for the award for Ph. D. by the ODC and such recommendation is approved by the Vice-Chancellor, he/she shall be advised to re-register and write a fresh Thesis thus repeating the entire process. However, such Research Scholars shall not be required to go through the course work again.

23. AWARD OF PROVISIONAL DEGREE

In case the research scholar is found to be qualified for the award of Ph. D. by the ODC and its recommendation is approved by the Vice Chancellor, a Provisional Degree shall be issued by the University on request to the Research Scholar after making corrections as suggested by the ODC, if any, and approved by the DRC concerned, submits two hard bound copies of the accepted Thesis; one each for the School/Department Library and the Central Library, and another on CD ROM.

24. AWARD OF DEGREE

The Degree shall be awarded by the University provided that:

24.1. The Academic Council has approved the award of Doctoral Degree after due recommendations of the ODC and approval by the Vice Chancellor;

24.2. The Research Scholar incorporates suggestions made by the examiners of ODC, if any, and approved by the DRC concerned;

24.3. The Research Scholar submits two hard bound copies of the accepted Thesis; one each for the School/Department Library and the Central Library, and another on CD ROM; and

24.4. The research scholar produces a “No Dues Certificate’ in the prescribed format. The Degree shall be awarded at the University convocation, unless otherwise agreed by the Vice Chancellor.

24.5. Along with the degree, the University shall issue a Certificate certifying to the effect that the Degree has been awarded in accordance with the provisions of the UGC Regulations, 2009.

25. TERMINATION OF REGISTRATION

Registration of a research scholar shall be liable for termination in any one of the following eventualities, after due approval of the Vice Chancellor:

- (i) If a research scholar absents himself/herself for a continuous period of six weeks without prior intimation/sanction of leave;
- (ii) If the Research Scholar does not pay the Fees as due within the stipulated time.
- (iii) If he/she does not submit periodical progress reports as prescribed;
- (iv) If his/her research progress is found to be unsatisfactory as per recommendation of respective DRC/RAC;
- (vi) If he/she is found to be involved in any act of misconduct and/or indiscipline and termination is recommended by the RAC/DRC or any other disciplinary authority

26. WITHDRAWAL OF AWARDED Ph. D DEGREE

On receiving a genuine complain in writing about copying of a major portion of the Ph.D. Thesis, and upon investigation by a committee duly appointed by VC, if the complaint is found to be correct, VC, may withdraw the Ph. D. degree already awarded.

27. DEPOSITION OF Ph.D. THESIS

Following the successful completion of the evaluation process and announcement of the award of Ph. D., the University shall submit a soft copy of the Ph.D. Thesis to the Shodhganga and also to the UGC within a period of 30 days, for hosting the same in INFLIBNET.

28. TRANSFER OF SCHOLARS FROM OTHER UNIVERSITIES TO LV

1. Transfer of Scholars (Candidates) registered at any other University (other than Lingaya’s Vidyapeeth) shall be allowed to continue the Ph.D. programme, provided the Scholars are from defense Organizations/National Laboratories/ National Research Organizations/ Public Sector Units/State, Central Government Organizations and approved Private Universities

2. While applying for transfer, the candidate shall submit an application to the office of

Registrar, Lingaya's Vidyapeeth.

3. Transfer shall be considered only when the candidate satisfies the LV eligibility criteria prescribed for Ph.D. programme.
4. The transfer shall consider the credits undertaken by the candidate for the Ph.D. Course work in the earlier institution and its equivalence with LV's Ph.D. Course work will be assessed by RAC Chairman of LV. In case of deficiency, the candidate is to complete remaining credits of Ph.D. course work of Lingaya's Vidyapeeth
5. In case the coursework of the earlier University is not commensurate with the LV coursework pattern, the course/s shall be prescribed with or without exempting the courses already studied as per decision of RAC Chairperson.
6. After recommendation from RAC, the candidate shall be registered for Ph.D. at LV.
7. The Scholar shall be permitted to submit the thesis as per approved norms of Lingaya's Vidyapeeth from the date of his/her registration.
8. The Registrar shall inform the decision taken by the University to the Scholar, Research Center, Research Supervisor, Research Co-Supervisor (if any) and Registrar (Evaluation) before the enrollment to the Ph.D. programme.

