INSTITUTION'S INNOVATION COUNCIL (IIC) 6.0

LINGAYA'S VIDYAPEETH, FARIDABAD -ANNUAL REPORT 2023-24

About IIC

In the year 2018, the Ministry of Education (MoE) through MoE's Innovation Cell (MIC) launched the Institution's Innovation Council (IIC) program in collaboration with AICTE for Higher Educational Institutions (HEIs) to systematically foster the culture of innovation and start-up ecosystem in education institutions. Primarily, IICs' role is to engage large number of faculty, students and staff in various innovation and entrepreneurship related activities such as ideation, Problem solving, Proof of Concept development, Design Thinking, IPR, project handling and management at Pre-incubation/Incubation stage, etc., so that innovation and entrepreneurship ecosystem gets established and stabilized in HEIs. The IIC model is designed to address the existing challenges/issues in HEIs such as less numbers, occasional and unplanned Innovation & Entrepreneurship (I&E) activities organised in HEIs with low involvement of top leadership, lack of coherence and absence of synergy in resource mobilization, deployment and underutilization of creative potential of youths as major barrier for vibrant I&E ecosystem to emerge from HEIs.

IIC model is unique and distinct as it integrates the functionalities of flexibility calendar activities, scoring and reward system, decentralizing operation with division of work, progress monitoring and incentive mechanisms in coordinated manner through a robust digital platform. In last two years, undoubtedly, IIC has emerged as a very sustainable and scalable model for promoting innovation within HEIs and the efforts of these IIC Institutes can be seen as impactful contribution towards making country's innovation and start-ups ecosystem more vibrant and dynamic. The recent achievement of India's 48th position in Global Innovation Index (GII) ranking is a reflection of the same.

About IIC Lingaya's Vidyapeeth

In the year 2018, the Ministry of Education (MOE) launched the Institution's Innovation Council (IIC) program in collaboration with AICTE for Higher Educational Institutions (HEI) to systematically foster the culture of innovation and startup ecosystem in education institution.

Institution Innovation Council of Lingaya's Vidyapeeth, Faridabad became a member of IIC in 2022, The IIC envisions creating an innovation ecosystem at a national level. IIC Lingayas Vidyapeeth helps students to have their start-ups before graduating from university. This turns the students from job-seekers to employment generators. Students who have an innovative idea have a golden opportunity to take guidance from the e-cells in their colleges. IIC also prepares colleges and universities for Atal Ranking of Institutions on Innovation Achievements Framework (ARIIA). Primarily, IIC's role is to engage a large number of faculty, students and

staff in various innovation and entrepreneurship related activities such as IPR, problem-solving, management at pre-incubation/incubation stage etc. IIC focuses on helping students with pre-incubation ideas. The primary mandate of MIC is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes while they are in formative years. Institution Innovation Council of Lingaya's Vidyapeeth, Faridabad is striving continuously to motivate students and faculties for continuous efforts towards innovation, Incubation, startups and achieving sustainability goals.

Lingaya's Vidyapeeth Vision

- Traditionally believing that God is the Source of all Truth, Goodness, and Beauty, Lingaya's Vidyapeeth seeks to develop in students a wisdom that translates academic achievement into responsible citizenship, sincere professional service, a deep respect for life and beauty in God's Creation and Recreation.

Lingaya's Vidyapeeth Mission

- To commit to excellence in thought and action;
- To impart knowledge and skills and to mould attitude required for careers in Technical and Management fields by careful guidance and instruction for self-learning in both formal and informal modes;
- To dedicate oneself to improve social and economic status and enhance the quality of life for all;
- To strive to maximize human welfare through education and produce effective knowledgeable staff, practitioners and educators who will be guided by vision, compassion, knowledge, disciplined discovery and deep respect for human values;
- To provide an individual engineering and other professional learning experience for each student;
- To develop critical thinking, analytical ability and creative skills;
- To supplement the curricula with teamwork, leadership, persuasive oral and written skills, project management, financial aspects, social concerns and ethics; and
- To establish Industry-Institution interaction for technology, research and development.

IIC Lingaya's Vidyapeeth Vision

“To be a leading hub of innovation and entrepreneurship, empowering students and faculty at Lingaya's Vidyapeeth to become pioneers of transformative ideas and solutions that drive societal progress and sustainable development, while fostering a collaborative ecosystem that bridges academia, industry, and community for the creation of impactful innovations on a global scale.”

IIC Lingaya's Vidyapeeth Mission

The **Institution Innovation Council (IIC) Mission at Lingaya's Vidyapeeth** would be tailored to align with the institution's vision and goals, while also adhering to the broader objectives of the Ministry of Education's Innovation Cell. Here is a mission statement that might reflect the IIC at Lingaya's Vidyapeeth:

1. **Cultivating an Innovative Mindset:** Foster a culture of creativity and innovation among students and faculty by encouraging the exploration of new ideas and solutions to real-world problems.
2. **Promoting Entrepreneurship:** Equip students with the entrepreneurial skills necessary to transform innovative ideas into successful startups. Provide resources, mentorship, and support to nurture entrepreneurial ventures.
3. **Encouraging Interdisciplinary Collaboration:** Promote interdisciplinary collaboration among students, faculty, and industry experts to enhance innovation and create holistic solutions to complex challenges.
4. **Enhancing Skill Development:** Provide training and development opportunities in areas such as design thinking, prototyping, intellectual property rights, and business management to build the skills necessary for successful innovation and entrepreneurship.
5. **Building a Supportive Ecosystem:** Establish a robust support system that includes access to incubation centers, funding opportunities, and industry connections to help students and faculty bring their innovations to market.
6. **Fostering Social Responsibility:** Encourage innovations that address societal and environmental challenges, contributing to the development of sustainable and inclusive solutions that benefit the wider community.
7. **Strengthening Industry Linkages:** Create strong ties with industry partners to ensure that innovations are aligned with market needs and to provide students with practical exposure through internships, projects, and collaborative initiatives.
8. **Promoting a Global Outlook:** Encourage a global perspective in innovation and entrepreneurship, preparing students to compete and collaborate on an international scale.

These objectives align with Lingaya's Vidyapeeth's broader mission to provide quality education and contribute to societal development through innovation, research, and community engagement.
