## About the Conference

The International Conference on Scientific Innovation, Pharmacy, Agriculture, Basic Science and Sustainable Development is a prestigious global event aimed at advancing knowledge and innovation across these critical sectors. The conference will feature keynote speeches, panel discussions, and research presentations, focusing on emerging trends, scientific breakthroughs, and practical solutions that address the most pressing issues of today, such as climate change, sustainable agriculture, environmental conservation, and pharmaceutical advancements.

Participants will be able to engage with experts, share research findings, and collaborate on interdisciplinary projects. The event is designed for scientists, researchers, industry professionals, policy-makers, educators, & students. It offers a unique platform for networking, collaboration, & knowledge sharing. By bringing together diverse perspectives, the conference aims to inspire practical solutions for achieving a sustainable future.

## About the University

The journey of Lingaya's Vidyapeeth began in 1998 with a vision to provide quality education & contribute to societal advancement by producing leaders, innovators, & responsible citizens. Over the years, we have grown into a comprehensive university, offering a wide range of undergraduate, postgraduate, & doctoral programs across various disciplines. The vision of Lingaya's Vidyapeeth is to be a beacon of excellence in education, known for producing graduates who are not only academically proficient but also possess a deep sense of integrity & compassion. We aspire to be a hub of innovation, research, & creativity, driving advancements in various fields. Lingaya's Vidyapeeth envisions a learning community that transcends geographical boundaries, where diversity is celebrated, & ideas flow freely. With a forward-thinking approach & a steadfast dedication to quality education, Lingaya's Vidyapeeth aims to be a catalyst for positive change in the lives of its students & the communities they would serve. Through its unwavering commitment, Lingaya's Vidyapeeth continues to be a cornerstone of educational innovation & excellence, shaping leaders & thinkers of tomorrow.

1. Phytopharmaceuticals & Herbal Drug Development
2. Novel Drug Delivery and therapeutics Innovations
3. AI applications for sustainable Drug Development.
4. AI and Machine learning in Drug design and discovery.
5. Green Chemistry in Drug Discovery & Sustainable Pharma Practices
6. Nutraceuticals and Functional Foods for Human Health & Wellness
7. Biopharmaceuticals and Nanomedicine for Sustainable Healthcare

#### Agriculture

1. Precision Farming & Smart Agriculture for Sustainable Food Production
2. Medicinal and Aromatic Plants: A Bridge Between Agriculture and Pharmacy
3. Agroecology and Organic Farming for Soil and Human Health
4. Post-Harvest Technologies and Value Addition in Agri-Pharma
5. Sustainable Crop Protection: Bio-Pesticides and Bio-Fertilizers
6. Role of Technology in empowering Rural Farmer
7. Digital platforms as catalysts for smart Farming

#### Basic Science

1. Biotechnological Innovations for Sustainable Agriculture & Healthcare
2. Nanotechnology and Its Applications in Agriculture and Drug Delivery
3. Role of Microbiology and Molecular Biology in Plant & Human Health
4. Environmental Science & Climate Change: Impact of Food & Medicines
5. Genomics and Bioinformatics for Advancing Agri-Pharma Research
6. Quantum Computing & AI in Basic Sciences and applications.
7. Impact of Artificial Intelligence (AI) on Material Science & developments

## Objectives

- Provide a platform for experts, Researchers, academics, practitioners & Policy makers to share their knowledge experience & explore the diverse aspects of advancements and innovations.
- Develop actionable insights and strategies that can be implemented to address local and global challenges.
- Foster collaborations and strengthen existing partnerships among participants from diverse backgrounds and disciplines.
- Contribute to a global dialogue on best practices and policies that support sustainable agriculture and environmental stewardship.

## Guidelines

Authors are invited to submit abstract of their research work in the prescribed format on the web link.