29. GENERAL

- Notwithstanding anything contained in these Regulations, all categories of research scholars shall be governed by the rules and procedures framed by the Academic Council on this behalf, and in force from time to time.
- Notwithstanding anything stated in these Regulations, for any unforeseen issues arising and not covered under these Regulations, or in the event of differences of interpretation, the Vice-Chancellor may take appropriate decision after taking, if necessary, the opinion/advice of a Committee consisting of any or all the Deans/Directors/HoDs of Schools. The decision of the Vice-Chancellor in this regard shall be final.

LINGAYA'S VIDYAPEETH

COUNCILS POLICY

1. INTRODUCTION

In the spirit of the collegial governance of the Lingayas Vidyapeeth, representing groups of faculty, students, and alumni serve in advisory capacities to the administration and contribute to the policy-making and operational functions. These groups are organized into councils along with details duties and membership of these councils.

The activities are systematized largely through the councils described in this policy. These councils are advisory to the appropriate administrator of the council. However, where the council formulates educational policies, these are referred to the Competent Authority for supervision and action. When requested, councils report to the Faculty Senate.

2. EDUCATION GOVERNANCE

As well as adherence to selflessness, integrity, objectivity, accountability, openness, honesty, and leadership, Council members are expected to understand the seven primary elements of higher education governance which are as follows:

- 2.1 The governing body is unambiguously and collectively accountable for institutional activities, taking decisions on matters of fundamental concern within its remit.
- 2.2 The governing body protects institutional reputation by being assured that clear regulations, policies and procedures that adhere to legislative and regulatory requirements are in place, ethical in nature, and followed.
- 2.3 The governing body ensures institutional sustainability by working with the Executive to set the institutional mission and strategy. In addition, it needs to be assured that appropriate steps are being taken to deliver them and that there are effective systems of control and risk management.
- 2.4 The governing body receives assurance that academic, administrative, students, and all peripheral governance is effective by working with the higher authorities or equivalent as specified in its governing instruments.
- 2.5 The governing body needs to ensure that effective control and due diligence take place in relation to institutionally significant external activities.
- 2.6 The governing body must promote equality and diversity throughout the institution, including its own operation.

Website: www.lingayasvidyapeeth.edu.in

2.7 The governing body must ensure that governance structures and processes are fit for purpose by referencing them against recognized standards of good practice.

2.8 The governing body of the councils must address the issues presented to it within the allotted period.

3. ROLE DESCRIPTION FOR MEMBERS OF THE LINGAYA'S VIDYAPEETH COUNCILS

The Council is the governing body of the University in its specified department and exercises general oversight over that area in the institution and its affairs.

It comprises of Head Council, Sub-head Council, 1 alumnus, 1 faculty/staff from each department, and student member as required and meets every month and holds a review meeting each semester. All Council members are offered induction, training, and development as appropriate.

3.1 Types of members

A specified number of seats on the Council are held by members of the University - academic and administrative staff and one seat is held by a representative student.

A specified number of the Council's members can be from outside the University - the 'lay' members (preferably alumni) - and they contribute a wide range of experience and expertise from a range of different sectors. Lay members are also usually expected to participate in one or more of the Council's meetings.

All members exercise their responsibilities in the interests of the University as a whole rather than guided by their vested interests. The Council must maintain a register of members of the Council, and immaculate records of various meetings, agenda items, and minutes.

All members are expected to attend scheduled meetings as regularly as possible. They have collective responsibility for Council decisions and, as with all governing bodies, must respect the clear distinction between their strategic governance role and that of operational management of the institution (this latter role being played by the University Board of Management chaired by the Vice-Chancellor).

Councils can form various committees and subcommittees to cater to the extensive roles that fall within their ambit.

3.2 Contributions of Members

Council members bring to their deliberations a wide range of knowledge and expertise and are expected to apply balanced and disinterested judgment to these deliberations. Their main assets are their independence and objectivity, with principal contributions as:

- a. To monitor issues from all aspects
- b. To represent a balanced view - external as well as internal.
- c. To offer special skills.
- d. To give an independent view on possible internal conflicts of interest.

Lingaya's Vidyapeeth

Any grievance from the students is to be resolved within 24 hours and the student should be communicated about the resolution or non-resolution of the issue.

4.9 Extension Courses Council

Head: Director

Deputy Head : Deputy Director

* One faculty member from each department.

- One Alumni.

5. RECOMMENDED BEST PRACTICES FOR MANAGING UNIVERSITY COUNCILS

Serving as the Responsible University Official (RUO) of chair for a university council is an important service to the university. It is their responsibility to ensure that the Council members meet as required and fulfill the function and purpose of the Council. Below are some recommended guidelines for RUOs and chairs.

5.1 General

- The RUO and chair should familiarize themselves with the Process for Appointments of Heads/members of different Councils.
- The RUO and/or chair should contact the Registrar, if there is any council information on the Councils that needs to be updated.

Head Office (Delhi): C72, Second Floor, Shivalik, Near Malviya Nagar, Above HDFC Bank, New Delhi - 110017 | Ph.: 011-46570515
 Admn. Office Vijaywada: 1st Floor, Sai Odyssey, Opp. Executive Club, Gurunanak Nagar Road, NH-5, Vijaywada-520008

 Nachauli, Jasana Road, Faridabad- 121002 | Ph: 0129-2598200-05
 Website: www.lingayasvidyapeeth.edu.in

5.2 Appointments

- a) As Council appointments are made, the following information should be sent to the Registrar, Dean Academics, Vice Chancellor, Pro-Chancellor, Director and Chancellor:
 - Member name,
 - Unit being represented,
 - Term start and end dates.
- b) Chairs are responsible for filling vacancies in accordance with the council's membership criteria. RUOs should assist in this task.
- c) All vacancies should be filled as soon as possible. Ideally, replacement members should be identified prior to seats becoming vacant.
- d) Council chairs are either appointed or elected, depending upon the Council's requirements. If a chair needs to be elected, this should be done at the first meeting.

5.3 Meetings

- a) Once a Council has a full roster, the RUO or chair will send an email to all council members welcoming them to the council and setting up the first meeting for the academic year.
- b) University councils must hold at least one (1) meeting per semester.
- c) Many Councils choose to set up all meetings for the semester or academic year so that they are on people's schedules.
- d) Doodle polls are a popular way to find a common meeting time.
- e) Calendar invitations with the room numbers should be sent out for each meeting.
- f) An agenda is needed for the council and every meeting.
 - Possible agenda items for the first meeting include: the introduction of council members; identification of voting members; discussion of the council's charge and members' responsibilities; and election of the council's leadership.
 - The council chair should put out a call for agenda items 10-15 business days before the meeting. In the absence of the chair or other presiding officer, the RUO needs to send out the call.
- g. Minutes must be taken for all councils at all meetings.
 - Components of the minutes should include:

RULES & REGULATIONS OF COUNCILS

1. One member from each Department to be selected in consultation with HOD's by the Head Council.
2. One Alumni member having experience of 5 years or more to be selected by the Head Council.
3. Weekly, Head Councils should call Heads of the Committees for updates of work completed for which maintaining minutes in the digital form is mandatory.
4. Fourth Saturday of the month, a review meeting among Council Heads to be called by the Vice - Chancellor followed by the monthly presentation for which maintaining minutes in the digital form is mandatory.
5. Fourth Saturday of every alternate month, one meeting with the Chancellor of all Heads and Members to be organised by the Chancellor's Office for appraisal for which maintaining minutes in the digital form is mandatory.
6. Monthly, each Council should maintain their records in digital form, copy of which needs to be submitted at the Registrar's Office for records.
7. Every Council is advised to strictly adhere with the University policies as well as Rules & Regulations of Councils being laid down.
8. No commitments should be given outside the University policies without written approval from Chancellor's / Vice - Chancellor's Office.
9. All the Councils should be available as and when asked and should properly maintain their records, a copy of which should be available in the Central Server at the Registrar's Office.
10. Monthly budget of Rs.2000 is allocated for the purpose of tea and coffee only that will be reimbursed after the submission of tea/coffee bills.
11. Every end of the Semester, all Councils should give a presentation of work completed in the whole semester to the Chancellor. Please note that it's every Council Head's responsibility to make sure that the Advisors of the Council are present on that day.
12. Within the ambit of the University policies, Council Heads have full autonomy to take the final decision pertaining to their respective Councils.
13. All the Head Councils should coordinate with each other and even though they have full autonomy to make decisions for their Council, they are advised not to interfere or influence the decision of other Council to maintain harmony amongst each other.
14. Every Council should make their digital group where a representative from Chancellor's / Vice - Chancellor's Office is required.
15. Any change in the members of the Council should be duly notified to other Councils and recorded at the Registrar's Office.
16. All the Council Heads are supposed to maintain the hierarchy within their Councils with liberty to change or alter the members with due reasons.
17. All the Council's KRA will be notified by the Registrar's Office. And after the notice, Council is fully responsible / answerable for their scope of work.
18. In case of any conflict, the decision of the Vice - Chancellor / Chancellor will be deemed as final.
19. All the above cited rules and regulations can be modified or amended subject to the due approval from Vice - Chancellor / Chancellor.

POLICY AND PROCEDURES TO MAINTAIN AND UTILIZE PHYSICAL AND ACADEMIC SUPPORT FACILITIES IN THE CAMPUS

- The Lingaya's Vidyapeeth has a defined process, procedures and monitoring mechanisms to ensure proper maintenance and utilization of infrastructure, library, sports, laboratories, classrooms, seminar halls, auditoriums, lifts and other service installations.
- The academic requirements in classrooms, laboratories and other infrastructural resources are identified at the start of each semester. The Labs catering to the needs are provided with advanced computers with LAN and Internet with Wi-Fi access. All repair, maintenance and upkeeps of labs are maintained by their lab in-charges/technical support. Maintenance work is undertaken during weekend on the basis of periodical report.
- Library: library has a good collection of Text Books, Reference Books, journals, magazines, etc. A provision of the budget for the library maintenance is made by the management. Faculty recommends the desired titles to the library and are procured from time to time. In addition, the library at Departmental level fulfil the specific needs of students and teachers.
- Transport: The University has a transport facility managed by administration to ensure the buses, vans, ambulances and cars are maintained properly efficiently. Ambulance is available in the campus 24 X 7 for students and faculty to meet any emergency.
- Work Shops: Periodic report on requirement of repairs and maintenance in Workshop are raised by the departments and forwarded to Administration office for compliance.
- Sports Complex: • Various sports facilities are available and being used regularly for competitions practice. The indoor and outdoor game are facilities regularly monitored and reports are submitted to Manager administration for its upkeep, repairs and maintenance.
- Computers: An IT cell headed by a senior member to oversee the procurement,

maintenance, repairs and replacement of digitalized systems like computers, laptops, projectors, audio -visual devices etc.

There are adequate number of the latest configuration computers with internet connections, Wi-Fi facility, connected through LAN and the utility software's installed in administrative offices, department laboratories, library etc. Hi-Tech Surveillance System with HD cameras along with day/night facility recording in a control room and maintained by IT.

- Classrooms: An emphasizes on quality class room with all the basic facilities like fans, lights, proper furniture and ventilation etc along with separate girls' and boys' common room and medical centre. An impressive air-conditioned auditorium 1500 capacity managed by Manager Administration boosts for academic functions and cultural events. All classrooms are cleaned on regular basis by housekeeping department. The supervisors of the building are also responsible for the maintenance of the buildings and physical facilities.

- Electrical Maintenance: • A department for monitoring the power distribution system. 11 KVA substation, Gensets 720KVA, solar panel 250KW etc. are undertaken as per the maintenance schedule.

- Banking/ATM facility and services • Cafeteria facility • Books and Stationary facilities, Reprographic services etc.

5.	Uploading of Continuous Assessment, Mid- and End-Semester Examinations marks	Online
6.	Display of Continuous Assessment and Mid-Semester Examination marks in student's login (Engineering & Technology and Vocational etc.) through LMS	Online
7.	Generation of admit cards	Online
8.	Generation of verification cards	Online/ Offline
9.	Declaration of results	Online
10.	Payment of fees for re-evaluation, improvement exam, backlog papers, etc.	Online/ Offline
11.	Grievance redressal	Online/ Offline

INFRASTRUCTURE REPORT OF LINGAYA'S VIDYAPEETH

1. Introduction

Lingaya's Vidyapeeth is located in Faridabad at Nachauli on Old Faridabad-Jasana Road. The university's sprawling campus, set amidst green pastures, provides a pollution-free environment that is conducive to both academic and recreational activities. The total built-up area of the university is over 97,500 sqm, with an additional 14,309 sqm in various stages of construction. This report aims to provide an in-depth look at the various infrastructural facilities that make Lingaya's Vidyapeeth a modern educational institution.

2. Academic Infrastructure

The university boasts state-of-the-art academic facilities spread across its well-designed academic blocks. These blocks are equipped with air-conditioned lecture halls, tutorial rooms, seminar halls, and faculty offices that facilitate interactive learning and research.

Lecture Halls and Seminar Rooms

The classrooms and seminar halls are equipped with modern teaching aids, such as LCD projectors, smartboards, and sound systems, to ensure that lectures, presentations, and seminars are of the highest quality. With spacious seating arrangements, the classrooms encourage student participation and are well-ventilated to maintain a conducive learning environment.

Laboratories and Workshops

To support practical learning, the university has a series of well-furnished laboratories and workshops for students enrolled in science, engineering, and technology courses. These include specialized labs for fields such as Mechanical, Electrical, Civil, and Computer Engineering. The labs are equipped with the latest machinery and technology, allowing students to gain hands-on experience in real-world scenarios.

3. Library Facilities

The central library at Lingaya's Vidyapeeth serves as an essential academic resource for both students and faculty members. With a vast collection of over 150 national and international journals and more than 1.7 million online documents through databases such as IEEE, ScienceDirect, and DELNET, the library provides ample

resources for research and academic exploration.

Physical and Digital Resources

In addition to books, the library offers a comprehensive collection of e-resources that support the academic programs across all disciplines. The reading areas are spacious and designed to foster a quiet, comfortable atmosphere for learning. The library's digital section ensures access to a wide array of online academic content.

4. Computing and IT Infrastructure

The university's computing facility serves as a central hub for students and staff requiring access to computing resources. The facility is air-conditioned and houses high-performance computers with updated software required for various academic programs. The 24/7 Wi-Fi network across the campus ensures seamless internet access for all students and faculty, supported by a fibre-optic-based network backbone.

Data Security and IT Support

To maintain data security and operational efficiency, the university has dedicated IT support to handle any technical challenges. All academic and administrative buildings are connected through a secure local area network (LAN), ensuring high-speed connectivity for both academic work and administrative operations.

5. Residential Facilities

Lingaya's Vidyapeeth provides on-campus hostel facilities for both male and female students, designed to offer a comfortable living environment with all necessary amenities.

Hostel Infrastructure

The air-conditioned and non-air-conditioned hostels are equipped with Plasma TVs, common rooms, guest rooms, and 24-hour hot water facilities. The hostels have round-the-clock power backup, a gymnasium, and Wi-Fi connectivity. The boy's hostel even includes a swimming pool, offering students recreational opportunities in their free time.

Mess and Cafeteria

The campus includes a large cafeteria that serves both vegetarian and non-vegetarian meals, catering to students' diverse dietary preferences. The mess facility is air-cooled and ensures hygienic preparation and service of nutritious food, contributing to the overall well-being of the students.

6. Sports and Recreational Facilities

The university promotes a healthy lifestyle by offering a variety of sports and recreational facilities, including indoor and outdoor play areas.

Playgrounds and Gymnasium

The campus includes several well-maintained sports grounds where students can engage in sports like football, cricket, basketball, and tennis. A fully equipped gymnasium is also available, with modern fitness equipment and professional trainers for students who wish to maintain their physical fitness.

Student Activity Centre

The student activity centre serves as a hub for extracurricular and co-curricular activities. It hosts various clubs and societies, offering students a platform to showcase their talents in fields such as performing arts, literature, and debate.

7. Auditorium and Conference Facilities

Lingaya's Vidyapeeth is home to an air-conditioned auditorium with a large seating capacity, making it an ideal venue for large-scale events such as conferences, cultural programs, and seminars.

Seminar Halls

Equipped with the latest projection and sound systems, the seminar halls provide a platform for academic discussions, paper presentations, and guest lectures. These halls are often used for conferences and workshops that help broaden students' exposure to industry experts and academic leaders.

8. **Transportation Facilities**

For students and faculty commuting from various locations in the National Capital Region (NCR), the university offers a well-organized transportation service.

Bus Services

The air-conditioned buses cover major locations in Faridabad, Delhi, and NCR, ensuring a comfortable and safe commute for students and staff. The transportation service is well-coordinated to match class schedules, making it a reliable and convenient option for students living off-campus.

9. Medical and Emergency Services Lingaya's Vidyapeeth ensures the health and safety of its students by providing a 24/7 medical facility on campus. A qualified medical officer is always available to handle routine medical check-ups and emergencies. In case of more serious medical issues, the campus has an ambulance on standby for immediate evacuation to the nearest hospital.

Sickbay and First-Aid

The sickbay, located in the hostel area, provides basic first-aid and medical care to students. The medical room is well-equipped and maintained, ensuring that students have access to immediate healthcare when required.

9. **Environmental and Sustainable Initiatives**

The green, pollution-free environment of Lingaya's Vidyapeeth is one of its defining features. The university has implemented several sustainable initiatives to maintain the ecological balance on campus.

Energy Conservation and Waste Management

Solar panels are used to supplement the energy requirements of certain areas on campus, and rainwater harvesting systems have been installed to conserve water. Waste segregation practices are encouraged, and there are dedicated disposal systems for hazardous materials, ensuring that the campus remains eco-friendly.

The infrastructure at Lingaya's Vidyapeeth is designed to support the holistic development of its students, from academic learning to physical well-being and extracurricular engagement. With its state-of-the-art facilities and commitment to sustainable growth, the university stands out as a premier institution offering a comprehensive educational experience. The campus, with its modern infrastructure and diverse facilities, provides a conducive environment for learning, innovation, and personal growth.

SCHOLARSHIPS & POLICY

NO. OF STUDENTS BENEFITED : 4217
SCHOLARSHIP AMOUNT : Rs.3,43,72,150/-

SCHOLARSHIP SCHEME OF LINGAYA'S VIDYAPEETH

Lingaya's Society

Report on the Audit of Financial Statements

Opinion

We have audited the accompanying financial statements of **Lingaya's Society**, which comprises the Statement of Financial Position as at 31st March 2024, the Income & Expenditure Account and a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give a true and fair view in conformity with the accounting principles generally accepted in India. Including the Accounting Standards issued by the Institute of Chartered Accountants of India ('ICAI') of the financial position of the Society as at 31 March 2024, its financial performance and its cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Society in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Management's Responsibility for the Financial Statements

The management is responsible for preparation of these Financial Statement that give a true and fair view of the state of affairs, results of operations and cash flows of the Society in accordance with the accounting principles generally accepted in India, including the Accounting Standards issued by the ICAI. This responsibility includes maintenance of adequate accounting records for safeguarding the application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent and the design, implementation and maintenance of adequate internal control. That were operation effectively for ensuring the accuracy and completeness of accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

LINGAYA'S SOCIETY 2024 ANNUAL REPORT

3 of 14

+91 8285813142

Help@vma.in

K-318, 3rd floor, Mehrauli Bdarapur
road, Lado Sarai, New delhi
110030

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i) Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control systems.
- iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- v) Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

LINGAYA'S SOCIETY**Notes forming part of the financial statement for the year ended March 31, 2024****1 Organization Background**

Lingaya's Society is a non-profit organisation, established on 28th May 2010 and it is primarily engaged in the domain of education. Its registered office at 16A, Central Drive, DLF Chattarpur Farms, New Delhi-110074.

All amounts are in INR, unless otherwise stated

2 Material Accounting Policies**(a) Basis of Preparation of Financial Statements:**

The financial statements have been prepared on a going concern basis under the historical cost convention, on an accrual basis, in accordance with applicable accounting standards issued by the Institute of Chartered Accountant of India (ICAI) to the extent applicable. The accounting policies have been consistently applied by the organization.

(b) Use of Estimates:

The preparation of financial statements in conformity with Indian generally accepted accounting principles requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the years in which the results are known / materialize.

(c) Cash and Cash Equivalents:

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

(d) Property, Plant and Equipment:

Property, plant and equipment are stated at cost less accumulated depreciation/amortization and accumulated impairment losses, if any. Cost comprises of purchase price and other directly attributable costs of bringing the asset to its working condition for its intended use and includes interest on moneys borrowed for construction/acquisition of fixed assets up to the period the assets are ready for use. Assets which are not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses.

(e) Depreciation:

Depreciation is charged on the written down (WDV) value method at the rates prescribed by the Income Tax Act, 1961.

(f) Revenue recognition:

Revenue from students in various educational institutes, colleges and universities are recognized as per generally accepted accounting principle (GAAP) that identifies the specific conditions in which revenue is recognized and determines how to account for it.

(g) Expenditure:

Expenses are recognized in the income statement as and when the provision of services is received.

(h) **Provisions & Contingencies:**

A provision is recognized when there is a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent Liabilities are disclosed in the notes. Contingent assets are not recognized or disclosed in the Financial Statements.

(i) **Remuneration of Auditor:**

The Committee discussed the provisions relating to the payment of remuneration to the Auditors and felt that this should be subject to decision by shareholders and that the provisions in the existing law provided a suitable framework for the purpose. However, the Committee felt that the basic remuneration to be termed as 'Audit Fee' should be distinguished from reimbursement of expenses. Reimbursement of expenses to Auditors should not form part of remuneration but should be disclosed separately in the Financial Statements along with the Auditor's fees.
